FCS Elementary
Summer Program

By: Melissa Martin, Elementary Principal

During July, FCS Elementary hosted over a hundred students in the Summer Program. Students reviewed math and ELA skills and participated in fun science lessons; some stayed and played with the YMCA in the afternoon. The older children all got an opportunity to swim every day. Each week had a fun theme. They researched animals and dinosaurs. Students created an oven out of pizza boxes and roasted marshmallows in it. They made constellations with marshmallows. Many classes visited the Blount Library when the petting zoo came. The students participated in many fun water activities on the last day of camp.

WELCOME BACK FRANKLINVILLE ELEMENTARY!

It was a busy and fun-filled summer here at FCS Elementary. We hosted our summer program in July and Camp Invention in August. Having so many students in the building was great.

We are excited to welcome our new 4th-grade teacher, Mr. Derek Knapp, and our new music teacher, Mr. Ben Miller. The teachers were busy with many professional development opportunities and preparing for the students' return.

MEET THE TEACHER NIGHT!

SEWING CLUB

In October and November 2024, boys and girls from grades 4-8 participated in sewing club. They made 35 preemie outfits for Oishei Children's Hospital. We gave them blankets and a stuffed dinosaur. A nurse sent us a thank-you letter to the children for helping the babies and for having such caring hearts. They worked on sewing quilt squares together for a pillow or quilt for themselves. They learned to sew on a sewing machine and to put two sides together for a finished project. We met on Mondays, Tuesdays, Wednesdays, and Thursdays in the Elementary School LGI. This was an opportunity for the kids to operate a sewing machine and develop a useful skill for the future. They enjoyed seeing their completed projects. The students did a wonderful job, and the babies will be blessed. The students who participated in sewing club this past year were: Cyrus H., Noah W. Brinley R. Jackson D., Ivy S., Jaxson G., Gracelyn T., Harli Rose C., Alice M., Hunter D., Aiden F., Carmela G., Alenna H., Ian V., Jacob B., Cameron F., McKenzie D., Leia O., Remi M., Mason B., Evelyn G., Lila S., Nalayna D., Anabell L., Jamison H.

Thank you to the Custodial staff for moving the machines when needed, as well as to Mrs. Martin, Mr. Hirsch, and the Cafeteria staff.

Sincerely,
Julie Mapes-Conner

PARENTS' "RIGHT TO KNOW" ADVISORY

Under the federal No Child Left Behind legislation (latest reauthorization of the Elementary and Secondary Education Act), parents are required to be given several official notifications:

1. Parents may request information regarding the qualifications of their child's Title I teachers and paraprofessional staff. Parents may request specific information as to the following: ["Title I" Teachers are those supported by Federal Title I funds]

- whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree, and
- whether the child is provided services by paraprofessionals, and, if so, the qualifications of that paraprofessional (assistant).

2. Section 9528(a)(1) of the legislation requires that each school district receiving Title I funds under No Child Left Behind shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses and telephone listings.

- A student or a parent may request that such information not be released without prior written parental consent. In order to make such a request, please contact the high school guidance office at 676-8013 for further information. If you do not wish to have your student's information released to the military or to colleges without your expressed permission, you must send a signed, written statement to that effect to the high school guidance office at the beginning of the school year.

DISTRICT CENSUS OF CHILDREN WITH DISABILITIES

The Board of Education of every school district must locate and identify all children with disabilities from birth to 21 years of age who reside in the school district. A register of all such children with a disability must be maintained and revised annually by the Committee on Special Education (CSE) and the Committee on Preschool Special Education (CPSE).

Since the general education census is required only every two years, it would be a great help to the District CSE/CPSE if parents and/or guardians would provide the following information on any pre-school age child (birth through four years old) who they suspect may have some type of disability – whether physical, mental, or developmental.

If you suspect your preschool-aged child (birth to four years old) may have a disability, no matter how slight or how severe, please fill out the form below and return it to:

Director of Pupil Personnel Services and Instruction

HOMELESS STUDENT NOTIFICATION

It will be the policy of Franklinville Central School District, (LEA) to determine whether there are homeless students within the District by contacting our local department of social services, the local runaway and homeless youth shelter, and any other shelters located in the LEA. It is understood that not all homeless students can be identified through agencies as they may be sharing the housing of other persons, such as family or friends, due to loss of housing, economic hardship, or other similar reason. For this reason, the LEA will have an enrollment form that asks for a description of the current living arrangements of the child or youth in order to determine whether the child or youth meets the definition of a homeless child under the McKinney-Vento Homeless Education Assistance Act (42 USC §11434a[2]) ("McKinney-Vento") and New York Education Law §3209(1)(a).

A homeless child is defined as a child who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a child who is:

- sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up);
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- living in a car, park, public space, abandoned building, substandard housing, bus or train station, or similar settings;
- abandoned in hospitals;
- a migratory child who qualifies as homeless because he or she is living in circumstances described above;
- An unaccompanied youth is a homeless child for whom no parent or person in parental relation is available (8 NYCRR §100.2[x][1][vi]).

This LEA homeless liaison will ensure that:

- Homeless children and youth are identified by school personnel and through coordination activities with other entities and agencies;
- Homeless students enroll in, and have full and equal opportunity to succeed in, the schools of the LEA;

- Homeless children and youth and their families receive educational services for which they are eligible, including Head Start, Even Start, and preschool programs administered by the LEA, and referrals to health, mental health, dental, and other appropriate services;
- Parents or guardians of homeless children and youth are informed of educational and related opportunities available to their children, and are provided with meaningful opportunities to participate in the education of their children;
- Parents and guardians and unaccompanied youth are fully informed of all transportation services, including transportation to and from the school of origin, and are assisted in accessing transportation services;
- Enrollment disputes are mediated in accordance with the requirements of McKinney-Vento; and

FROM THE DISTRICT NURSE

Hope everyone is enjoying their summer vacation! Here are some important documents to inform parents of health requirements for the 2025-2026 school year.

As we are preparing for the upcoming school year, I want to inform parents that students will have 14 days, from September 4th, to receive the required vaccinations for the grade level they will be entering. Vaccines are required by New York State in order for students to attend school. We understand that getting vaccinations can be difficult, but

as long as we have the documentation from your provider letting us know the date of their appointment, the student will be able to attend school. Please do not forget that the Health Department can also administer vaccinations to your child(ren) as well.

Finally, remember that physicals are mandated in New York State for grade levels Pre-K, Kindergarten, 1st, 3rd, 5th, 7th, 9th, and 11th grade. If the student does not have an updated physical, they will have the option to receive one by the school medical provider. Any Middle or

High School student wanting to play a sport must have an updated physical or they will not be able to participate.

If you have any questions or concerns please call Tori Rosetti at 716-676-8002. We look forward to seeing everyone in the upcoming school year!

New York State Law Section 2164 requires certain immunizations (shots)/ Physicals to enter and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. They are listed below.

Required Immunizations for Students in Elementary School

IMMUNIZATION	NUMBER OF DOSES
Polio	4 doses or 3 doses if the 3rd dose at 4 years of age or older
Hepatitis B	3 doses or 2 doses of adult hepatitis B Vaccine (Recombivax)
Diphtheria/ Tetanus/Pertussis	5 doses or 4 doses if the 4th dose given at 4 years of age or older or 3 doses if series stated at age 7 or older
Measles/Mumps/ Rubella	2 doses
Varicella (Chickenpox)	2 doses
Tdap	Age 11 (6th grade): Must receive an immunization containing Tetanus Toxoids, diphtheria, and acellular pertussis (Tdap)

Please send proof of immunization to the school nurse where your child will be attending.

Proof of immunization must be any 1 of the 3 items listed below:

- An immunization certificate signed by your health care provider
- Immunization Registry report (NYSIIS or CIR from NYC) from your health care provider or your county health department
- A blood test (titer) lab report that proves your child is immune to the diseases
 - For varicella (chickenpox), a note from your health care provider (MD, NP, PA) which says your child had the disease is also acceptable.

All Students in Pre-K, Kindergarten, 1st, 3rd and 5th grade are required to have a physical per New York State.

Thank you for your attention to these immunization requirements. If you have questions or concerns about immunizations, please contact the school health staff.

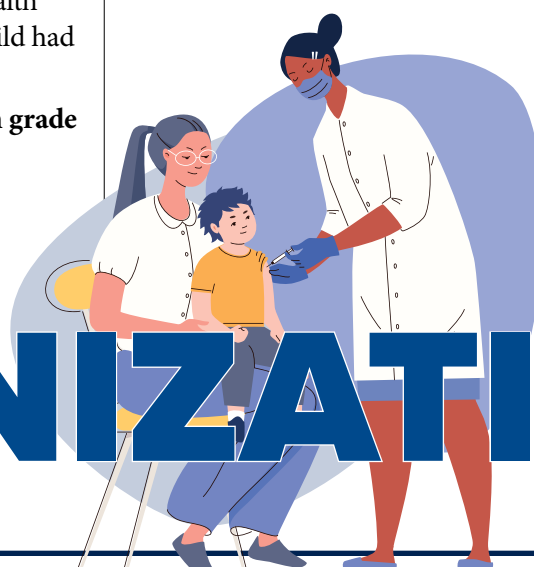

Required Immunizations for Students in Middle and High School

IMMUNIZATION	NUMBER OF DOSES
DTaP/DTP	3 doses
Tdap	Age 11 (6th grade) Must receive an immunization containing Tetanus Toxoids, diphtheria, and acellular pertussis (Tdap)
Polio	4 doses or 3 doses if the 3 rd dose was received at age 4 or older
MMR	2 doses
Hepatitis B	3 doses or 2 doses of adult hepatitis B Vaccine (Recombivax)
Varicella (chickenpox)	2 doses
Meningococcal conjugate (MenACWY)	Grade 7th, 8th, 9th, 10th and 11- 1 dose By Grade 12: 2 doses or 1 dose if the dose was received at age 16 or older

Grade 8 should only be students from out of state or country and any students who didn't receive the vaccine in grade 7. Most of the students in grade 8 will have already received the dose in grade 7.

All 7th, 9th, and 11th graders are required to have a physical per New York State.

BOYS SOCCER

Coach Spear

Boys Soccer will join with Ellicottville again this year. We are now sending boys to both the modified program (7-9) and the varsity program (10-12). The modified program has 5 boys participating and the varsity program has 7 boys participating. This has been a dream for a number of years and I am so excited the two districts offer this opportunity to our young men. The Ellicottville coaching staff is excellent. Just like football, fall cheer, cross country and track and field, the athletes have the privilege of making friends with athletes from Ellicottville. Bringing our two communities together for another sport is a win-win. Thank you for your support and we hope to see you and hear you in the stands cheering us on soon!

GIRLS VARSITY SOCCER

Coach Wangelin

The Girls' Varsity soccer team will begin league play on September 10th this fall at home against Randolph. They are tentatively scheduled to open the season the day before against Holland (site to be determined). The schedule will be a bit heavier towards non-league games this year as Portville has moved to a different division, leaving us with 2 fewer league games. Besides Randolph, the Lady Panthers will play league games against Ellicottville, Salamanca, Catt-Little Valley and Gowanda-Pine Valley. Our non-league schedule consists of Holland, JFK, Dunkirk, and CSAT, with room for one additional opponent if we can get one. As we are now the only "D" school left in the section, we will be spending the season gearing up for a difficult Far West Regional matchup in late October with a chance to get to State Final Four with a victory- an odd scenario to say the least.

We have several returning players that will be working hard toward that goal. Our veteran seniors will be Molly Witter and Lainey Dunlap. Returning juniors are Carlie Aultman, Taylor Chase, Addisyn Killingbeck and Alayna Spittler. Coming back as sophomores are Addison Chamberlain, Selena Hernandez, and Mya Sullivan. Grace Cornell returns for her freshmen year and 3rd on the varsity. These ladies will be joined by newcomers Kierra Knobloch (senior), Addison Buchanan, Kalina Gonzales, Alyssa Lane, Kaylee Morgan, and Faith Peterson (sophomores), Alexea Hernandez, Emma Wilcox (freshmen). The girls hope to build on what they learned last year and be a more dynamic offensive threat as we compete in tough CCAA East division. Coach Josh Wilcox will return to assist Coach Wangelin after 3 years coaching the modified team. We look forward to your support out on the pitch!
