FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

I hope this last FOCUS newsletter for the 22-23 school year finds everyone healthy and happy and ready to start the summer. We have had a busy but awesome year so far. The accomplishments of our students here at TBA have been phenomenal! Academically our students are placing in the top five of area schools, showing a significant amount of academic growth. To quote the words from the Rocky theme we are, "Getting Stronger!" Every day we get the opportunity to improve, and display our work ethic and resiliency.

We have had a busy and exciting winter here at TBA. We have continued with our "Forged By Fire" theme with Mike Masters, and have explored our bonding words "Faith", "Observant", "Respect", "Gratitude", "Effort", "Disciplined", "Forgiveness", "Intentional". Our May word is "Real Love" and our June word is "Endurance". Our students are living up to what they are discovering behind the meanings of our bonding words. The atmosphere in the halls and classes has never been better. We will continue to strengthen our character from the inside out.

Winter sports ended and spring sports are under way. Our athletes, musicians, VEX and tech students, students in clubs and on committees have been making Franklinville proud. Not only are our students working hard in the classroom, they are having fun as they played Lucky Bingo on St. Patrick's Day, enjoyed our first ever Blue vs Gold competition, and we are looking to plan a fun picnic and events to close out the school year.

Teachers and staff are constantly staying after to help support our students as they work on their grades and prepare for their end of the year exams. Please do not hesitate to reach out for help or if you need anything. We are in this together, to finish, to the best of our ability.

I hope everyone has their best summer ever! See you in September.

TITANS GIRLS TRACK AND FIELD

Coach Herman

The girls titan Franklinville/Ellicottville teams have been very successful the last few years, and this year will no different. We are strong in all areas, on and off the track, and we will be a force going into the competition this year. This year coaches include assistant coach Neil Shoemaker, that does a tremendous job in our shot put and discus events, coach Gwen Bush who contributes to the team in numerous capacities, Derek Schunke who is the head coach for the Varsity boys team, and Bill Weigel that also helps in all areas of track and field.

We have started off the year with some hard-working young ladies. We have not had a lot of opportunities to be outside, but the girls have been doing everything they can to prepare for their first scrimmage April 11th against Holland. The Sprinters have been working on mechanics of running with being a powerhouse off the blocks, and quick drill movements. Distance runners have been putting in the mileage to keep pace with our competitive division. The fields events are coming along, to help these young ladies excel and be a dominating force. The Varsity Girls track and field team won Class D, and their Division the last two years, and we will be fighting for the titles this year! We have a great size team, and we will do very well in all areas of competition. I wish everyone the best of luck during their spring sports season! Our Frostbites have a big turn out and we have 16 teams included. Mark the date April 15th, and hope you all can come out and see our girls in action!! Here are our titans:

Franklinville: Nora Ainsworth, Jaeyln Benjamin, Sofia Bentley, Kaylie Bish, K'lonnie Davis, Lainey Dunlap, Kaylee Fox, Gabriela Chesebro, Audree Green, Brianna Green, Tyetta Herman, Trinity Herman, Megan Jackson, Lucianna Marchese, Peyton Mest, Cara Ossont, Chelsey Ramsey, Anna Slavinski, Abigail Spencer, Isabella Thomson, Paige Veroba, Summer Wilkins

Ellicottville: Dalayla Alexander, Faith Burlingame, Bianca Bush, Abby Chudy, Audrey Hurlburt, Cameron Kaleta, Harper Klein, Anna Nazareth, Adelaide Weber, Sarah Weber, Alysa Williams.

TITANS BOYS TRACK AND FIELD

Coach Schunke

This year's Franklinville/Ellicottville boys track and field team is looking forward to a great season. We will see a lot of new faces after losing eight seniors last year, but this team will be up to the challenge. New faces include Trent Borden, Teddy Edwards, Zach Gibas, Blake Green, Ryan Metzger, Carmen Marchese (senior), Nate Nicolas, Noah Stephan, Shea Smith, Ben Wedvik, Landon Williams and Skye Wood. Returning senior track members include Dominic Breton, Ben Brol, Jesse Riling and Tyler Gibas. Additional returning athletes are William Benatovich, Caden Bish, Grant Cornell, Ben Edwards, Aiden Harrington, Maddox Johnson, Evan Leonard, Donte Long, and Billy Slavinski. I can't wait to see how much this team improves throughout the year.

In addition to our regular season schedule we will once again be hosting the Frostbite Relays on Saturday, April 15th. For the first time in the history of this event we have reached our maximum of 16 teams from around the area. Please join us as you will see some phenomenal athletes competing on that day.

GOLF TEAM NEWS

Coach Tim Wangelin

The Panther golf team has been eagerly awaiting warm, dry weather to get outside and get their season under way. Play was scheduled to begin on April 18th and will run through the League Championship in late May. We have a full squad this year, which will hopefully generate healthy competition and lower scores at matches overall. Our team has 5 returning players with 6 new golfers trying the sport for the first time. Our returnees are junior Ben Payne, sophomores Kaleb Manzo and Ari Riling and 8th graders Maverick Jennings and Johnson Li. First year juniors are Devin Herman, Levi Jennings, and Dakota Miller. Jackson Hatch and Daylen Long are new freshmen golfers. Rookie 7th grader Evan Breton rounds out our team. League play is beginning almost 2 weeks later this year. We are hoping that the extra time will allow the weather to warm and dry up so our kids can get more time on the course before matches begin. Our players are hoping to hone their skills enough to qualify for sectionals at Bartlett Country Club, Olean on May 8th, with the Sectionals taking place on the same links on May 15th. Our top 3 scoring players will compete in the League Championship the following week at a site to be determined. Our league play includes home/away matches against Portville, Salamanca, Catt-LV, Randolph, Allegany-Limestone, and Ellicottville. We will once again play our home matches at Ischua Valley Country Club.

A Trip to the Ferguson Planetarium

On March 23rd Mrs. Jordan's earth science classes were able to attend a field trip to the Whitworth Ferguson Planetarium at Buffalo State College. During the show, they learned how to find Polaris and various constellations in our night sky and why Earth is the only planet in our solar system to sustain life as we know it. They also took a tour of the Buffalo State campus and saw the library, a dorm room, the student union, the bookstore, an art gallery, various classrooms, the different gymnasiums and much more. This was a great experience for the students. The Whitworth Ferguson Planetarium is open to the public for various shows-you can find out the hours and shows on their website: planetarium.buffalastate.edu.

Spring means time to be outdoors, time to take some sidewalk chalk outside and have some fun!

- **Patterns** - Start a pattern, then have your child finish or have your child start the pattern and you finish.
- **Fraction Rectangles** - Draw out a rectangle and write a fraction underneath. Have your child create enough equal boxes and shade in the fraction.
- **Subtraction with a Water gun** - Write a subtraction fact on the sidewalk. Have your child draw out the total number with chalk. Then they can squirt the objects with water to "erase" or subtract.
- **Stepping Stones** - Draw out stepping stones for many uses. One way would be to write a number in one and another number in the stone next to it. Have your child jump on the number that is greater. Continue through the path of drawn stones. Switch it up and jump on the one that is less.
- **101 Genius Sidewalk Chalk Ideas:** Scan this QR code and check out the "What Moms Love" blog to find many other great ideas for fun while practicing math and reading outdoors with chalk!

Seal of Biliteracy Awardees

Senior Spanish students have an opportunity to attempt to attain a rank of proficiency within the Spanish Language. Participants in the New York State Seal of Biliteracy program demonstrate Intermediate High fluency as well as awareness of Spanish and/or Latino Culture. The program culminates in a Presentational Project where the students are assessed by a panel of interviewers on their Spanish skills and abilities learned during their time at TBA. During the program and a subsequent presentation, students research and investigate aspects of history, culture, and daily life as it

relates to the Spanish Language and its rich impact and effects.

The Spanish Department, as part of the Language Department, is pleased to present this year's anticipated Seal of Biliteracy awardees (Pictured from left to right with their presentational

topic):

Erica Schine, *presenting on Cultural Expression*

Anna Slavinski, *presenting on Immigration and Differences in Immigration*

Jaelyn Benjamin-Wilson, *presenting on Immigration*

McKenzie Schuyler, *presenting on Culture and Architecture*

The Spanish Department would like to congratulate these four students and their academic achievements. Congratulations Ladies!

VFW Auxiliary Post 9487 would like to recognize McKenzie Schuyler for her artwork she submitted for the Young American Patriot Art Contest for the Franklinville VFW Auxiliary Post 9487. McKenzie's artwork will be judged in the Department and may be sent to Nationals. McKenzie could win up to \$2,500 in scholarships. The VFW Auxiliary Post 9487 would like to send best wishes to McKenzie and thank her for the very nice, and well thought out project she submitted. We would like to also thank Mr. Wangelin, with his help and support to encourage students to enter the contest.
