SEWING LOVE FOR INFANTS AT OISHEI

By Julie Mapes-Conner

The students in Sewing Club are sewing lots of love for the OISHEI Children's Hospital. We have two classes of 4th and 5th graders and one class of the 6th, 7th, and 8th graders. They have made little preemie outfits for the preemie babies. The scraps of material did not go to waste as we made baby blanket quilts for the hospital to give to the babies and families. Then they went on to make a pillow or quilt for themselves. It has been enjoyable to watch them learn how to work on the sewing machines. They learn to make straight seams, take out crooked seams, and press them to make their project look nice. They get to put a layer of batting in and put a back on quilts to be sewn together. They have enjoyed seeing the steps come to completion on their projects. When they have finished they get to take it home. They mention how peaceful they feel after learning how to sew on the machines. If they finish early we are trying our hand at applique. We have two vests, two banners, and an applique of panther heads and paws for the principals and gentlemen who helped make the sewing class a success. Thank you for all you do. Look around you may see some items the class has sewn. It has been an enjoyable year of sewing.

Our sewing club participants include: Harper Killingbeck, Alexandria Snyder, Laurhyn Spittler, Nora Reynolds, Jazzlyn Wyant, Kylie Rivet, Addyson Bosell, Luciano Varno, Gauge Jochen, Anabell Lopez, Keven McFarland, Levi Peterson, Colsen Camillo, Ava Gardner, Ashli Phenes, Alissa Brown, Amara Johnson, Kaidryn Sage, Chloe Gasper, Addison Buchanan, Zoe Enderby, Faith Peterson, Jonathan Peterson, Sarah Lewis, Amelia Lopez, and Maverick Jennings.

DRESS-UP DONATIONS

A group of teachers and staff at TBA are gathering gently used semi-formal and formal dresses. Our goal is to provide free dresses to our students and encourage them to attend the school dances and prom. We know that dresses are costly and this may inhibit a student from attending. We also want to build confidence in our students by dressing them in beautiful, elegant dresses. We know that some dresses will need dry cleaning and alterations so we are in need of monetary donations. In the future, we would like to expand to semi-formal dresses for our ladies and shoes and outfits for our gentlemen as well. Dress clothes could be provided to our students for concerts and award ceremonies as well.

If you are willing and able we would graciously accept your donation. Checks can be made out to TBA Special Events and sent to the school at the address below. If you have dresses to donate or know of a junior or senior in the high school in need of a prom dress please reach out to Tori Rosetti at 716-676-8022 or Amy Burton at 716-676-8000 ext. 2214. Please send your donations to:

FROM THE DESK OF THE SUPERINTENDENT...

Each school year begins a new budget process that focuses on maintaining a proper balance between educational programs for our students and fiscal responsibility to the community. We scrutinized every facet of our budget through the budget development process, from the calculation of state aid, evaluation of programs and staff, and each internal budget to minimize increased costs. We are confident that the 2022-23 budget is a sound and responsible budget that will support our students' robust academic environment.

On Tuesday, May 17th, the Franklinville community will have the opportunity to support our District by participating in the annual budget vote. Information on our proposed budget can be found in this newsletter or on our website at www.tbafcs.org. I encourage you to contact me directly or Donna Howard, Business Executive, with any questions regarding the budget.

Our District is very thankful for your continued support in providing a quality education for Franklinville students. Together, we can ensure that Franklinville students succeed in the future with the instructional opportunities they deserve today.

*With Franklinville Pride,
Donald Putnam, Superintendent*

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, MS-HS Principal

WE MADE IT!

We have made it to the last two months of the school year! It has been an exciting year of getting back to normal. We have made great strides this year and it is hard to believe we are so close to the finish line of the 2021-22 school year.

This is the busiest and most exciting time of the school year. Our Senior class will be taking their final tests and Regents exams, going on their Senior Trip, playing their final sports seasons at TBA, playing/singing in their last concerts, attending their last Prom,

Senior Parade, Baccalaureate, and finally, Graduation. Not to leave out our 6th – 11th graders who have final exams and Regents exams, Field Trips, end of the year sports and performances, etc. (See the copy of the May/June calendar for events.) WOW! Good thing the days are getting longer!

At the time I am writing this article we have just finished the character word “Overcome” and are introducing our new word “Victory”. We will have a chance to celebrate Franklinville’s ability to overcome adversity and bring back the tradition of planting a tree on Arbor Day. It has been three years since the 6th grade has been able to celebrate Arbor Day by planting a tree. At 10:00 am, on April 29th, we will gather together as a Middle School to plant a tree for the 6th, 7th, and 8th grades. We will take a moment and recognize what it takes to overcome and work for a victory during trying times. Like the trees, we need to plant our roots in good soil, nurtured with character,

strengthened with sound values, and have the ability to branch off and reach for the sky.

Our last Character Words for the year are very fitting for a perfect end to the school year: Extraordinary Sacrifice and Rejoice. We want to structure and plan to finish strong. Striving to do the little things well is how we become extraordinary. If we all SACRIFICE a little time and energy, such as staff with having review classes and extra help, and students attending review classes and setting aside time to study, we will all be able to REJOICE when all students pass their Regents exams and Finals and our Seniors proudly walk across the stage to receive their diplomas, and the rest of the student body can start their summer vacation with a sense of accomplishment.

Thank you to our students, parents, staff, and community for an enjoyable, successful school year. Let’s continue to always work to be a school without limits and always work to the best of our ability.

MISSION TO MARS

Mrs. Jordan’s Earth Science students were able to spend a day at the Challenger Learning Center in Allegany, NY. The learning center is a place for students to go and participate in hands-on experiments all day long using skills such as science, math, communication, and engineering. On this day the students had to successfully complete a Mission to Mars. The focus of the mission was to build a rover to search for evidence of life and water on Mars. The year is 2076 and humans have established bases both on Mars and the moon Phobos. During the expedition, an asteroid is spotted that could negatively impact the humans on Mars and the spacecraft. The students had to figure out how to deal with this issue while still working on the original mission. They worked

together to successfully complete the mission and yes, they found evidence of water! The second half of the day was spent taking apart and reassembling a small engine, similar to

one you would find in your push lawnmower. It was great to see so many students excel throughout the day and show off their many skills and talents.

FCS SPORTS UPDATE

VARSITY GOLF

By Coach Wangelin

The Panther golf team has been eagerly awaiting warm, dry weather to get outside and get their season underway. Play was scheduled to begin on April 6th and will run through the League Championship on May 18th. Our team has 2 returning players with 4 new golfers trying the sport for the first time. Our returners are sophomore Ben Payne and freshman Ari Riling. First-year freshmen are Kaleb Manzo and Shea Smith. The first-year 7th graders are Maverick Jennings and Johnson Li. The cold, wet spring did not help our first-year players learn a challenging sport, but they have worked hard and are eager to see what they can do on the links. Our returning players are hoping to hone their skills enough to qualify for sectionals at Diamond Hawk Country Club on May 16th. Our top 3 scoring players will compete in the League Championship at Gowanda Country Club on May 18th. Our league play includes home/away matches against Portville, Salamanca, Catt-LV, Randolph, Allegany-Limestone, and Ellicottville. We will once again play our home matches at Ischua Valley Country Club.

TITAN TRACK AND FIELD

By Coach Herman

The girls did great on their first frostbite's in two years. The girls did win the invitational, despite frigid temperatures. The frostbites would not have kept up to the name with a little bit of flurries to keep the athlete's going. The girls won 12 out of the 16 events and proved that they will do well in the upcoming meets. So far the 3200 relay team of Tyetta Herman, Tarryn Herman, Alysa Williams, and Nicole Burton made Provisionals for sectionals. As well the 400 relay team of Tyetta Herman, Anna Slavinski, Kaylie Bish, and Mandy Hurlburt. Also, Tarryn Herman made sectionals her first meet in shot put with a throw of 30'11". I want to thank everyone who helped out with frostbite's: Bill Weigel, Derek Schunke, Carol Farrand, Nancy Weigel, Joey Farrand, Michelle Conroy, Melissa Riling, Amy Burton, and so many more for a successful meet. Hope you can come out and see us in action this season.

CONGRATULATIONS CAST AND CREW!

What an experience— an exciting and entertaining production! While I am always impressed by our students' productions, this one night performance was no exception, the middle and high school students' production of Just Another High School Play, by Bryan Starchman was so very funny, and comedy is hard!

As a first time director, sitting in the audience, I kept thinking about how diligently the students rehearsed, and studied their lines. Not only this, but the connections that I am confident the students were making between the show and the world they live in. They were extremely dedicated in running the show themselves. Students in the StageCraft Class, taught by Mr. Derek Briggs, ran the lights, sound, and backstage. These incredibly skilled students worked so very hard to the point where they could shoulder the responsibility of running the show, from the live sound effects during Hamlet's monologue to the final curtain!

Thank you to the community of Franklinville, Mr. Derek Balmas, TBA Custodial Staff, StageCraft Class, TBA/FCS Administration, TBA/FCS Students and Their Parents. I'd also like to specially thank Mr. Derek Briggs, and Mrs. Kate Chatterton for all your knowledge and suggestions.

Thank you to all who attended the Franklinville CSD Drama Club's production of Just Another High School Play!!

Musically,
Miss Guido

NEWS FROM THE ART ROOM

Several of our art students competed in the Young American Creative Patriotic Art contest, sponsored by the Franklinville VFW Post 9487. The contest is open to high school art students to compete for scholarships awarded at the national level. Students first compete at the local level, with the winner advancing to the district, state, and national levels if they keep winning. This year we had entries from Cayleigh Ainsworth, Abbi Chase, Alena Murphy, McKenzie Schuyler, and Abby Spencer. McKenzie, a junior in Photography, was our winner for the second year in a row with her excellent mixed media tribute to all of our Service branches. Congratulations to McKenzie and Good Luck at the District level!

Many of our students also entered pieces for consideration for the St. Bonaventure High School Exhibit at the Quick Center. We were fortunate and proud to have the works of three of our seniors selected for this prestigious show. Emily Bigler, Emily Ossont, and Mikayla Tatlow had their works chosen. They are on display at the Quick Center through the middle of May.

MIDDLE SCHOOL NEWS:

Ms. Rhoades has met with all the 8th graders for several college and career readiness activities and has prepared them for their 1:1 scheduling with Mr. Harris. Mr. Harris will be meeting with all the 8th graders individually to conduct their four-year plan as they transition to the High School. He will have more information on the 8th grade orientation to the High School.

Attention all current 5th graders! Mrs. Layton has met with each 5th grade student to find out if they plan to participate in Band and/or Chorus next year. She has been working with Ms. Rhoades on transition planning to help ease their way into the Junior/Senior High School. Remember that all students have **TEN DAYS** into the new school year to change their schedule. After the first 10 days of classes each year, we do not permit schedule changes. Currently in the works is a visitation day on June 17th, where the 5th graders will get a tour of the school, meet some teachers and even have lunch in the Jr/Sr HS cafeteria. We are also working with our current 6th graders to plan a short visit to the 5th graders to share some helpful information with them towards the end of the year. In addition, with the lifting of a lot of the covid restrictions that have prevented many of our events the last two years, we are pleased to say we will once again have an in-person family orientation for the upcoming 6th graders towards the end of summer so look for information on that soon. All these activities are geared to streamline the transition from Elementary to Jr/Sr High School.

The 8th graders all attended a College and Career Readiness trip to the Ellicottville BOCES Center on March 15th and had a great time learning about different careers. On May 3rd they will travel to Houghton College to learn about college life, see the campus, and get them starting to think about college after High School. They will also learn all the things they can do in High School to prepare. Permission slips for this trip went home in March and must be turned in no later than April 26th.

Ms. Rhoades is still working on getting the 6th and 7th graders over to the ROPES course at the Ellicottville BOCES center to work on team building, communication skills, and other skills they have been working on in their Advisement class. Permission slips for these trips will be coming home soon so look out for them.

Ms. Rhoades continues to work on the importance of attendance and once again at the completion of the third quarter she entered all the students grades 6-8 with perfect school attendance (including remote learners that were quarantined) into a drawing for a prize. We had 17 eligible students for quarter 3! The winner of the electronic thesaurus was Addisyn Killingbeck. Addisyn is a 7th grader at TBA. Congratulations Addisyn!

The Catt. County Youth Court is willing to provide more trainings at our school for students interested in participating. Just see Ms. Rhoades on how to sign up for the next training.

Boys & Girls grades 6 and up: Do you enjoy camping, being outdoors, doing community service, and other amazing activities? Think about joining Boy Scout Troop 601. RACHEL'S CHALLENGE:

Currently, students involved in Rachel's Challenge are working on the annual Seniors vs. Staff Volleyball game to be played in the spring. This is their only fundraiser and has been a much loved and widely attended event in the past. More information will be coming soon about this. They are also working on letters to welcome the upcoming 5th graders to the Jr/Sr High School. For one of their community service projects this year, they partnered with the Allegany-Limestone's Friends of Rachel group in a fundraiser to help those in Ukraine. On May 6th all students/staff that bought the merchandise are asked to wear it in support of Rachel's Challenge and as a sign of unity. We did purchase a bracelet for all Rachel's Challenge students to wear for this day as well.

ELEMENTARY PRINCIPAL'S CORNER

By: Thomas Riddoch, Elementary Principal

Here we are, into the third trimester, and with less than three months of school left for the 2021-2022 school year! Now is the time when we see our children making the most growth and really starting to shine. I am proud of all of the hard work and progress your children are making. Thank you for sharing them with us.

THE RESPECT CHARACTER CREW

The students that best demonstrated respect were chosen by their classroom teachers and received a special treat on Friday, April 8th. This month's Character Crew ate breakfast with Ms. Russell and me. Students had pancakes, sausage, milk, and juice while we enjoyed each other's company and conversation. Congrats to our Respect Character Crew!

STORY TIME WITH MRS. BRISKY

Every Wednesday from 8:30-9:00 am Mrs. Brisky has been hosting a storytime for 2 and 3-year-olds. The toddlers and their parents are treated to a story, craft, and a small snack. If you are interested in attending please enter through the South Entrance. All are welcome! If you would like more information please contact the main office.

2022-23 PRE-K REGISTRATION

Applications are available now for Pre-K. To be eligible children must be 4 years old by December 1st and residents of the Franklinville School District. Please have birth certificates, immunization records, and proof of residency. Please have completed applications turned in by June 1st. MR. MORTON'S BUNNIES

Mr. Morton brought in some baskets full of live bunnies for our PK, Kindergarten, and 1st-grade students to enjoy. They saw them up close and asked lots of bunny questions!

SUMMER ADVENTURES IN LEARNING

Our summer program is back again this year. The program will include playground time, swimming, and STEAM activities but will have an increased emphasis on Math and Reading. The students will continue AIS services as well to help combat the "summer slide" where students can lose up to 20% of the growth they made during the year. The pandemic has left our children with even larger gaps in their education. While there will still be a focus on fun, the main goal

will be to keep our students on track for the 2022-2023 school year.

The summer program will be available to current PK-6th graders. The program begins July 5th and runs through August 11th, Monday through Thursday from 9-12:30 including lunch. Keep an eye out for flyers coming home in June.

ELEMENTARY PLAYGROUND

Spring is here, and so is the beginning of nice weather. The playground is intended to allow families and children to play. Adult supervision is required at all times.

- Playground equipment/area is designed for children between the ages of 2 and 12 years of age.
- Public use of the playground is limited to times when school is not in session.
- Proper attire including shirts and shoes are required at all times on school grounds.
- Vulgar or foul language is prohibited.
- Animals are prohibited on school grounds.
- School grounds are drug and alcohol-free zones. This includes the use of e-cigarettes and vapes.

The use of school property is subject to the Franklinville Central School Code of Conduct. If you have any questions or concerns about the use of the playground, please contact me directly at the Elementary office.

Thank you

5th and 6th graders have been invited to participate in a running club. Love Runs is following our character theme of Love Covers. Three times a week, Monday, Wednesday, and Thursday, 6-12 students participate in this program. We are preparing to run in the Color Run on May 1st during Maple Festival and then finish our season with a 5K on June 3rd. We are following a couch to 5k program that gets the participants ready for a 5K in 10 weeks. We are beginning with a run/walk portion that will eventually lead to continual running. Each session we stretch, warm up, exercise for 30 minutes and then cool down, do some strength training, stretch, have a snack and then learn about character and healthy living. Stay tuned for the results.
