Dress Code Reminders

During the warmer seasons students may wear shorts. Please make sure they are an appropriate length for school. This spring there have been several students wearing tank tops to school. This is only acceptable during very warm weather and the straps should be 2-inches wide. Please do not send children in thin strap shirts or dresses. Halter dresses are also inappropriate for school. In addition, if your child wears low-rise pants, please be sure that they have shirts long enough to cover their bottom when they are leaning over.
