MY COMPLIMENTS TO THE CHEFS!

By Mr. Neil Shoemaker

Students in Mr. Shoe's summer school class had a hands-on experience in cooking! Students researched recipes, shopped while comparing prices at Fresh Market, and with the guidance of Mrs. Mahnk, made their own version of goulash in the LGI at the elementary school. A meal with red sauce would not be complete without homemade garlic bread.

Says one student.. "Best bread I've had in ten years!" -9-year-old student.

First Day of School: September 6, 2022!

Clever is an easy way for your child to log in and learn with all of the online programs they use at school. With their own personal portals, students can learn with resources selected by their teacher and district.

Schools use Clever so students can have all of their digital resources in one place. Clever also eliminates the need to remember multiple usernames and passwords.

The school district will be using a site called Clever to assist students in gaining access to all of the district resources available to students. FROM THE GUIDANCE OFFICE

By: The Counseling Center

A great big CONGRATULATIONS to our 2022 graduates. We wish you the best of luck in your future!

ELEMENTARY NEWS:

5th graders had a visitation day on June 17th where they went over to the Jr/Sr High School, had a complete tour, met some of their teachers for next year and the School Counselor (Ms. Rhoades), and even ate lunch in what will be their cafeteria next school

year. They had lots of time to ask questions and get more comfortable with their new setting. On August 31st there will also be a 6th grade orientation night for the students and parents so save the date. More information will follow this summer! Remember after July 1st they will be 6th graders! Any questions can be directed to Ms. Rhoades at (716) 676-8054 or crhoades@tbafcs.org.

MIDDLE SCHOOL NEWS:

It is hard to believe another school year is over already. The Middle School (6-8) has been very busy with tons of activities surrounding college and career readiness, social emotional learning, and a lot of team building fun. We had our first Middle School Fun Night in a long time and everyone that attended appeared to have had a great time.

Our goal is to try for one of these at the end of every quarter next year. We had karaoke, swimming, open gym, pizza, and an ice cream sundae bar. It was a well needed time for the students to socialize in a non-academic setting and blow off some steam before settling down and getting ready for their finals.

Continued on next page...

FROM THE GUIDANCE OFFICE CONTINUED...

The 6th graders worked on helping the current 5th graders with their transition to the Middle School by making presentations for the 5th grade classes. They also visited the Challenger Center, went to Darien Lake, had rocket day, a day at Camp JYC, a visit to the National Museum of Science, a movie day, and went to the ROPES course at the Ellicottville BOCES Center to finalize everything they learned in advisement class. They have been very busy and we are so proud of how well they transitioned from elementary to the Middle School!

The 7th graders were very busy with their social emotional learning and finished off their year with a trip to Darien Lake as well. Although it was very busy and all the lines were super long, they all had a great time together. We look forward to continuing advisement next year with them! The 7th graders were a big help in determining some of the curriculum for this program we piloted this year!

The 8th graders have had a busy year as well. The biggest event for them of course was their trip to Gettysburg after school ended for them! A big shout out to all the teachers that made this happen! By now each 8th grader should have had a 1:1 meeting with the High School Counselor to complete their schedules for next year. As of July 1st, if they do not have to attend Summer School, they will be considered Freshman. Most of the 8th graders will start High School with 1 High School credit in Spanish. Way to go 8th graders!

Ms. Rhoades continues to work on the importance of attendance and once again at the completion of the 4th quarter she entered all the students grades 6-8 with perfect school attendance (including remote learners that were quarantined) into a drawing for a prize. We had 21 eligible students for quarter 4! The winner of the electronic thesaurus was Leland Snow. Leland just finished 6th grade here at TBA. Congratulations Leland!

"THANK YOU TBA!" FROM MR. PENDL

When I first started teaching there were absolutely no computers, the office would contact you by the PA system and phones were just getting installed in the classrooms. I started copying papers on a ditto machine and there was no such place as Cash Park. A lot has changed since my very first teaching assignment at Franklinville in 1990, but the fact that Franklinville is the best place to teach is still the same. I am a transplant to the area, and the Franklinville community welcomed me with open arms way back then, and I am forever grateful. During my time here, I have been able to teach in almost every grade in the elementary and I have had the opportunity to work with many wonderful teachers both retired and present. My last two years in the middle school have given me the chance meet many more teachers and create new friendships. My career has been more than I could have asked for. I met many spectacular students and have had the experiences of a lifetime. Now as I get ready to retire I want to thank this wonderful school and community, all the teachers I have worked with, the many administrators I have had and all the people who have proudly served on the Board of Education for giving me the opportunity to serve you. My ties, that I have collected over the years tell the story of my career. 112 ties in all. I have gathered them from fellow teachers, family and of course many students. As I leave Franklinville I leave my ties in the very capable hands of all the students who have watched me so proudly wear them over the years. It is said a person who loves his job never has to work a day in his life. Thank you to the Franklinville Community and especially all the students who have made my time here at TBA the best that anyone could ask for. Have a great summer!

Thankfully yours,
Mr. Pendl

This summer students worked on reading some amazing books, strengthening their math skills, working on some creative projects, swimming, playing games, and farming. Our teachers and administrators have been engaged in professional development as they prepare for the school year. The maintenance staff along with some student support have worked hard to get the school ready. The weight room has been open for the summer and will remain open for our community and students to work out and stay in shape. Our coaches continue to work with students in season and out of season to train and prepare their athletes for their upcoming seasons.

VARSITY TITANS FOOTBALL

By Coach Blecha

The 2022 FE Titans have begun their summer workouts and are aiming to uphold their winning tradition. The boys have been lifting and working on plyometrics and agilities 3 days a week starting in July. They have also been attending a 7 on 7 passing league in Olean each Monday. In addition, we have competed in a 7 on 7 Passing Tournament hosted by Southwestern High School. There is a lot of work that occurs over the summer to be sure that we are ready to try to compete for a sectional championship. These young men have shown the dedication to accept the challenge.

The 2022 version of the Titans will look quite different from last year's team. After graduating a large group of seniors this past spring, there are several positions that must be filled by younger players. This year, our varsity candidates are: Returning starters: Beau Bielecki, Ben Brol, and Tyler Gibas. Returning lettermen are: Xevid Butman, Hayden Callahan, Jacob Dahlke, Drew Goss, Isaac Goss, Noah Shenk, Levi Jennings, Dakota Miller, Billy Slavinski, Isaac Towne, and Hayden Trietley. Moving up to the varsity level is Zach Fetterman, Devin Herman, Ben Payne, Justin Seamons, and Noah Stephen. These Franklinville students will be mixed again with our Ellicottville brothers and compete to fill out our combined football program starting on August 20th. The football schedule, along with the JV and modified schedules can be found on the Franklinville Central school website at tbafcs.org. We hope that you will come out and support our hard working young men.

JV TITANS FOOTBALL

By Coach Shenk

We are excited about this upcoming football season as we look to build on our success over these past few years. It will be challenging, as many players will be moving

up to varsity, but it also provides opportunities for our modified players to move up. We have been encouraged this summer by the number of players attending our workouts and look forward to seeing the hard work pay off.

The coaching staff would like to thank all of the people that have come out and supported us since our merger 8 years ago. You have been key to our success. If you haven't been able to see us play yet, please come on out and cheer on the Titans Modified, JV, and Varsity football teams.

MODIFIED TITANS FOOTBALL

By Coach Marconi

The Modified Football team returns to the field this fall and looking to build off of last year. Many players have been busy over summer in the weight room getting stronger and faster in preparation for the upcoming season. This season the mission remains the same, to prepare these student athletes for success when they move onto the JV and Varsity levels as well as to prepare them for success in the classroom and community. We will have a large number of new faces this year to go along with our handful of returners from last year's team. Practice begins on Monday August 22 with our first game on Thursday September 8th. This year's schedule is as follows. Thu 9/8 vs Salamanca (@Ellicottville), Thu 9/15 @ Falconer/Cassadaga Valley/Maple Gove (@Maple Grove), Thu 9/22 vs Allegany-Limestone (@Franklinville), Thu 9/29 @ Clymer/Sherman/Panama (@Clymer), Thu 10/13 @ Salamanca and Thu 10/20 vs Falconer/Cassadaga Valley/Maple Grove (@Ellicottville). All games are at 5 PM. I hope everyone can make it to a game to root on these student athletes.

BOYS VARSITY SOCCER

By Coach Wangelin

The Boys' Soccer program has found new life this fall after an agreement to combine with the soccer program at Holland Central. We are hoping to have 6-10 boys join the program after having no soccer here at Franklinville for several years. The boys will compete at both the JV and Modified levels this fall, with the hope that they will move up the ladder next year and be joined by more athletes from our school. Holland has a long-standing tradition of success on the pitch and both AD Matt Adams and Head Coach Giovanni Cambareri are excited to have our young athletes join the program. In

addition to playing a normal home schedule in Holland, we are looking to have at least one "home" game here in Franklinville to promote our athletes. Franklinville will have two assistants in the joint program for the coming fall. Coach Tim Wangelin will split associate duties with the girls' program to help the transition at both levels, and long-time Varsity coach Dave Kays will return to assist the program on a daily basis. We are all very excited at the prospect of having more student athletes involved in sports this coming year and look forward to continued growth in boys' soccer.

GIRLS SWIM TEAM

By Coach Herman

The girls' swim team is combined with Olean, and Portville schools. We will be kicking off the start of our season in a few weeks, led by our head coach Dan Brown of Olean and assistant coach Ben Wright. Are seniors this year are Megan Jackson, K'lonnie Davis, and Anna Slavinski. Juniors are Tyyetta Herman, sophomores are Trinity Garrey, Elizabeth Price. Also, 7th grader swimmers Annabelle Owens, and Kayci Landow. This will be another exciting year for our girls. They are very good swimmers and they work hard! Last year, Megan Jackson qualified for states in the 50 and 100 free, and has an excellent chance to head back to the state competition. Anna Slavinski and Tyyetta Herman also competed at states in Ithaca and I believe will continue to work hard and drop times. Libby Price is also a fierce competitor and has been in the pool training this summer to meet her goals. K'lonnie Davis is our diver this year, and Trinity Garrey, Kayci Landow, and Annabelle Owens will round out to get points for our team. If you all get a chance to see the girls swim this year, please come! Dates and meets times will be posted on our website. Go Huskies!

I wish all sports teams the best of luck, this fall season!

FRANKLINVILLE FFA SUMMER REPORT

This summer 11 students have been busy working at the school land lab, woodlot and competing in FFA contests at the Cattaraugus County Fair. Students get the opportunity to work outside the classroom and learn how to grow crops, operate machinery, forestry and landscaping.

This year we are growing pumpkins to give to elementary students in the fall. We also hope to have some sweet corn, green beans and summer squash as well. Students are responsible for maintaining the crops throughout the summer and harvesting it when ready. They get to learn first hand what plant science is all about.

In addition to raising crops students work to maintain the learning lab environment. Students get to operate equipment that they would while operating in a landscape environment. Mowing, trimming and even tree care are a part of what they do. Students take a field trip to Pleasant Valley Greenhouse to choose flowers to plant around the sign and help to keep the grounds looking good.

Students also created a trail all along the creek on the property for nature exploring and for those who fish to have easy access to the creek. We hope to continue to add to this trail and allow more opportunities.

On August 1st and 2nd FFA members competed at the Cattaraugus County Fair. On the 1st they competed in Dairy Judging, Livestock judging and Agronomy. The second day they competed in tool, wildlife and tree identification. In addition to sharpening students skills in these areas, these contests help students develop their decision making and team skills.

TRANSPORTATION INFORMATION AND SAFETY PROCEDURES

Transportation routes and bus numbers may change for the 2022-2023 school year. You should receive information regarding your student's bus number and estimated pick up time by mail. If you did not receive this information or have any questions related to transportation services, you may contact the office or the District Transportation Office: Mr. Wing – Phone: (716) 676-8026, Email: twing@tbafcs.org

Students are permitted to use their iPads and personal devices on the bus provided they follow the rules below. The rules are designed for safety and respect for others. Safety is of the utmost importance.

Keep this privilege by following these simple rules!

- ❶ Use earphones.
(Sound should be off otherwise.)
- ❷ Use the lowest visible brightness.
- ❸ Keep your device.
(Do not pass it to others.)
- ❹ Use your device only when sitting.
- ❺ Phone calls only with bus driver permission.
- ❻ No photographing, videotaping, or voice recording.

Failure to comply will result in a warning. Further incidents will result in losing the privilege to use electronic devices on the bus for a period of time. *Any additional school rules still apply.

ELEMENTARY PRINCIPAL'S CORNER

By: Thomas Riddoch, Elementary Principal

ARRIVAL AND DISMISSAL TIMES

Our school day will begin at 7:35am and end at 2:25pm.

WELCOME BACK!

We are having a beautiful summer; I hope everyone enjoys time with family and friends. The start of the school year is just around the corner. We are excited to have everyone return to school rested, recharged, and ready to learn.

We have a couple of exciting additions to our school this year. Brooke Rackley will join our Speech and Language department, Ashley Seltz will teach fourth grade, and Jennifer Kersch will be our full-time Social worker. Welcome to Franklinville!

This year, in addition to the regular rotation of special area classes, we will add a STEM class. Mrs. Sylor will be leading our new initiative for all students in PK-5th grade. STEM will focus on science, technology, engineering, and math. She will work closely with the classroom teachers to supplement and enrich their instruction.

Our school hours will remain the same as last year. **The student day this year will start at 7:35 and end at 2:25.** Any student arriving after 7:45 will be marked tardy. The bus will drop students in the front loop, and all parent drop-off students will enter through the South entrance. Students should not be dropped off before 7:20.

MEET THE TEACHER NIGHT

We are excited to have Meet the Teacher Night back this year! **Please join us from 4:00 pm-5:30 pm on Wednesday, August 31st.**

BEFORE/AFTER SCHOOL CARE

Limited before and after school care will be available from 7:20 am to 7:35 am. And from 2:25 pm to 4:00 pm. Please get in touch with the main office for additional information and sign up for before or after-school care.

STUDENT TRANSPORTATION

This year we have a new system for submitting your child(ren)'s permanent dismissal/transportation plan. Parents may submit the form on our school website instead of the paper copy provided on the first day.

The form can be found at www.tbafcs.org/transportation. Any daily changes should be submitted to the elementary office as usual. A parent or guardian can only make dismissal changes.

SCHOOL SUPPLIES

All school supplies have been purchased for our students for this upcoming year. The only items that you will need to provide are as follows:

Pre-K: Art shirt, sneakers for gym, small blanket, change of clothes, water bottle, backpack

Kindergarten: Art shirt, sneakers for gym, change of clothes, water bottle, backpack

1st – 5th Grade: Art shirt, sneakers for gym, water bottle, backpack

DROP-OFF/PICK-UP REMINDERS MORNING DROP-OFF

Our first and foremost concern on arrival and dismissal is student and staff safety. Please read the below guidelines to help ensure a smooth and safe process. Cars dropping off should pull forward the entire length of the sidewalk at the South Entrance.

Students will not be allowed in the building before 7:20. If you arrive before that time, please remain with your child until 7:20.

After the cars, before you have unloaded, please pull forward in a single file line. Do not drive around stopped cars or get out of the line once you are in it.

If you prefer to park your vehicle and walk your child to the door, please park in the first row and cross at the crosswalk. After 7:45, the South Entrance will be closed. Please proceed to the main entrance.

AFTERNOON PICK-UP

Enter through Riggs Street and proceed to the South entrance. Have your tag displayed on the mirror. Do not hang additional items next to your tag as it disrupts the signal. If you do not have your tag, you will be asked to pull forward or park while we retrieve your child.

Load all children on the passenger side. Staff cannot leave the sidewalk or load children into the vehicle.

The critical piece is to remain patient during the drop-off and pick-up process. Thank you for helping us maintain our children's safe arrival and dismissal.

IMPORTANT PRE-K INFO

Opening Day: On September 6th at 9:30 am, parents with children coming to Pre-K are asked to join their children in the classroom to help transition the kids into their first school experience! Join the teachers for fun activities and have time to talk with your child's teacher. This day will be a shortened day for Pre-K students only, and no transportation is provided for any Pre-K students on this day.

Schedule for September 6th: Outside/Classroom/Family Picnic: 9:30 am. Parents or other trusted adults will meet their PK teachers outside by the playground to start the day.

District Pre-K Full Day Classes: Beginning on Wednesday, September 7th, classes will follow the district schedule and bus routes.

Any questions for Pre-Kindergarten may be addressed on September 6th or directed to the elementary office at 676-8020.

SNAP/TANF/FDPIR Households: Households that currently include children who receive the Supplemental Nutrition Assistance Program (SNAP) but who are not found during the Direct Certification Matching Process (DCMP), or households that currently receive Temporary Assistance to Needy Families (TANF), or the Food Distribution Program on Indian Reservations (FDPIR) must complete an application listing the child's name, a valid SNAP, TANF, or FDPIR case number and the signature of an adult household member. Eligibility for free meal benefits based on participation in SNAP, TANF or FDPIR is extended to all children in the household. When known to the School Food Authority, households will be notified of their children's eligibility for free meals based on their participation in the SNAP, TANF or the FDPIR programs. No application is necessary if the household was notified by the SFA their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

Other Source Categorical Eligibility: When known to the School Food Authority, households will be notified of any child's eligibility for free meals based on the individual child's designation as Other Source Categorical Eligible, as defined by law. Children are determined Other Source Categorical Eligible if they are Homeless, Migrant, Runaway, A foster child, or Enrolled in Head Start or an eligible pre-kindergarten program.

If children or households receive benefits under Assistance Programs or Other Source Categorical Eligible Programs and are not listed on the notice of eligibility and are not notified by the School Food Authority of their free meal benefits, the parent or guardian should contact the school or should submit an income application.

SENSORY HALLWAY

The next time you are in the Elementary, you will notice a Blue and Gold pathway between the gymnasium and the cafeteria. The pathway allows students to take movement breaks while practicing numbers, letters, and counting. Some activities are hopscotch, bear and crab crawls, and various balance activities. Students can use this area as part of recess, during classroom breaks, and during PE class. Stop in during Meet the Teacher Night and check it out for yourself.

STUDENT DRESS CODE

In all schools (K-12): The purpose of the dress code at Franklinville Central School District is to ensure a productive learning environment in which all students feel comfortable. Students and parents have responsibility for acceptable dress and appearance. Student dress affects the culture and climate of the school. This dress code applies to all students.

STUDENT ATTENDANCE POLICY SUMMARY GRADES 6-12

Policy: 7110

Determination of Excused and Unexcused Absences, Tardiness and Early Departures

Based upon our District's education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards.

a) Excused: An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations or other such reasons as may be approved by the Board of Education.

b) Unexcused: An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, haircut, obtaining learner's permit, road test, oversleeping).

A written excuse signed by a parent/person in parental relation should be presented by the student when returning to school following each absence.

Student Attendance/Course Credit

The District believes that classroom participation is related to and affects a student's performance and grasp of the subject matter and, as such, is properly reflected in a student's final grade. For purposes of this policy, classroom participation means that a student is in class and prepared to work.

Consequently, for each marking period a certain percentage of a student's final grade will be based on classroom participation as well as the student's performance on homework, tests, papers, projects, etc. as determined by the building administrator and/or classroom teacher.

Students are expected to attend all scheduled classes. Consistent with the importance of classroom participation, unexcused student absences, tardiness, and early departures will affect a student's grade, including credit for classroom participation, for the marking period.

At the middle school/senior high school level, any student with more than 28 absences in a course may not receive credit for the course. However, it is District policy that students with properly excused absences, tardiness and early departures for which the student has performed any assigned make-up work, assignments and/or tests shall not be counted as an absence for the purpose of determining the student's eligibility for course credit. District procedures will specify how student tardiness and early departures will be calculated and factored into the District's minimum attendance standard.

However, where a student earns a passing grade, credit will not be denied for the course(s).

For summer school and courses meeting 1/2 year or 1/4 year, the same policy will apply and a calculation of the absences will be prorated accordingly. Transfer students and students re-enrolling after having dropped out will be expected to attend a prorated minimum number of the scheduled class meetings during their time of enrollment.

Students who are absent from class due to their participation in a school sponsored activity are to arrange with their teachers to make up any work missed in a timely manner as determined by the student's teacher. Attendance at school sponsored events where instruction is substantially equivalent to the instruction which was missed shall be counted as the equivalent of regular attendance in class.

Upon returning to school following a properly excused absence, tardiness or early departure, it shall be the responsibility of the student to consult with his/her teacher(s) regarding arrangements to make up missed work, assignments and/or tests in accordance with the time schedule specified by the teacher.

Disciplinary Consequences

Unexcused absences, tardiness and early departures will result in disciplinary sanctions as described in the District's Code of Conduct. Consequences may include, but are not limited to, in-school suspension, detention and denial of participation in interscholastic and extracurricular activities. Parents/persons in parental relation will be notified by designated District personnel at periodic intervals to discuss their child's absences, tardiness or early departures and the importance of class attendance and appropriate interventions. Individual buildings/grade levels will address procedures to implement the notification process to the parent/person in parental relation.

Appeal Process

A parent/person in parental relation may request a building level review of their child's attendance record.

The Franklinville CSD will directly notify parents and eligible students of these policies at the start of each school year and after any substantive changes. E.P.A. ASBESTOS MONITORING REGULATIONS

The U.S. Environmental Protection Agency's Asbestos Containing Material in Schools Regulations took effect in December 1987. Franklinville Central School had its buildings inspected for asbestos containing building materials. A management plan was developed for the District and is on file in the Superintendent's Office.

Results of the testing and a plan to manage asbestos containing building materials were submitted to the State Education Department. Through a variety of capital projects that have been completed in past school years, the District is virtually asbestos free. Periodic inspection of the condition of any known and identified asbestos material(s) is done by trained staff to monitor any changes or damage to the area.

PESTICIDE NOTIFICATION LAW (EDUCATION LAW 409-H)

In July 2001, legislation was enacted requiring school districts to establish notification procedures for all staff and parents when pesticide applications are planned on school grounds. Here are some highlights of the legislation:

1. *Written notification is required to all staff and parents at the beginning of each school year, stating that pesticides may be used periodically during the year;*
2. *The District is required to establish a list of staff and parents who wish to be notified at least 49 hours before any pesticide application occurs on school grounds;*
3. *Staff and parents must be notified at the end of the year and at the end of winter and spring vacation of all products used, including date and location, for every application of pesticides since the previous notice;*
4. *The name of the person to contact for further information must be published.*

Some applications are exempt from the notification law. Emergency applications to protect people from imminent threat to their health or safety do not require 49-hour notification. Insecticide baits or gels or EPA-approved biopesticides do not require notice. Aerosol products with a directed spray, in containers of 18 fluid ounces or less that are used to kill spiders, bees, hornets or wasps are exempt also. Finally, any applications that take place where the facilities will be unoccupied for a continuous 72-hour period following the application do not require notice.

Franklinville Central School will not utilize pesticides during the school year. Should an unforeseen situation arise, notification will be forthcoming. If you would like further information on this subject, please contact Mr. Dustin Brisky at the high school, 676-8088.

SECURITY REMINDER TO PARENTS AND VISITORS

In order to create a safe environment for everyone at the elementary school and high school, both buildings have a security system. All doors will be locked by 7:00 a.m. If you wish to enter either building after that time, you will be required to push the button on the outside wall near the doors and identify yourself to the person who answers your buzz. Entry to the school after 7:00 a.m. and before 3:00 p.m. will be limited to the main doors at the elementary school and high school. There is also a handicapped entrance at the back of the high school that has an access button. If we don't answer immediately because someone is busy, please be patient. We will be happy to greet you.

PARENTAL PERMISSION REQUIRED FOR STUDENT RELEASE

Parents or guardians are reminded that students are not allowed to leave the school buildings or grounds without written permission to do so and only for legitimate reasons. In addition, under state law, school children may only leave school with persons approved by the child's parent or guardian. School district officials will be required to check the identity of persons requesting a child's release against a list provided by

the parents. The law also stipulates that a student will not be released to a person who is not on the list unless the child's parent authorizes the release. Please supply the appropriate school office with the names of persons authorized by you to dismiss your child from school.

SEX OFFENDER REGISTRY AND NOTIFICATION "MEGAN'S LAW"

Information Website:
<http://criminaljustice.state.ny.us>

The purpose of this information is to provide an overview of the sex offender registration law and how the public can obtain information about sex offenders. Under the New York State Sex Offenders Registration Act (Megan's Law), which became effective in 1995, information related to the presence of a sex offender living in our community is made available to school districts. Registered sex offenders in New York are classified by the risk of reoffense. A court determines whether an offender is a level 1 (low risk), 2 (moderate risk) or 3 (high risk). The court also determines whether an offender should be given the designation of a sexual predator, sexually violent offender or predicate sex offender. Sex offenders registered on or after March 11, 2002 register for a minimum of 10 years unless they have been given a designation. If they have been given a designation, they register for life. Level 1 and 2 sex offenders registered prior to March 11, 2002 register for 10 years while level 3 offenders register for life.

When the Franklinville Central School District receives these notifications, the District is authorized to provide this information within the District and/or within the community. Consistent with its duty to protect students under its care, the District shall cooperate with local law enforcement agencies in the administration of the law. Any information provided by local law enforcement agencies under Megan's Law will be available in an appropriate location in all school buildings. Additional information will be provided to:

- district staff (building principals, staff members, bus drivers, custodians, coaches, after-school program personnel),
- community and youth organizations, and
- non-public schools in the district.

It is our intent to provide all reasonable protection for the children of our school district and our community. In each case, the District shall review the information received with its legal counsel to determine whether any of the information received should be deleted prior to its distribution. Our school health and safety curriculum contains instruction about child abuse and related programs for our students. We suggest that you follow common sense in ensuring that your child follows appropriate rules of safety. We recommend that you speak to your child about appropriate guidelines for safe practices, some of which should include:

- Be cautious of strangers.
- Keep a safe distance from cars.
- Do not get close to a car when a stranger is asking for information.
- Do not walk alone.
- Report any unusual events.

Additional information regarding this matter is available at the N.Y.S. Sexual Offender website at: <http://criminaljustice.state.ny.us/nsor/index.htm>. This website can also be accessed at the Franklinville Central School District website at: www.tbafcs.org/. You may also contact the Sex Offender Registry at 1-800-262-3257 Monday through Friday from 8 a.m. to 5 p.m.

PARENTS' "RIGHT TO KNOW" ADVISORY

Under the federal *No Child Left Behind* legislation (latest reauthorization of the Elementary and Secondary Education Act), parents are required to be given several **official notifications**:

1. Parents may request information regarding the qualifications of their child's Title I teachers and paraprofessional staff. Parents may request specific information as to the following: ["Title I" Teachers are those supported by Federal Title I funds]

- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree, and
- whether the child is provided services by paraprofessionals, and, if so, the qualifications of that paraprofessional (assistant).

2. Section 9528(a)(1) of the legislation requires that each school district receiving Title I funds under No Child Left Behind shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses and telephone listings.

- A student or a parent may request that such information not be released without prior written parental consent. In order to make such a request, please contact the high school guidance office at 676-8013 for further information. If you do not wish to have your student's information released to the military or to colleges without your expressed permission, you must send a signed, written statement to that effect to the high school guidance office at the beginning of the school year.

PARENTAL NOTIFICATION OF A STUDENT'S PLACEMENT IN A LANGUAGE INSTRUCTION EDUCATIONAL PROGRAM

Children who have been identified as a "Limited English Proficient/English Language Learner" (LEP) student have the right to be placed in academic programs that will help them increase their level of academic performance in English. If your child has been identified as an "LEP" student, you will be notified as to the program and/or service that your child is receiving.

The District will hold meetings at least twice a year for parents/guardians of English learners and we encourage you to attend. At those meetings, we will provide you with information that will help you to better understand the goals of your child's program, and assist you in ways to help your child.

However, you should know that you have the right to:

1. request that your child be immediately removed from the instructional bilingual program;

2. decline your child's participation in the instructional bilingual program or choose another available program or method of instruction, and;

3. request assistance in selecting from among the various programs and methods of instruction available.

Specifically, you have the right to withdraw your child from participation in an instructional bilingual education program provided that you first meet with us to discuss the nature, purpose and educational value of the program. At a minimum, however, your child must participate in a free-standing, English as a Second Language program.

HOMELESS STUDENT NOTIFICATION

It will be the policy of Franklinville Central School District, (LEA) to determine whether there are homeless students within the District by contacting our local department of social services, the local runaway and homeless youth shelter, and any other shelters located in the LEA. It is understood that not all homeless students can be identified through agencies as they may be sharing the housing of other persons, such as family or friends, due to loss of housing, economic hardship, or other similar reason. For this reason, the LEA will have an enrollment form that asks for a description of the current living arrangements of the child or youth in order to determine whether the child or youth meets the definition of a homeless child under the McKinney-Vento Homeless Education Assistance Act (42 USC §11434a[2]) ("McKinney-Vento") and New York Education Law §3209(1)(a).

A homeless child is defined as a child who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a child who is:

- sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up);
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- living in a car, park, public space, abandoned building, substandard housing, bus or train station, or similar settings;
- abandoned in hospitals;
- a migratory child who qualifies as homeless because he or she is living in circumstances described above;
- An unaccompanied youth is a homeless child for whom no parent or person in parental relation is available (8 NYCRR §100.2[x][1][vi]).

This LEA homeless liaison will ensure that:

- Homeless children and youth are identified by school personnel and through coordination activities with other entities and agencies;
- Homeless students enroll in, and have full and equal opportunity to succeed in, the schools of the LEA;

■ Homeless children and youth and their families receive educational services for which they are eligible, including Head Start, Even Start, and preschool programs administered by the LEA, and referrals to health, mental health, dental, and other appropriate services;

■ Parents or guardians of homeless children and youth are informed of educational and related opportunities available to their children, and are provided with meaningful opportunities to participate in the education of their children;

■ Parents and guardians and unaccompanied youth are fully informed of all transportation services, including transportation to and from the school of origin, and are assisted in accessing transportation services;

■ Enrollment disputes are mediated in accordance with the requirements of McKinney-Vento; and

■ Public notice of the educational rights of homeless students is disseminated to locations where they receive services under McKinney-Vento.

DISTRICT CENSUS OF CHILDREN WITH DISABILITIES

The Board of Education of every school district must locate and identify all children with disabilities from birth to 21 years of age who reside in the school district. A register of all such children with a disability must be maintained and revised annually by the Committee on Special Education (CSE) and the Committee on Preschool Special Education (CPSE).

Since the general education census is required only every two years, it would be a great help to the District CSE/CPSE if parents and/or guardians would provide the following information on any pre-school age child (birth through four years old) who they suspect may have some type of disability – whether physical, mental, or developmental.

If you suspect your preschool-aged child (birth to four years old) may have a disability, no matter how slight or how severe, please fill out the form below and return it to:

SUMMER ADVENTURES IN LEARNING

By Mrs. Oakes

Learning and fun, what a great combination! This summer students in grades Pre-k through 5th were given the opportunity to participate in the summer program at the elementary school. This program focused on closing educational gaps through the reinforcement of reading and math skills learned throughout the school year. AIS services were also provided for those students in need. Academics was not the only focus of this year's summer program. There was also a significant focus on fun as well. Students attended physical education every day. They were provided with time in the gym, on the playground, or in the pool. Students also participated in fun activities within their classrooms. This allowed students to maintain and build friendships with others. The summer program helped students build and increase social interaction with both students and staff. This year's program was a huge success and has aided students in the ability to maintain on track both academically and socially for the upcoming 2022-2023 school year.
