ACADEMY

November/December 2020

FROM THE DESK OF THE SUPERINTENDENT...

By: Christopher Swiatek, Superintendent

Hello Franklinville Families: As I write this article, I am very encouraged by how the 2020-21 school year has begun. Prior to the first day, I had the same trepidation that many of you had when the time came to make the decision to open our doors for the benefit for all. As I review the first five weeks of school many of those concerns have been addressed and handled appropriately. Franklinville Central School District maintains a healthy respect for the potential volatility of the coronavirus, but we also fully understand the importance of educating our children. All of our students from grades PK-12 have been respectful, responsible and courteous to the new rules in place regarding social distancing and mask wearing. The staff at FCSD understands that our protocols will be challenged and adjusted as we learn how to function within our new norm. I look forward to the remainder of the year and being able to open our doors to our kids on a daily basis.

CONSTRUCTION UPDATE

As you enter our grounds you have probably noticed a significant amount of construction being completed. In both of our buildings, updates are being done to our bathrooms, additional classroom space and mechanical upgrades. Priority is now being placed on the south entrance of the Elementary school. We will be working with our architect and contractors to shut down the south entrance way for 4-5 weeks and re-route our traffic patterns to accommodate the need for uninterrupted construction access to the space. In the box to the right, is the new traffic pattern while construction is taking place. We are looking for a completion date of early November for this work.

All *elementary* car riders and walkers will enter/exit through the main entrance.

Finally, as the weather begins to change, and hopefully the school year continues, I look forward to the upcoming days and taking on the challenges together. Please stay safe and healthy!

MORNING DROP:

- ▶ Vehicles will enter through Riggs St, proceed toward the building, enter the bus loop (opposite current traffic flow) from the South end and drop off in front of the main entrance.
- ▶ After dropping off, vehicles will then proceed out the North entrance onto Route 16.
- ▶ Walkers will enter the school grounds off of Route 16, cross at the crosswalk and proceed to the main entrance.

AFTERNOON PICK-UP:

- ▶ Vehicles will still enter the Riggs Street entrance and the Car Rider Pro system will identify cars.
- ▶ Cars will proceed toward the building, enter the bus loop (opposite current traffic flow) from the
- ▶ South end and pickup North of the main entrance using the same system we currently use.
- ▶ Walkers will enter off of Route 16, cross at the crosswalk, and proceed to the main entrance where you will follow the current procedure of check-in.

NO SCHOOL: NOVEMBER 11TH VETERANS DAY!

CHRISTMAS SPIRIT NEEDS YOUR HELP!

Christmas Spirit is a non-profit group made up of volunteer members of the Franklinville Central School District Community that provides gifts during the holiday season to families in need that live within our district. If you would like to help, please contact the school offices. We depend upon donations to make this happen. You may send monetary donations to the high school, attn. Jill Haskins, to 31 N. Main St., Franklinville, NY 14737. Please make checks payable to "Christmas Spirit 2020."

Our delivery to families is tentatively scheduled for Tuesday, Dec 15th, with a "snow" date of Dec 17th.

Please help us make this holiday season a happy one for every Franklinville family.

Thank You,

2020 Christmas Spirit Committee

Project Head Start classroom still has openings for 3-year olds and 4-year olds.

Child must have turned 3-years old by September 1st. For more information, please contact Aimee Stanbro, Family Support Assistant Franklinville Head Start at 716-474-1807.

MUM'S THE WORD!

The Class of 2025 and 2026 would like to once again thank our families and community for their continued support. Without you our trip to Gettysburg and Washington DC in 8th grade would not be possible. Christmas Poinsettia's will be on sale soon!

FCS Welcomes New Employees

**JANELLE
GOODRICH**

My name is Janelle Goodrich. I will be the new Library Media Specialist for the MS/HS building. I will be teaching Library and Technology class to Middle School students.

I currently reside in Cuba, NY with my significant other, Jason, our five-month old daughter, Brynlee, and our dog Gracie. I graduated from TBA in 2009. I received my bachelor's degree from Western Governors University in Special Education in 2016 and am currently enrolled in the School Librarianship Master's Program at University of Buffalo.

~ Janelle Goodrich

**MATT
HARRIS**

Dear Franklinville Central School District and Community,

My name is Matt Harris, and I am excited to be here! I am a School Counselor and will be working with students in grades 10-12. My wife Kara and I have been married for five years, and we have a two-year-old son named Jack, as well as two dogs, Bella, and Cooper. Over the past eight years, I have worked with students in elementary, middle,

and high schools as a private saxophone, clarinet, and flute teacher, substitute teacher and long-term substitute counselor. I also own Full Swing Sound, a company that provides live music, DJ's, lighting, and photo-booths for weddings and special events. I look forward to building relationships with students, staff, families, and the community!

*Thank you,
Matt Harris*

**TONYA
LATHROP**

Hello TBAFCS & Community,

My Name is Tonya Lathrop. With great pleasure I have accepted the position as the new Living Environment science teacher at the high school. I have been teaching science for over 6 years at Allegany-Limestone. I live locally in Delevan, NY with my husband and 2 younger children. I have attended William Woods University in Missouri for equestrian science; I hold an undergraduate biological science degree from Alfred University, and I also have my master's degree in differentiated instruction with a special education and gifted extension from St. Bonaventure University. I enjoy the outdoors and spending time with my family on our own little hobby farm. My interests include equestrian riding, side-by-side riding, hunting, hiking, breeding boxers, and of course teaching science to young minds!!!! I am excited to start my new journey at TBAFCS and happy to call this place my new home.

~Tonya Lathrop

WEATHER RELATED SCHOOL CLOSING INFORMATION

WKBW-TV (CH 7) • WGRZ-TV (CH 2) • WIVB-TV (CH 4)
WBEN (AM 930) • WPIG (FM 95.7)

All emergency or weather related school closing information will also be sent through our Blackboard Communications System. Please make certain all of your contact information (including phone numbers, email, emergency contacts, etc.) are up to date and accurate with the school offices.

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

PROUD TO BE A PANTHER

If ever there was a reason to be proud to be a panther it is now! Our TBA community is handling the first days of school and obstacles presented by COVID 19 head on. Teachers and staff have been working to give our students the safest, and best education that we can. The 6th grade went on a field trip to Cash Park to learn and enjoy the day. 7th and 8th grade students have learned about science by going on a scavenger hunt through our town. I had a chance to play badminton with some students and witness the safety protocols and especially the fun. Physics students have worked with local law enforcement to engage in hands on learning while calculating velocity. This made me think of the Earth Science Water Velocity Table. It made me think about how, as the water gains more speed, it is able to move bigger rocks. From clay, to silt, to sand, to pebbles, cobblestones, and even boulders the higher the velocity the bigger the obstacle it is able to move. We are gaining velocity, we are carrying on, and we are moving obstacles together.

DEVELOPING G.R.I.T.

Every day at TBA we get stronger. Every day here at TBA we get better. And every day here at TBA we gain momentum. We are handling the social distancing, we are handling the implementation of new technology, and we are handling all of this together. We have been developing our G.R.I.T. as we continue to overcome all obstacles together. Our great mindset has helped students, parents, and teachers learn to use new technology. Tech support has been added. We are developing a student help desk run by students and teachers. We have demonstrated resiliency and found a way to make band and chorus happen and perform by spreading out in our awesome auditorium. We are finding a way to have school plays and athletics. We need to continue to have intentness and to be mindful in our steps knowing when to mask up, sanitize, and staying to the right when we walk. We need to continue to be true to our vision in becoming 21st century learners, and to hold on to our values of a community approach to education.

Thank you for entrusting us with the privilege to continue to work with your children. Let's continue to gain momentum together.

BUY YOUR 2021 YEARBOOK! TEN BROECK TRAILS NOW ON SALE!

The 2021 edition of our yearbook, Ten Broeck Trails, is now on sale. If you would like to reserve a copy, there are several easy ways to do so. Just fill out the order form that was sent home with your student and either mail it or send it in with your student to Mr. Wangelin in the high school. You can also go online to: jostensyearbooks.com, and order there. The cost of the book is \$50 (\$54 with tax) if you order by **December 18th**, after this date you can still reserve a copy for \$55 (\$59.40 with tax) until they run out. The beginning sale price of \$45 that ran through October 9th is set by us, however Jostens controls the pricing campaigns from there. Jostens offers several additional add-ons to upgrade your purchase for an additional cost, just check your order form or the website for choices. Payments to the school can be either cash or check, please make checks payable to: **Yearbook 2021**. You can also pay in installments by reserving a copy with Mr. Wangelin for \$20, with the remainder due when the books arrive in May. Don't miss out on the memories, reserve your copy today!

BUY YOUR 2021 YEARBOOK!

JURASSIC FARM!

A wish was granted to a very deserving Franklinville student. Dustin Keech is an 8th grade student who has a passion for animals. Those who are blessed to know Dustin, have likely heard all about his animals. Dustin works hard to take care of his dogs, ducks, rabbits, chickens, and goats at his house. He has longed for a fenced in yard and a barn to help provide the proper care to all of his animals. On Saturday September 19, Dustin's wish came true thanks to The Make-A-Wish Foundation. Dustin was gifted with a barn, a fenced in yard, and he even got to pick out two new female goats to join his family. Dustin happily named his new farm Dustin's Jurassic Farm to combine his love for animals with his love for dinosaurs. Due to his diagnosis of Dravet Syndrome, Dustin had faced a life with many health struggles including seizures. Dustin has found comfort and happiness when he is among animals. Dustin and his family are so thankful for the Make-A-Wish Foundation for bringing Dustin's dream to life.

FROM THE GUIDANCE OFFICE...

By The Counseling Center

HAPPY FALL!

It has been great working with the students in person. We are very excited to have everyone back in the building even though there are a lot of changes to make sure everyone is safe as we work to continue to keep the corona virus out of our area. This past school year was nothing like we've ever encountered before. We are so proud of all the hard work each of you and your families put in with learning from home. Our School Community has shown a great deal of perseverance! We are grateful to be a part of Franklinville Central School District. We will continue to be challenged to adapt to new procedures in order to keep everyone safe and healthy. There is no doubt in our minds that we will all rise up to meet that challenge and have a successful 20-21 school year.

SCHOLARSHIPS:

In order to find the **scholarships page**, go to our main website and you can find the **"Guidance and Counseling"** under both the **"Ten Broeck Academy"** or **"Pupil Services and Instruction."** On the left hand side of the Guidance & Counseling page you will find **"Post-Secondary Scholarships."** All students **grades 3-11** should check this site out monthly to see what scholarships are available to you (there are 7-8 scholarships available to those students grades 3-11 each year). **SENIORS:** You should be checking this page **DAILY!** **You cannot win a scholarship if you do not apply.**

COMMUNITY SERVICE:

Any students needing community service hours should check with Ms. Rhoades or Mr. Harris for ideas. I know it has been a little tough lately but it's important you start this as soon as possible.

ELEMENTARY NEWS:

We are so proud of our Elementary Panthers for being such good eggs during the start of this new school year. It is so refreshing to see students in the halls and classrooms of Franklinville Elementary again! Even better that they are excited to be here, ready to learn, and doing a great job following all the new safety guidelines.

We have started a new character education program, and this year, it is based on the book "The Good Egg" by Jory John and Pete Oswald. Each month we are focusing on a new character trait. Every classroom will select a student who has done an outstanding job demonstrating the highlighted character trait and those students will receive special recognition.

Jen Layton (School Counselor) has been working to revamp the Elementary Guidance and Counseling section of the school's webpage. Please check it out for access to Guidance and Counseling Department information and resources.

Best health and happy wishes to all of our Panther families! Here at Franklinville Elementary we continue to encourage our school community to be respectful, responsible and safe.

MIDDLE SCHOOL NEWS:

The new 6th & 7th grade students have done an excellent job transitioning to the Jr/Sr High School building. They are finding their way and exceeding our expectations, especially as they were not given the opportunity to have a formal orientation. Ms. Rhoades has been meeting 1:1 with each of the students to start developing a rapport with them. All the students in the building have been doing a fantastic job in finding all the new classes and dealing with all the continued construction and Covid-19 changes.

Please remember that attendance and completing homework is the key to succeeding in both Jr & Sr High School.

RACHEL'S CHALLENGE:

Once again Rachel's Challenge is sponsoring their annual Hat & Mitten Tree. Beginning November 2nd, we will have a Christmas Tree up in the Elementary Foyer and in the Jr/Sr High School Cafeteria for you to hang some new hats &/or mittens. These items will be donated to Christmas Spirit and other local charities. Please help us fill our trees again this year. Rachel's Challenge continues to meet and work on making our school and community an even better place to be. They also wrote Christmas Cards to each

of the residents in the Pines to try to spread a little Christmas Cheer. Red Ribbon Week back in October was also sponsored by this wonderful group of students. Rachel's Challenge meets every Friday during homeroom in Ms. Rhoades' office on the 3rd floor but all students, grades 6-12 are welcome.

JUNIORS AND SENIORS:

During the first couple of weeks of school, Mr. Sylvester and/or Mr. Harris met with you in small groups to go over an additional packet of information filled with materials regarding deadlines, tests, requirements, scholarships, financial aid, and other important things. There were a few additional pages you must have signed and brought back in. Parents please ask your child about these important packets. **DO NOT MISS DEADLINES!** Listen to the announcements especially about free college classes and other important items.

Junior Requirements: Juniors will need to turn in a records release form and a resume. Your counselor will meet with you to discuss this but resumes must be turned in by the first week in January in order to be considered for junior awards/scholarships. The PSAT was offered in October and the results are expected back in December.

Seniors: Have you registered to take the SAT or ACT yet? I know everyone is a little behind due to all the cancellations of tests last spring and summer but all registrations are now open. Hopefully by now you have established your College Board account and started the application for scholarship opportunities. **If you bring Mrs. Irwin a copy of your username and password after you register we will keep it in your file so if you forget it we can help you with it.** Again, fee waivers are available for those who qualify, just ask Mr. Harris. Remember that you can use the free Kahn Academy to prepare for the SAT.

Senior Requirements: In addition to the records release and resume, you are required to turn in two letters of recommendation. Please get them in as soon as possible. Senior proficiency sheets will be handed out in late May. Just remember your resume is one of them so make sure we have an updated copy right away. All seniors should fill out the FAFSA which opened in October, regardless of income or current college plans. **Please make sure to bring in a copy of each college acceptance letter and any scholarship you are awarded throughout the year.**

DATES TO REMEMBER:

(Please remember all activities are subject to change due to COVID-19)

- **12/10/20:** 10th Grade to BOCES; All Sophomores will visit the Ellicottville CTE Center for career exploration
- **1/26-29/21:** Regents Exams
- **3/9/21:** 8th Grade to BOCES; All 8th graders will visit the Ellicottville CTE Center for career exploration
- **3/16/21:** ASVAB; All Sophomores will take the ASVAB
- **6/1/21:** US History Regents (new)
- **6/16-25/21:** Regents exams
- **6/24/21:** Baccalaureate
- **6/25/21:** Graduation

ACT test dates for 2020-21:

(register at www.actstudent.org)

- Dec. 12, 2020 • Feb. 6, 2021
- April 14, 2021 • June 12, 2021

SAT test dates for 2020-2021:

(register at www.collegeboard.com)

- Nov. 7, 2020 • Dec. 5, 2020
- Mar. 13, 2021 • May 8, 2021
- June 5, 2021

As always, if you have any comments, questions, and/or concerns, please feel free to contact our office at **676-8013**! This is the number for our main Guidance Office.

KATHY JOWSEY SPIRIT SCHOLARSHIP

Kathy Jowsey was a beloved figure in Franklinville. In high school, she could be found in the stands at every game, cheering loudly. Car horns could often be heard around her house as passersby always wanted to greet their loved friend. Later in life, she could always be found around town, often recognized from afar by her distinct, jovial laugh.

The Kathy Jowsey Spirit Scholarship Fund, recently established at the Cattaraugus Region Community Foundation, will support Franklinville graduates that embody the school spirit and love of place that Jowsey sported all her life.

Jowsey, who graduated from Franklinville Central School/Ten Broeck Academy, worked at Motorola Inc. in Arcade for nearly 40 years, but she never wanted to move from her home in Franklinville and the community she loved, said lifelong friend Sue Maffei of Franklinville. "When she was at Motorola, she always got there early. She worked overtime. She always worked so hard," said Maffei. "When Motorola moved, she wouldn't move because she didn't want to leave Franklinville. So she went to work for Merit Tool in Ellicottville for lesser pay, and she was probably 59, but she did it because her work ethic was amazing." When she retired, Jowsey, always the good neighbor, helped transport people to doctor's appointments in Olean and Buffalo.

In honor of that hard-working spirit, the scholarship is intended to support a student who may not have the most outstanding grades, but has worked hard to achieve their level of academic success. Maffei said she hopes the scholarship will be part of the support system for students that Jowsey lacked during her time in school. "She was very proud of what she became. She worked hard for everything she had," Maffei said. "But she never went to college, and she could have. She just didn't have the support system to push her there. "I hope this means a lot to the recipient," said Maffei. "That someone cares a lot for the kids who want to go to college that may have a hard time doing so otherwise."

After Jowsey passed away in 2017, Maffei and her husband Alva Lockwood, found that Jowsey had requested a scholarship be established through her estate, with the request written on a piece of paper. Per Jowseys' request, the scholarship will be for graduates of Ten Broeck Academy/Franklinville High School who demonstrate financial need who have worked hard academically and exemplify school spirit through extracurricular activities, sports and/or volunteerism. Preference will be for a student majoring in business, accounting, sports management or journalism.

The scholarship award, which will be made for the first time in 2021, will be a minimum of \$1,000 annually. As for Jowsey's spirit, the class vice president of 1973 is maybe best remembered by her infectious and distinguished laugh. "You always knew when Jowsey was around because she had a laugh that could carry 20 miles," said Maffei. "You could hear her laugh in Olean." Maffei remembered one instance that summarized Jowsey's spirit and her importance to Franklinville.

"She went to California to Disneyland one time with a friend from work," remembered Maffei. "When she was there, she was laughing, and someone was up on a flagpole changing the flag. She happened to be from Franklinville, so she yelled 'Kathy Jowsey, I know you're down there. I hear that laughter!'"

For students that embody Jowsey's spirit and love of place, the Kathy Jowsey Spirit Memorial Scholarship will be a voice encouraging them to work hard, laugh often and love their home for many years to come. Donations can be made to the Kathy Jowsey Spirit Memorial Scholarship Fund at CRCF, 301 North Union St., Suite 203 in Olean, NY 14760 or online at cattfoundation.org

Established in 1994, the Cattaraugus Region Community Foundation is growing good by connecting donors to the causes they care about most in the region. Grants from the foundation support many areas, including education, scholarships, health care, the arts, community development, human service, and youth development. To learn more, call (716) 301-CRCF (2723), email foundation@cattfoundation.org, or visit online at www.cattfoundation.org. CRCF is also on Facebook (facebook.com/cattfoundation) and Twitter (@CattFoundation).

2020 FALL SPORTS SEASON

With the start date of fall sports in NYS pushed back due to Covid 19, most of our fall athletes began their practices on September 1st. This year, we have modified and varsity girls soccer, modified and varsity boys/girls cross country, and we have girls swimming with Olean and Portville. The modified, jv, and varsity football season has been pushed back until March 1st. This included football cheerleading.

During these strange times, our coaches and athletes are being very diligent in maintaining a safe and healthy environment for all involved. The coaches are following safety protocols set forth by the state and the students are doing a great job at working hard to prepare for their opening games and meets, while following all safety rules.

Generally, I would invite the public out to watch our athletes in action. But, due to the pandemic, the state guidelines allow only 2 spectators per athlete. This rule will be strictly followed where each of these spectators will be required to wear their pass and will need to wear a mask whenever they enter or exit the field areas. Once seated or stationary, if socially distanced at 6' or more, the masks may be removed. Upon leaving or moving, or if the 6' distance is breached, the mask will need to be worn again. 6' social distancing seating will be required for all spectators who do not reside in the same household.

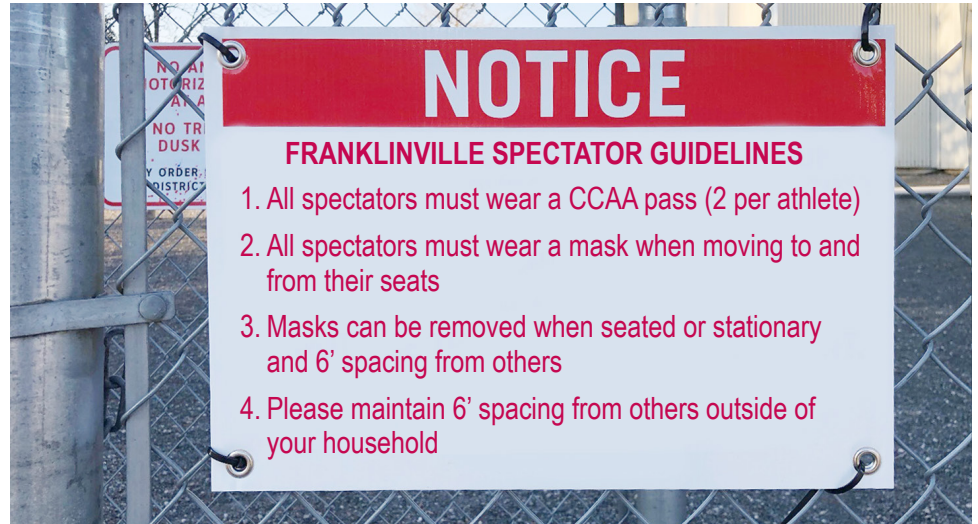

At this time, all modified and varsity soccer games will be played on the football field and the cross country meets will start behind this same field. Spectators can sit in the stands or bring their own chairs to sit around the fencing.

Varsity Cross Country

By: Coach Schunke

As the coach of the boys and girl's cross-country team, I am absolutely thrilled that they have been given the opportunity to compete this season. It is both an honor and a huge responsibility.

I can't say enough good things about our runners and how they have adhered to the new rules and regulations our league and

the state have implemented during this time. I would like to acknowledge the following participants in cross country.

For the boys: Seniors- Hunter Bomberry from Ellicottville, Tavi Riling and John Tinelli from Franklinville. Juniors- Liam Conroy, Cayden Hatch, AJ Shortz, Michael Stewart, Connor Terwilliger, and Wyatt Tinelli. Sophomores- Aidan Murray from Ellicottville and Jesse Riling from Franklinville. Freshman- Noah Shenk and Bryson Riehle.

For the girls: Juniors- Nicole Burton, Tarryn Herman, Margaret McAuley, Riley Moffat, and Emily Ossont. Sophomore- Sarah Weber from Ellicottville. Freshman- Summer Wilkins

We have a lot of returning runners with experience and are looking forward to a very competitive and exciting season.

MODIFIED CROSS COUNTRY

By: Coach Spear

The 2020 Modified Cross Country Teams are excited to be able to practice and compete. While there are a host of precautions the opportunity to run cross country far outweighs the inconveniences. Masks are worn right up to when we run and put on immediately after we run. There will only be two spectators allowed per athlete at any meet. We will have teams running together and then a meet score will be calculated based on the times of each athlete. All of this has been put in place to keep student/athletes safe.

The boys' team has 7 Runners, the exact number we need to compete. Ari Riling is our only returning runner for the boys. New runners for this year are Jackson Hatch, Grant Cornell, Sean Howard, Nick Hillman, Eli Shenk, and Tristen Hennard. This is a really good group of young men.

The girls team has two returning veterans, Anna Hillman and Amelia Freer. The rest of the squad consists of Trinity Herman, Anistasia Stevens, Julia Kellogg, Makenzie Chase, Abigail Chase and Alyssa France. This is also a really good group of runners.

Varsity Girls' Soccer

By: Coach Wangelin

After a summer and early fall filled with doubt and anxiety, the Girls Varsity soccer season is under way. We are playing a short and intense season, but still getting in a schedule that is close to full. We began on October 6th, and played Tuesdays, Thursdays, and Saturdays through October. At the time of this FOCUS, we are in our last week of the season; looking forward to our Sectional Playoff game. The Lady Panthers' schedule consisted of home and home matchups with CCAA East league opponents Catt.-L.V., Ellicottville, Gowanda-P.V., Portville, Randolph, and Salamanca, and non-league foe, Fillmore. We have the unusual situation of already knowing our Section Final opponent, North Collins. The girls are working hard to bring home the first Section Title in their history!

After losing 8 seniors to graduation, the Lady Panthers returned a young team. Returning seniors are Kaylee Brennan, Jordyn Harasta, Nicole Hoeckh, and Kiley Manning. Returning juniors are Emily Bigler, Chezne Rivera, and Mikayla Tatlow. Sarah Courtney and Jaelyn Benjamin-Wilson are first year sophomores. They are joined by freshmen Sofia Bentley, Olivia Frank, Lillie Haggerty, Luci Marchese, and Cara Ossont. The team will be coached by Tim Wangelin, who returns after taking 9 seasons off. He will be assisted by Josh Wilcox as well as Modified

CONTINUED ON NEXT PAGE...

coaches Sydney Cerza and Allan Dunlap. We are hoping to build off the successes of last season to establish a competitive program for the future. While fans were limited during the season, we hope everyone was following and cheering for the team from home!

GIRLS' MODIFIED SOCCER

By: Coach Cerza

The girls on the modified soccer team came out to the first day of practice raring to go! The team has put in consistent work and keep improving every day. The team is lead by Freshman Makayla Aultman, Aubrey Ensell, Gabby Chesebro, Alena Murphy, Olivia Pockey, and Catrina Dibble. The eighth-grade class will be major contributors this season as well. Eighth graders Alyssa Flag, Amanda Griffiths, Chelsey Ramsey, Keagen Wixson, Kadie Haines, Abby Spencer and Ambrosia Leckey have brought a lot of talent to this team so far and continue to improve every day. Newcomers Lainey Dunlap Kaylee Fox, and Peyton Mest have come out with a fearless attitude. They will be major contributors this season. The team's talent,

work ethic, and positive attitudes will take them far this season. The girls kick off the season Thursday October 8 at home against Gowanda/ Pine Valley.

VARSITY GIRLS' SWIMMING

By: Coach Herman

The start of the season has been one that will go in the record books! The varsity girls were able to start being in a pool four weeks ago, and have worked hard to overcome a shorter season and other practice adjustments, due to the pandemic. We are scheduled for ten dual meets this season, and our hopes are to have a CCAA meet and a class meet at the end of the season to prepare for. However, with that being said the girls and I are extremely grateful for our season. The girls are certainly making every practice count. Go varsity girls swim team! We are combined with Olean and Portville schools. Here is our Roster:

Megan Jackson, Anna Slavinski, Lauren Reed, K'lonnie Davis, Tyvetta Herman, Libby Price— Franklinville

Lily Guenther, Jade Lambert, Emma

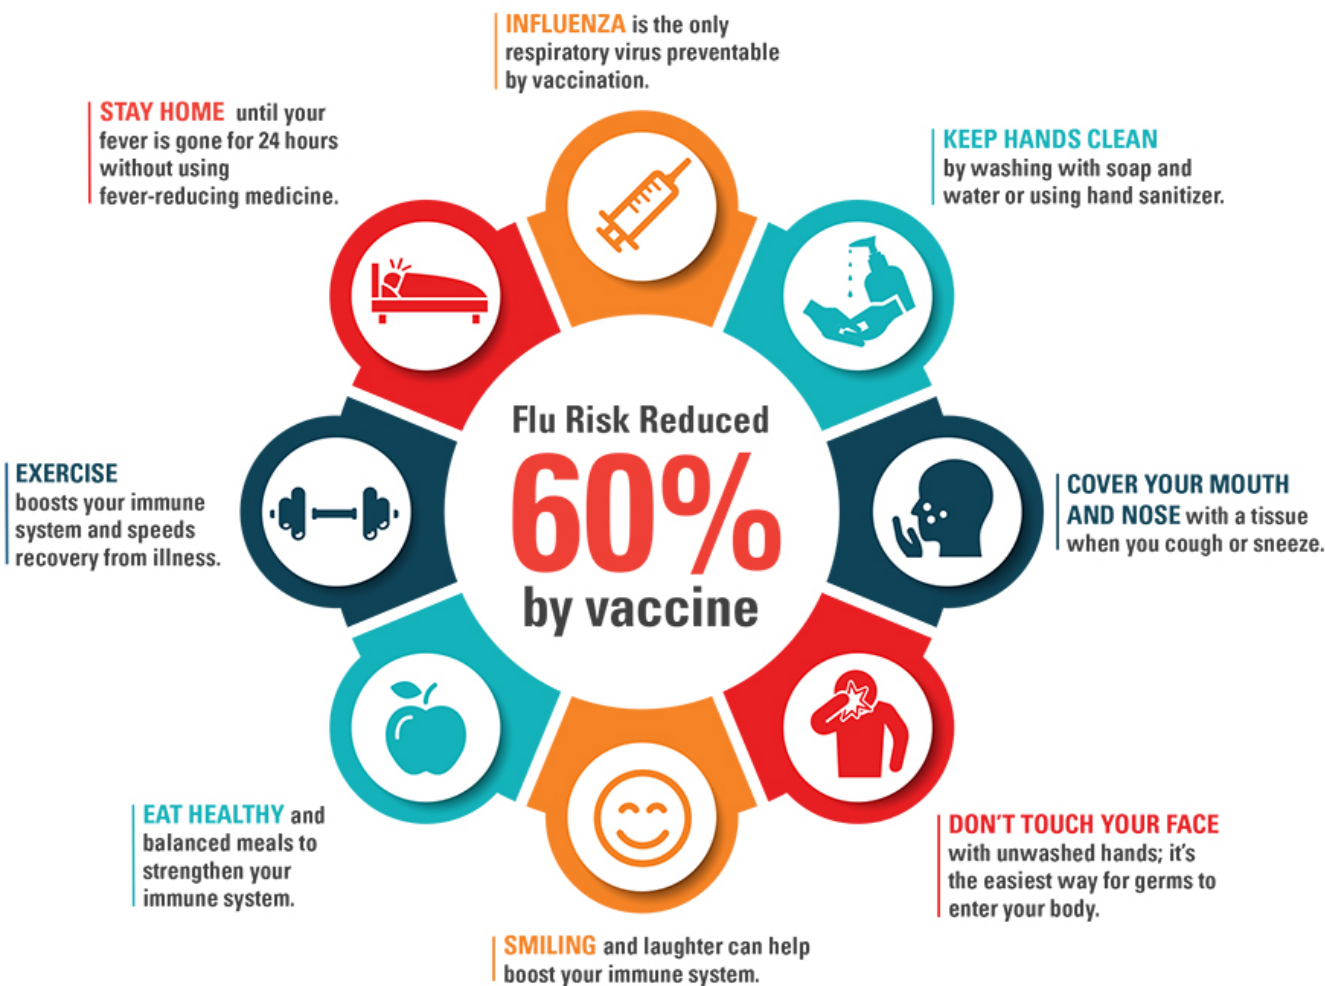

Mikolaczyk, Alexa Steiner, Ashley Doxey, Kaylenn Kessler, Megan Pagent, Makenna O'Connell, Sarah Thomas, Alexis Trietley, Lily Todd, Willow Chase -Olean

Emmalie Ghem, Samantha Morgan, Katrina Degroff—Portville

Pictured above, Left to Right: Anna Slavinski, Libby Price, Megan Jackson, Tyvetta Herman, K'lonnie Davis

Flu Prevention Tips

ELEMENTARY PRINCIPAL'S CORNER

By: Thomas Riddoch, Elementary Principal

OFF TO A GREAT START!

Franklinville families,

We are off to a great start for the new school year. It's hard to believe that September is already behind us and we are on to October. It is great to see the students back in school learning, playing and getting into our new normal. The resiliency of children is nothing short of amazing.

REMOTE WEDNESDAYS

Wednesdays will continue to be remote days for all students. On these remote days, your child's teacher will send home assignments that should be completed and returned on Thursday. Wednesdays are still counted as days of attendance. If your child is struggling with their work please reach out to the classroom teacher.

CAR RIDER PRO

Car Rider Pro is up and working for all pick-up students. When you enter through the Riggs Street entrance, the system automatically reads your tag and alerts your child's teacher that you are here. Students are then sent down in the order of arrival. Please remember to bring your tag with you every day. If you forget your tag it will delay pickup and you will be asked to pull up and wait. If you need a tag please contact the main office.

District staff is not allowed to leave the side walk and assist with the loading or unloading of children from vehicles. When pulling up for pickup, remember to place your car in park, exit your vehicle and load your child safely. These precautions are necessary to ensure the safety of our children and staff.

CONTINUE TO STAY SAFE

Have a great fall everyone. Stay safe and I look forward to seeing you all soon.

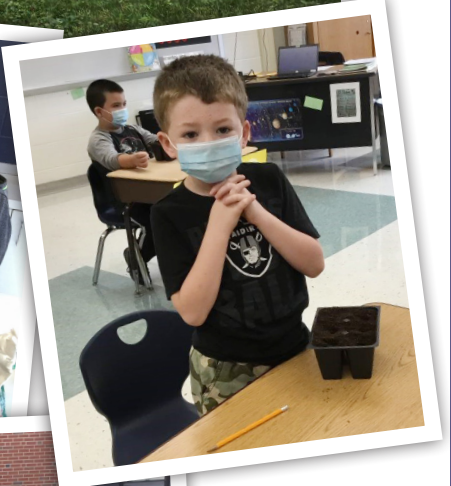

PROJECT HEAD START

Project Head Start classroom still has openings for 3 year olds and 4 year olds. Child must have turned 3 by September 1st. For more information, please contact Aimee Stanbro, Family Support Assistant Franklinville Head Start at 716-474-1807.

PLANTING SEEDS OF KNOWLEDGE

By Mrs. Brisky, School Library Media Specialist, PK-5

Franklinville has been very fortunate to welcome back Mr. Jesse Meeder, our Farm to School Representative. Mr. Meeder has done an awesome job of combining body movement, agriculture education, and hands on activities for all students in grades PK-5 – especially in our new educational environment. During library class, all elementary students have had a chance to learn about seed germination and plant care. We may even be able to eat some of the harvest in a couple of weeks. A little dirt, a little sunshine, and a whole lot of fun!

Fight Flu

at Home and School

Flu, or influenza, spreads easily and can make people very sick, especially kids. You can help stop flu!

Flu symptoms include:

Fever or chills, body aches, cough, sore throat, headache, runny or stuffy nose, feeling very tired. Some people, especially children, may have stomach problems and diarrhea. Unlike a cold, the flu comes on very suddenly.

Prevent flu!

- Flu vaccine is the best protection against the flu. It is recommended every year for everyone 6 months and older.
- Get the flu vaccine for you and your children every year! It helps make flu sickness milder or prevents it all together.
- Getting the vaccine early in the fall means you and your children will be protected when flu season starts.
- Ask people close to your children, like babysitters and relatives, to get the vaccine, too.
- The vaccine is especially important for people with certain health conditions, like asthma, diabetes, heart or lung conditions because the flu can make them even sicker.

If your child gets the flu:

- Your child will need plenty of rest and lots of fluids.
- Keep your child home from school for at least 24 hours after their fever is gone without using fever-control medicine. This helps avoid giving the flu to others.
- Talk with your child's health care provider before giving a child any over-the-counter medicine.
- Never give your child or teenager aspirin or any medicine that has aspirin in it. Aspirin can cause serious problems.
- If your child gets flu symptoms and is younger than 5 or has a medical condition like asthma, diabetes, or heart or lung disease, call their health care provider. Young children and those with certain medical conditions are at greater risk for getting seriously ill from the flu. Ask their health care provider if they recommend an antiviral drug.
- If you are worried about your child, call their health care provider.

Don't spread flu!

- Wash hands often with soap and water for at least 20 seconds.
- If soap and water aren't handy, use an alcohol-based hand rub.
- Cough or sneeze into a tissue or your elbow, not your hands. Put used tissues in the trash.
- Avoid touching your eyes, nose, and mouth. That's how germs spread.
- Stay away from people who are sick.

CONGRATULATIONS JORDYN!

Each week throughout the school year the Cattaraugus County Youth Bureau selects a senior to win the Cattaraugus County Youth Citizenship Award from each of the school districts in the county. The award is given to a senior who demonstrates great leadership and service to their community

and school. Jordyn Harasta was chosen for the first week in October for her dedication to her community and school. Some of Jordyn's activities include Catt. County Youth Court, HOBY, BSA, Live Nations, Salvation Army, Red Cross, Maplefest, Rachel's Challenge, Student Council, Skills USA, Band, Jazz Band, EMSC Soccer, Varsity Soccer, Varsity Track, Varsity Indoor Track, & Competitive Cheer. Congratulations Jordyn for being Panther Proud!

Happy Birthday Johnny Appleseed!
