

FRANKLINVILLE CENTRAL SCHOOL

January/February 2023

Thank you TBA

by: Mr. Pendl

When I first started teaching there were absolutely no computers, the office would contact you by the PA system and phones were just getting installed in the classrooms. I started copying papers on a ditto machine and there was no such place as Cash Park. A lot has changed since my very first teaching assignment at Franklinville in 1990, but the fact that Franklinville is the best place to

teach is still the same. I am a transplant to the area, and the Franklinville community welcomed me with open arms way back then, and I am forever grateful. During my time here, I have been able to teach in almost every grade in the elementary and I have had the opportunity to work with many wonderful teachers both retired and present. My last two years in the middle school have given me the chance to meet many more teachers and create new friendships. My career has been more than I could have asked for. I met many spectacular students and have had the experiences of a lifetime. Now as I get ready to retire I want to thank this wonderful school and community, all the teachers I have worked with, the many administrators I have had and all the people who have proudly served on the Board of Education for giving me the opportunity to serve you. My ties, that I have collected over the years tell the story of my career. 112 ties in all. I have gathered them from fellow teachers, family and of course many students. As I leave Franklinville I leave my ties in the very capable hands of all the students who have watched me so proudly wear them over the years. It is said a person who loves his job never has to work a day in his life. Thank you to the Franklinville Community and especially all the students who have made my time here at TBA the best that anyone could ask for. Have a great summer!

Thankfully yours,
Mr. Pendl

FROM THE DESK OF THE SUPERINTENDENT

No matter how hard the cold winter wind blows, you will find warmth when you walk through the doors of Franklinville. During our monthly assemblies in elementary and high school, our students are honored for their academic excellence and character. An infectious atmosphere of camaraderie and support our students bring for each other is always present. One of our student groups took this supportive spirit to the next level. They worked enthusiastically to write holiday

cards for each middle/high student to help brighten the holidays. This demonstration shows that Franklinville Pride is alive and growing in our buildings.

THE 10,000 BOOK PYRAMID!

Did you know that children whose parents read to them daily hear more than a million words more than kids whose parents have never read to them? We are again embarking on a yearlong reading challenge to help students and staff commit to reading every night.

So far this school year, we have read over 4,000 books with our 10,000 Book Pyramid. In October, when we reached 2,000 books, we participated in schoolwide scarecrow making that were displayed at the Halloween Parade.

After reaching 4,000 books, the students were treated to a week of guest readers and holiday ornament-making. I am sure students are excited to see what the 6,000 book goal brings their way!

To keep up our success with the 10,000 book pyramid, I have some suggestions to help keep reading at home. Reading together can be a fun and exciting time for you and your child.

1. Schedule time with your child to read daily. Maybe it is after dinner or right before bed. This will quickly become an exciting routine for you and your child.
2. Kids love to have designated spots to spend some time reading. Make sure it is a comfy and distraction-free zone.
3. Be their reading partner. When children see us reading, it encourages them to do the same.

4. Need more books? Consider visiting the local library. This is a great opportunity to spend time together and pick out books everyone will enjoy.

Remember that reading should be fun and a time to create memories with your child.

WRITTEN EXCUSES FOR ABSENCES

As a quick reminder, all absences from school must be accompanied by a written note stating the nature of the absence. Even if you call in and inform the office, you must follow up with a note. This note can be from you, the parent or guardian, or a health practitioner, like a doctor. Excuses can be sent in with your child or emailed directly to Mrs. Fox in the office at efox@tbafcs.org.

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

Happy New Year! Welcome to 2023. My wish is a healthy, safe, and happy 2023 for all.

We have had a busy and exciting fall here at TBA. We have continued with our "Forged By Fire" theme with Mike Masters, and we moved from our first bonding word "Faith" to "Observant" and then "Respect" and now we are exploring "Gratitude". We have learned a little bit about these character words through advisement classes, video messaging, and character assemblies. We have some fun with costume contests and showcasing music department. We also take the time to recognize our students' and teachers' achievements. Our students are learning the heartfelt meanings behind "Respect" and "Gratitude" and they are living up to the meanings. We have amazing students!

We had our first annual Halloween costume contest. Everyone gathered in the Auditorium and our contestants were center stage. We had funny, spooky, creative and homemade costumes. It was the highlight of the week! Everyone thoroughly enjoyed the entertainment. Can't wait till next year!

Fall sports have ended and we just had our Fall Sports Banquet. What a season! We had student athletes and teams make it to Sectionals, Finals, and States. We had send-offs for the qualifiers and our entire staff and student body cheered them on their way to their competition. We took 2 spectator buses to Highmark Stadium for the Football game. TBA was rockin' the house!

Our talented music department put on the POPS Concert and delighted everyone with their talented pieces of musical work. Our Junior High and Senior High-All-State performed and competed at Hornell and Elmira. Great Work!

We bused a group of students, staff, and community members to Shea's for the Broadway production of Aladdin. It was a wonderful show and such an amazing opportunity for our students to experience a Broadway show for a discounted price.

We had our Parent/Teacher Conferences and met with many of our parents. Thank you to the parents that came in or had a phone conference for meeting with us and being involved in your child's education. Together we can help students learn to the best of their ability.

As I am writing this, Christmas Spirit is in full swing and presents are being wrapped and delivered. Nowhere else will you find a more generous and tight knit community. Hoping everyone had a joyous holiday break with loved ones.

Our Middle and High School students are preparing to compete in the Scholastic Challenge. Winter sports have just begun and we hope to see everyone out at the events.

FROM THE GUIDANCE OFFICE

Happy Winter! It's hard to believe we are already just about half way through the school year. The snow is falling, the holidays went by in a blur, and we are getting ready for Regents exams and second report cards!

ELEMENTARY NEWS:

We are thrilled to have our Primary Project (PP) Program up and running with 15 students in the Fall Session. The Cub Cave, Room #118 houses both our Primary Project Playroom as well as our Sensory Room. These spaces are great new additions to the Elementary building to help support the success of our FCS students.

If you haven't heard about Primary Project yet, it's a school-based intervention designed to enhance school related competencies and reduce mild to moderate social, emotional and/or school engagement difficulties in children PreK through 3rd grade. Students appropriate for the program may demonstrate one or more of the following, low engagement in the classroom and/or with peers, shyness, separation anxiety, disinterest in attending school, poor attendance and concerns with managing behavior.

Participants are selected based on several methods of information gathering, including classroom observation and questionnaire done by the teacher, attendance records, parent referral, input and consent from parents, School Counselor observation as well as any other data available through our Student Support Team. Selected students are scheduled for weekly sessions with our PP trained Child Associate for 12-15 weeks. They participate in child-led play activities geared toward decision making and problem solving, as well as building confidence and positive associations with the school environment/school personnel. After just 6 weeks, we are seeing encouraging changes and hearing positive feedback from several parents and teachers.

Want to discuss your child's eligibility for the program? Reach out to Mrs. Jennifer Layton, Primary Project Supervisor at 716-676-8023.

We are so proud of all of our Character Trait Award Recipients for demonstrating

each of the traits we have focused on so far this school year: Self-Control, Gratitude, Kindness and Respect. Each month, students have the opportunity to be selected by showcasing the character trait of the month. Award winners get their picture on the wall in the hallway, a certificate and a special pancake breakfast with the Principal and other special guests.

The 5th grade Kindness Crew has been spreading kindness throughout the Elementary School Building. Students have made inspiring posters/collages, posted inspiring notes on lockers and written thank you notes to school staff and teachers that have made an impact on their lives. Thank you Kindness Crew for helping to create a welcoming school environment here at Franklinville Elementary.

Concerns about your child's social or emotional wellbeing? Please don't hesitate to reach out to our School Counselor, Mrs. Jennifer Layton at 716-676-8023 or Social Worker, Mrs. Jennifer Kersch at 716-676-8007.

MIDDLE SCHOOL NEWS:

The Middle School have finished up the "Too Good For Drugs" curriculum as part of their SEL requirements, and they continue to receive education about healthy life styles, character education, and so much more in their Advisement classes.

Ms. Rhoades continues to work on the importance of attendance and once again is offering rewards for perfect attendance each quarter! This year we felt that the students with perfect attendance are giving 110% so instead of one winner each quarter, we decided to raffle off 10% of those eligible. So, for quarter 1 the Middle School had 33 students with perfect attendance so we had 4 winners! Congratulations to Alexea Hernandez (6th grade), Kaylee Morgan and Faith Peterson (7th grade) and James McAuley (8th grade). Each of these students were given free ice cream and encouraged to keep up the great work! Our attendance program sparked the interest of the elementary and high school so they were going to start the attendance incentive programs there as well.

In December, BOCES came in and did a presentation for the 8th graders on all the

different career opportunities that are out there. On January 20th the 8th graders will be taking a tour of the Ellicottville BOCES Center to do some hands on activities as part of their college & career readiness education.

Thanks to the combined efforts of Ms. Rhoades, Mrs. Brennan and Mrs. Knuth, and of course the students, this year TBA submitted 54 entries to the Franklinville VFW for the Patriot's Pen Contest. Student participants were: Grace Daigler, Derek Ossont, Maverick Jennings, Joanna France, Daphne Lambert, Johnson Li, Sarah Lewis, Maxx Goss, Sydney Barraclough, Skylar Kent, Elizabeth Sikora, Amelia Lopez, Carina Frank, Mason Blecha, Taylor Chase, Brenden MacWilliams, Brady Tatlow, Alayna Spittler, James McAuley, Charli Gorecki, Payton Callahan, Carlie Aultman, Chloe Gasper, Faith Peterson, Anabell Lopez, Quintyn Ruibal, Trent Crooks, Emma Wilcox, Logan Goss, Trinity Kenyon, Genevieve Herman, Emma Allen, Diana Li, Oliver Shenk, Caleb Sieracke, Nola Buchanan, Arabella Sexton, Kylie MacWilliams, Madacyn McClory, Addyson Storts, Cole Daigler, Alexea Hernandez, Grace Cornell, Grace Chapman, Abria Benjamin, Ayce Caswell, Alyssa Jankowiak, Jaxon Blendinger, Kellen Hatch, Addison Buchanan, Zoe Enderby, Zackaree Holmes, & Holly Lovell. In 3rd place was Carlie Aultman, and 2nd place was Payton Callahan. Tied for 1st place were Taylor Chase, Carina Frank and Chloe Gasper, all who went on to the County Level and who will read their essays at the Memorial Day Celebration this spring. Taylor Chase won at the County Level and was sent on to the District Level. We look forward to seeing just how far her essay will go! Good luck Taylor!

HIGH SCHOOL NEWS:

I hope everyone had a great holiday season. I have enjoyed working with the senior class while learning more about what everyone is interested in pursuing after high school. Many students have been accepted to college, while others are preparing to enter the workforce and military. All college-bound students must submit the FAFSA application. Students attending a college in NYS should submit the NYS TAP application as well. Please

let me know if you need any help moving forward.

Scholarships are available to all seniors and can be found on our website

(<https://www.tbafcs.org/Page/2000>) as well as in the Counseling Center. I will help students apply for the Franklinville Graduation Awards and the Cattaraugus Region Community Foundation Scholarships in class. Seniors need to submit a copy of their resume, recommendation letters and records release as soon as possible. Seniors also need to complete 12 hours of community service.

On December 2nd, Juniors and Seniors took a field trip to Alfred State to tour the campus and learn more about the programs and opportunities they offer. We will continue to host college visits and will be setting up more campus tours. Juniors and Seniors are encouraged to attend.

I am in the process of meeting with the Freshman, Sophomore and Junior classes to review their year, work on post-secondary readiness activities, as well as schedule their classes for next year.

Congratulations to the Voice of Democracy winners!

1st place: Tyyetta Herman

2nd place: Noah Shenk

3rd place: Cara Ossont

Congratulations to the following Juniors who took the PSAT in October! You all did a great job!

Makayla Aultman, Sofia Bentley, Hayden Callahan, Gabriela Chesebro, Aubrey Ensell, Zachary Fetterman, Olivia Frank,

Elizabeth Hayden, Tyyetta Herman, Ryanna Herrick, Luciana Marchese, Catherine McAuley, Alena Murphy, Hunter Osgood, Cara Ossont, Olivia Pockey and Noah Shenk.

We will be offering the SAT on March 1st to Juniors and Seniors. Please let me know if you are interested.

RACHEL'S CHALLENGE:

A great big THANK YOU to all students, parents and community members that donated to our annual Hat & Mitten Tree. As usual the generosity in our community is outstanding.

This year Rachel's Challenge got together and did a lot of baking for our hard working bus staff, janitorial staff and kitchen crews. We sure hope everyone enjoyed their homemade goodies! They also filled out Christmas cards for all the residents at the Pines Nursing home and some of them stood in the cold ringing the salvation army bell and did some other community service projects.

We plan to continue with most of our annual events so keep an eye out for our annual volleyball game in the spring! We are looking for a few community service project ideas so let us know if you are aware of something the community is in need of! For more information about Rachel's Challenge, feel free to call Ms. Rhoades at 676-8054 or Miss Russell at 676-8016.

What's the difference between kids who read more than 30 minutes per day and those who read less than 15 minutes per day?

12 MILLION!

Between kindergarten and 12th grade, students with an average daily reading time of 30+ minutes are projected to encounter 13.7 million words. At graduation, their peers who averaged less than 15 minutes of reading per day are likely to be exposed to only 1.5 million words. The difference is more than 12 million words.

-Renaissance, The Long Term Effects of Reading Practice

Start Young and Stay With It

At just a few months of age, an infant can look at pictures, listen to your voice, and point to objects on cardboard pages. Children learn to love the sound of language before they even notice the existence of printed words on a page.

Busy? Make it a part of life

Although the life of a parent is often hectic, you should try to read with your child at least once a day at a regularly schedule time. But don't be discouraged if you skip a day or don't always keep to the schedule. Words are everywhere! Read road signs as you travel, lists at the store, and programs at an event.

Talking about stories

It's often a good idea to talk about a story you are reading, but you need not feel compelled to talk about every story. Good stories will encourage a love for reading, with or without conversation. Sometimes children need time to think about stories they have read.

Books, not screens

Grabbing a device and a reading app doesn't replace reading with you from a book with pages. Reduce screen time by putting a bin of books in the backseat of the car or in the playroom.

Need Books? Contact me!

We have many great books available for you to pick up and take home or we can send home with your child!

Varsity Football

Coach Blecha

Titans play hard but finish as sectional runner up

The 2022 Titans football team wrapped up another successful season November 10th with a gutsy performance at Highmark Stadium. The Titans took on powerhouse Randolph for the sectional title only to fall short with a 30-14 loss. The senior laden Cardinals were just too much to stop as our young men stood toe to toe with them throughout the game. The coaching staff was very proud of the effort and fight that our team demonstrated on the field. One example of this fight is that we held Randolph out of the endzone the whole second quarter as they had a 13 minute drive to finally score. Though we didn't come away with the win that we had hoped for, there is a lot to be proud of. Our final record was 8-3.

Finishing their football careers are our 6 seniors, Captains Tyler Gibas and Ben Brol, Drew and Isaac Goss, Hayden Trietley and Justin Seamon. Tyler was named to the Big 30 All Star picture team. This is a very prestigious award. He was also named honorable mention in the national Bulworth award and was a nominee for the Trench Trophy. Ben and Hayden were starters and played extremely well on both sides of the ball as offensive linemen and middle linebacker and defensive end respectively. All of our seniors will be missed. We will honor them as well as all the modified, JV, and varsity players at our football banquet on November 30th. Here, we will find out which of our varsity players made all-league honors and who won our team awards for the year.

On behalf of the entire coaching staff, I would like to thank everyone for their support this year and for supporting all of our fine young men. It was a great group of not only good athletes, but great people.

That's what made the season so much fun. See you again in the fall.

Boys & Girls Cross Country 2022

Coach Schunke

At the beginning of the season, the team went to Vernon Verona on an overnight stay and had a great time.

They ate at Dinosaur BBQ, had a buffet breakfast in the morning, and ran at the state championship course later that day. It was an awesome and fun experience for our varsity athletes and a great way to start the season.

The girls had a season filled with improvement, in terms of team effort and times. We were unable to field a full team, but the girls I did have showed up and worked hard at practice every day. Sarah Weber, a senior from Ellicottville, improved her time by 5:34 by the end of the season. A great accomplishment and why Sarah earned the outstanding senior award. Luciana Marchese is a junior and was a great addition to the team. Luci improved by 4:17 from the start of the season. She ran the fastest times and earned the MVP award.

The boys also had a good season in terms of effort and improved times. Dominic Breton is a senior and was new to cross country, at least at the varsity level. He improved by 2:05 and was another great addition. Jesse Riling is also a senior. Jesse improved his time by 4:33 and was extremely competitive throughout the season, which is why he earned the award for the unsung hero. Aidan Murray is a senior from Ellicottville. Aidan ran 2:45 faster by the end of the season. Nice job, Aidan. Jackson Hatch is a ninth-grader who worked hard and never missed practice. He improved his end of the season time by 3:07. Grant Cornell is a ninth-grader who was also part of the varsity team as an eighth-grader. Grant qualified to represent Section VI in the Class D State Championship.

He is also our team MVP. Grant had an incredible season.

The Franklinville/Ellicottville Titans have had back to back representatives at the NYS Cross Country Championship. Congratulations on another great season.

Indoor Track & Field

Coach Herman

The indoor track and field team is off to a full swing of practices and meets. We are combined with Allegany-Limestone as our host school, along with Portville and Olean schools. I have seen the talent that our veteran track stars have had last year, and I am looking forward to what this season will bring. Our indoor track and field program compete at Houghton College, and Buffalo State College. I

encourage you to come out and see the talent of our Franklinville team. Any information on when the meets are, I will post on our page. Here are our athletes this 2022-2023 season: Seniors- Anna Slavinski, Juniors- Tyetta Herman, Paige Veroba, Isabella Thomson, Gabby Chesebro, Lily Folland-Georgia, Nathan Nichols. Sophomores- Tyrnan Farrington, Chelsey Ramsey, Audrey Green, and Norra Ainsworth. 8th grader- Addisyn Killingbeck. Good luck to all of our winter sports this season.

FCS SPORTS UPDATE

Varsity Boys Basketball

Coach Shenk

The Varsity Boys Basketball team is looking forward to an exciting 2022-23 season! The boys are involved in two tournaments this season, the Pioneer Motorsports Tip-Off Tournament held at Pioneer Central School on December 1st and 3rd with Springville, Holland, and Pioneer and our own Rick Hughes Memorial Christmas Tournament held here at TBA on December 16th and 17th along with Hinsdale, Brocton, and New Life Christian School. We are once again in the CCAA East 2 for league games against Cattaraugus-Little Valley, Ellicottville, Forestville, North Collins, and Pine Valley. Our non-league opponents include Brocton, Chautauqua Lake, Fillmore, and Portville. This year's team consists of Seniors Xevide Butman, Drew Goss, Carmen Marchese, and Hayden Trietley, Juniors Beau Bielecki, Hayden Callahan, and Noah Shenk, Sophomores Bretton Blecha, and Collin Mooney, and Freshmen Grant Cornell and Eli Shenk. We greatly appreciate and thank you for all of your support and look forward to having you all in the stands at games this season!

JV Boys Basketball

Coach Tatlow

The JV Boys Basketball Team is looking to build upon the momentum and knowledge gained last season. We return 7 players from last season's team that went undefeated in league play. The team has strong leadership from the returners and a big addition that returns to the court after a couple of years absence. The team is led by Sophomore Co-Captains Matthew Spittler and Isaac Towne. The remaining Sophomores on the team are Billy Slavinski, Donte Long, Gannon Callahan, Zack Gibas, Blake Green, Calin Terwilliger, Ethan Allen, Ari Riling, and Kaleb Manzo. Damien Cole (Freshman) and Brady Tatlow (8th Grader) complete the roster for the 2022-23 JV Boys Basketball Team. The team is looking to continue to improve their basketball IQ and skills. We greatly appreciate your support and look forward to you coming out and catching a game. We look to represent our school and community with FRANKLINVILLE PANTHER PRIDE!!

Varsity Girls Basketball

Coach Kuhn

Franklinville Girls Varsity Basketball has started for the 2022-2023 season and we couldn't be more excited. While we are feeling the loss of our amazing seniors and wish them nothing but the best, we have some great talent on the team and we are ready to hopefully bring home a league title and fight for that coveted sectional title. Our seniors Megan Jackson and Sarah Courtney are ready to compete and to continue our success from last year. We are expecting big things from our juniors Sofia Bentley, Olivia Frank, and Luciana Marchese. We have added a lot of new and exciting players to our roster this year. We have sophomores Nadia Bowers and Abbigale Chase, freshman Mackenzie Chase, and their youngest sister, 8th grader Taylor Chase. We would love to see you all at our games or watching from home. We absolutely appreciate the support from this amazing community. Thank you for all you do for us! Go Lady Panthers.

JV Girls Basketball

Coach Jennings

The Girl's JV basketball season is officially underway! We are once again a young team as some of our girls from last year are making their debut on the Varsity team. Returners from last year's team include Alayna Spittler and Danica Hopkins, both 8th graders. They bring experience and encouragement to their teammates. Newcomers include Sophomore Gretchen Pries; Freshmen Aliah Range and Trinity Herman; and 7th graders Mya Sullivan, Eva Green, and Addison Chamberlain.

We are hardworking and continue to learn. At the time of this article, we have yet to play any games. We did participate in a scrimmage against Holland, where we learned about the game. All the girls played very well especially since six of them have not yet participated in the high speed of a JV Girls game. I am excited to continue to work with the girls and watch them improve throughout the season. As always, we thank you for the support and encouragement and would love to see more smiling faces in the crowd at our games! Find our schedule online at: www.arbiterlive.com. Go Lady Panthers!

Girls Modified Basketball

By Coach Marconi

The Girls Modified Basketball season is well underway. This year's team returns three players from last year's team and welcomes six new players to the team. Much of this year's team is new to basketball and playing for the first time. We currently have a record of 0-5 on the season, while the record may not be what we want it to be the girls and I understand the mark of a successful modified season is measured in growth from day one to the end of the season. The girls work hard every day at practice and games and their growth on the court is noticed by all. This year's roster is made up of Carli Aultman (8th), Zoe Enderby (8th), Taylor Fox (8th), Kalina Gonzalez (7th), Baylee Green (8th), Alexis Keller (8th), Sarah Lewis (8th), Annabelle Owens (7th), Jazlynn Parks (8th). I look forward to the rest of the season and the progress these student-athletes make both on the court and in the classroom.

Christmas Spirit 2022

Once again, thanks to the generosity of businesses near and far, community members and volunteer committee members, a very happy holiday was helped along for many of our local children. Over 150 children in the Franklinville community received gifts to brighten their Christmas.

We also extend our thanks to those who have contributed to the food drives at the school and the hat, mitten, and toy drives at our local businesses and library. Again, all donations have helped our local families including our own Food Pantry in Franklinville.

The committee is, as always, grateful to the community for their help in making sure that those who might have been struggling this Christmas, had something under their tree. Even in difficult economic times, Franklinville School District residents have demonstrated time and time again, their willingness to help each other when the need is there. Great job team!

If you have been inspired by this article and would like to be a part of Christmas Spirit 2023 or to find out more, please contact the Elementary or High School office. We accept donations year-round!

Thank you!

Christmas Spirit Committee 2022

Franklinville Elementary hosted author/illustrator Jeff Mack early in November. All students in grades PK-5 attended presentations during which Jeff demonstrated what he does and encouraged them to write and illustrate their own stories. 100 autographed copies of his book Good News, Bad News were also given away. A big thank you to Jeff Mack for bringing so much excitement, enthusiasm, and fun. Students were definitely engaged and interested in the writing/illustrating process. Who knows how many budding authors were inspired that day?
