

Accepting New Wireless Certificate

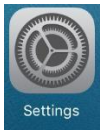

Please follow the instructions below to re-connect to Franklinville’s wireless network. These instructions will only work after 3:00 PM on Monday, April 8, 2019.

1. Power cycle the device
 - a. Power Off device by holding lock button for about 4 seconds and then “slide to power off”.

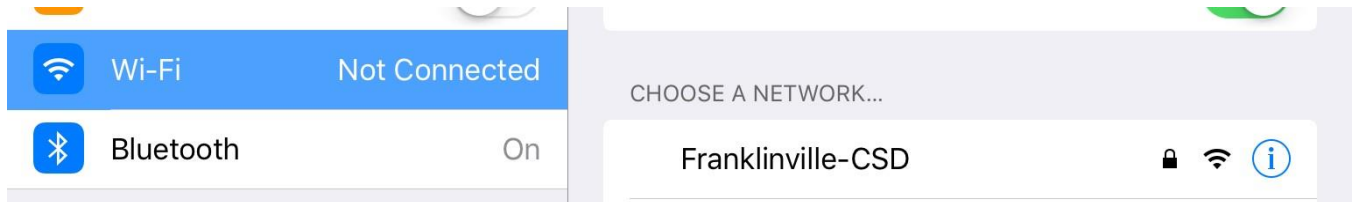

- b. Turn device back on by holding lock button for about 3 seconds.

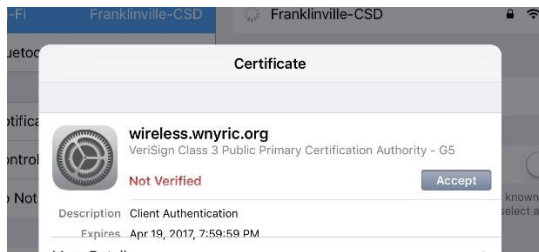

2. Open “Settings”

3. Select “Wi-Fi” and select “Franklinville-CSD” from the “CHOOSE A NETWORK” list.

4. Select “Accept”

5. Once the Wi-Fi is successfully connected you should see a check mark beside “Franklinville-CSD”; this means you are now connected to the network.
