FRANKLINVILLE BOWLING TEAM
IMPROVES THROUGH THE SEASON

JUDY B. PANTHER

This year's team consisted of Alexis Miller, Jacoby Neureuther, Jordan Bosell, Christian Sexton and Maverick Jennings. Our overall record was 4 wins and 12 losses. Every athlete improved throughout the season. Alexis Miller had the highest average for the season at 136. Christian, Jacoby, and Jordan improved by more than 30 pins from the start to the finish of the season. Maverick's average was 105. On February 7th, the team will compete at the CCAA roll off in Fredonia at Lucky Lanes.

Each of these athletes are looking forward to next year and have a goal of recruiting more teammates for next season. At present, we only have a boys team, but are looking forward to having both a boys/ girls team next year. To be competitive each team needs six players. These athletes worked hard all season to make it competitive despite lacking one player.

ELEMENTARY PRINCIPAL'S CORNER

By: Thomas Riddoch, Elementary Principal

In January, I asked all of our families to help our children read at home. I discussed how we could start routines around reading and selecting special "reading spots."

How are we doing? Are we still going strong? I hope so! But if you are losing some steam, I try some things at home with my kids.

Try letting your child choose the book. They may pick based on the pictures alone. That is ok.

Try talking about the pictures or making up your own story.

Ask them questions about the book as you read.

Remember that reading should be fun and a time to create memories with your child.

THE 10,000 BOOK PYRAMID!

We are doing great! So far, we have read over 6,000 books with our 10,000 Book Pyramid and earned our 3rd school-wide incentive. We all got to enjoy some outside play. The students enjoy spending time together and making memories with their classmates and teachers. Together we are going to make it to our 10,000 book goal.

GRANDPARENT'S DAY IS BACK!

I am excited to announce that Grandparent's Day is returning to Franklinville Elementary School. We will be celebrating our grandparents on the morning of May 19th. Stay tuned for more details, including how Grandparents will get their special invitation to spend the morning with us!

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

Dear Parents/Guardians and community members:

Happy Spring to everyone!

We have been super busy these last few months here at TBA. January and February went so fast. Winter sports, have brought a lot of excitement to our school during the winter months. We have hosted the basketball tournaments, JV and Varsity Wrestling tournament, pancake breakfasts, spaghetti dinners. Our junior and senior high academic teams have been training and competing, and our ski club is hitting the slopes. Our VEX teams traveled to Elmira and Canaseraga in January and in February to Cuba-Rushford and RIT. The Vex Robotics teams are looking to make another trip to the state competition.

We are getting ready for our annual Winter Ball. This will be a night of fun with a story book setting and a theme of "Once Upon A Time." Our 8th

grade toured Ellicottville BOCES to be introduced to the different programs offered. With great pride we sent all of our class officers (16 students) in grades 9-12 to a student leadership conference in Akron. They all represented our school and community with the utmost respect.

January our focus Character word is Effort as we finished with a week of Regents Exams and ended the 2nd Quarter. An amazon show of effort from students, faculty, and staff, was demonstrated this month with every student meeting the requirements set by NYS to earn Regents credit for their class. This includes every student that had to retake exams, and a hundred percent of the Junior class that took the ELA exam for the first time!

We are seeing improvements in areas such as classroom and peer engagement, attendance, emotional regulation and general interest in school from our Fall participants.

If you haven't heard about Primary Project yet, it's a school-based intervention designed to enhance school related competencies and reduce mild to moderate social, emotional and/or school engagement difficulties in children PreK through 3rd grade. Students appropriate for the program may demonstrate one or more of the following: low engagement in the classroom and/or with peers, shyness, separation anxiety, disinterest in attending school, poor attendance and concerns with managing behavior.

Want to discuss your child's eligibility for the program? Reach out to Mrs. Jennifer Layton, Primary Project Supervisor at 716-676-8023.

5TH GRADE NEWS:

Students will meet with a representative to review their scores and complete a career exploration activity on Tuesday, March 21st.

Sophomores, Juniors and Seniors will have the opportunity to attend the Buffalo National Association for College Admission Counseling College Fair on March 15th at the Buffalo Convention Center. RACHEL'S CHALLENGE:

A great big THANK YOU to all students, parents and community members that donated to our annual Hat & Mitten Tree. As usual the generosity in our community is outstanding.

This year Rachel's Challenge got together and did a lot of baking for our hard working staff. We sure hope everyone enjoyed their homemade goodies! They also filled out Christmas cards for all the residents at the Pines Nursing home and some of them stood in the cold ringing the salvation army bell and did some other community service projects.

We plan to continue with most of our annual events so keep an eye out for our annual volleyball game in the spring! We are looking for a few community service project ideas so let us know if you are aware of something the community is in need of! For more information about Rachel's Challenge, feel free to call Ms. Rhoades at 716-676-8054 or Miss Russell at 716-676-8016.

INDOOR TRACK & FIELD

Coach Herman

The indoor track team has been doing amazing and working hard this 2022-2023 season. The boys and girls have become much stronger and their times have been dropping. The weight training, and core workouts have been great and have showed at our invitationals this year. Senior Anna Slavinski has qualified for our state qualifiers in the 55 hurdles, and the polevault. Juniors have also been doing good. Tyetta Herman qualified in the 300 meter, and 600 meter and is seated first going into the state qualifiers. She also broke the Allegany school record in both events. She is also seated first in the 4x400 relay, and the 4x200 relay going into the state qualifiers. Isabella Thomson has also improved in her events, and has dropped almost a full second in her 55-meter dash by improving on her agility and block work. Isabella also has been one of our relay runners in the 4x400 relay and has dropped over five seconds. Gabby Chesebro has done well in the weight throw, and shot put and continues to be our leading thrower. Audrey Green, Nathan Nichols, Norra Ainsworth, Chelsea Ramsey, Paige Veroba, Lily Folland-Georgia, and Addisyn Killingbeck are all first-year indoor track athletes and have done great. 10th grader, Tyrnan Farrington has also done great in the 55 hurdles, and 300 meter run. He has dropped time each meet and look forward to seeing what he can do at the end of the season.

Great Job Indoor Track and Field Team.

MODIFIED TRACK & FIELD

Coach Conroy and Coach Riling

Attention 7th & 8th graders!!!

Not sure what sport to join this Spring? Come have some fun and see if Modified Track & Field is for you! We have an event for everyone. It's not ALL about running. We have jumping, throwing, hurdling and pole-vaulting events. Join us on April 11th for our first day of practice. Can't wait to see you on the field!

BOYS VARSITY SWIMMING

Coach Landow

The Boys Varsity Swim Team, combined with Olean and Allegany, finished the regular season at 8-2. Dominic Breton dominated in the 50 Free, 100 Free, 100 Breaststroke and 200 IM for most the season. Nick Hillman also proved to be a contender in the 50 Freestyle while also scoring crucial points in diving or the 100 Backstroke. Sean Howard continued to swim our distance events, the 200 and 500 Frees, finishing 1st or 2nd in almost every meet. He was a valuable asset in other events such as the 200IM and Sprint events. The Franklinville Boys are young contributors to the Olean Team with only one graduating senior, Dominic Breton who will be missed greatly. His versatility has capped many wins throughout the season and he has been an intricate part of our Relays. Dom, Sean, and Nick are often seen participating in any of the "A" Relay Teams of the 200 Medley, 200 Free or 400 Free. Currently, the 200 Medley will be attending Sectionals. Over the course of the next two weeks, the team will be swimming in the Championships; Counties and Class. We look forward to the return of our veterans and younger swimmers next season; Patrick Freedman, Daylen Long, Johnson Li and manager Evan Breton to provide continued depth in the team. A special shout out to Libby Price and Kayci Landow for managing behind the scenes activities. Goodluck at Counties, Class, and Sectionals!!

JV BOYS BASKETBALL

Coach Tatlow

The JV Boys have compiled an overall record of 11-2 at the time of writing this article. We are currently undefeated so far in league play as well. We have 7 games remaining on our schedule to close out the 2022-23 season. We are looking forward to playing in front of home fans with 5 out of the 7 games at Home. The team has experienced great successes and failures this season. We continue to use each moment as an opportunity to grow and improve. We will look to finish this season strong and continue improving overall Basketball IQ. My hope is that you were able to get out and catch a game this season. Thank you for the continued support. Go Panthers!!

Tips to Create Fun and Practice Math Skills at the Same Time

- **Play games together** - games like Hi Ho Cherry-O, Yahtzee, Sequence, Trouble, Monopoly, Monopoly Jr or card games all work on math skills while having fun.
- **Cook together** - measuring for recipes, dividing by servings sizes, calculating the amount needed, or budgeting for groceries all require math skills.
- **Skip counting in the car** - while driving down the road, skip count together by counting objects you pass. Skip counting leads to knowing addition, subtraction, multiplication and division facts along with other math skills in the future.
- **Number find in the car** - many of us have played the Alphabet game on road trips where you search road signs for the alphabet. Try it with numbers! See who can find the highest number. Count forwards, backwards or even skip count.

SIXTH GRADERS THRIVE IN MIDDLE SCHOOL SETTING

The beginning of the school year can cause quite a bit of excitement and uncertainty for the sixth graders- new building, switching classes, lockers, many different teachers, schedules, and the list goes on.

It is amazing how quickly they adapt. This is the first year 6th graders have been able to utilize the new science lab which is exciting for them! They also enjoy Social Studies projects and Flashlight Fridays.
