Re: Change of Principals

Franklinville Central School Families: Please allow this letter to serve as an informational memo regarding the change of administrative direction for the Franklinville Elementary School. As of today 5/28/19, I have assumed administrative and operational control of the elementary school for a short period of time. The District and Mrs. Schirmmacher-Smith have amicably decided to separate. The District wishes Mrs. Schirmmacher-Smith success in all of her future professional and personal endeavors. This afternoon the district has posted for the Elementary Principal position and will be looking to interview such candidates within the next 30-45 days. It is my greatest hope that a permanent replacement can be in place no later than July 15th, 2019. I would ask for your continued support for the faculty and staff that work hard daily to make the elementary school a quality place for learning. If you have any additional questions, please do not hesitate to contact my office 716-676-8000 Ext. 8059 or by email cswiatek@tbafcs.org. I look forward to the future of our school and great achievements ahead.
