

FRANKLINVILLE CENTRAL SCHOOL

January/February 2021

FROM THE DESK OF THE SUPERINTENDENT...*By: Christopher Swiatek, Superintendent*

Happy Holidays to all families in the FCSD family. As I write this article we have just celebrated the completion of the first marking period and moving into the second. For the most part our Hybrid plan has sustained the pressures of the Covid pandemic and I look forward to many more weeks of successful in-person instruction. There are a few updates that are unique to this year that we have not faced in the past. The first is the timeless tradition of “Snow Days”! This school year the District will not identify lost days of instruction to weather. Rather we will simply call a “remote day” and students and staff will be prepared to instruct and complete their work from home. The Covid pandemic has sharpened our ability to reach our students remotely through the use of Microsoft Teams and OneNote. Depending on the severity of the weather, staff may be asked to stay home or work remotely as well. An example of staff coming in would be for a “cold day”. Staff would report as normal but students would not. An example of when both staff and students would be remote is a traditional snow, ice, weather related event when transportation to work is simply not safe for anyone. I hope for a mild winter so our levels of instruction are not impacted.

CONSTRUCTION UPDATE

I wanted to say thank you to the community for the patience you have all shown with our Capitol Project. As many of you are aware the shift in drop off and pick up from the Southside entrance to the front went without a hitch and we were able to keep the system going along with providing the time and space for ongoing progress with the capitol project. By the New Year we are looking forward to shifting our PreK teams to the new wing along with being very close to opening our new elementary cafeteria.

SECOND HALF OF THE YEAR

On February 1st, the District is looking to shift to a full five day in person instructional week assuming that all current trends are moving forward safely. In November and December we will continue to monitor the impact of the Covid virus on the District and make the safest possible decision at the time of the shift.

Until then, I personally would like to wish you and yours the happiest of Holiday Seasons through this difficult time and a New Year that we can all look forward to.

*Happy Holidays!***FOLLOW US ON TWITTER****@tbafcs** and **@Franklinville2** and Instagram: **Franklinville_Elementary**Please use the hashtag **#proudTBAPanther** when highlighting the awesome things happening in our community.

T.B.A. VISION AWARDS ★ ★ ★ ★ ★ ★ ★ ★

Here at Ten Broeck Academy we are preparing our students today for the world tomorrow. In aligning with our mission, we are pleased to announce that several middle and high school students have been nominated by their teachers to receive Vision Awards. These Vision Awards are given in five different categories; Pride in Themselves, Perseverance, Engagement in Community, Knowledge, and Strength of Character, and recognize students for putting their best selves forward.

STRENGTH OF CHARACTER

**BRENDEN
MACWILLIAMS**

Brenden comes to school daily with a positive attitude. His love for learning is infectious. When given a writing assignment in class he rallied his classmates to use their keyboards to practice their keyboarding skills they are learning in technology instead of “pecking the keys”. His enthusiasm rubbed off, and the writing assignment became even more fun as they began working. He is a great role model. ~Mrs. Knuth

**OLIVIA
FRANK**

Olivia earned her Silver Award in Girl Scouts this past summer, which is the highest award she could’ve earned at her level. She has made great achievements in and out of school. She is a natural leader in and out of classroom and strives to do her best no matter what obstacles might be in her way. Keep being you Olivia! ~Mrs. Jordan

PERSEVERANCE

**LUCAS
HASKINS**

Lucas became a new student to our school a few weeks in. I think that his ability to persevere through tech issues, learning our methods/expectations, and making friends in a short time shows his awesome personality and willingness to commit to new things and situations. ~Mrs. Brennan

**CAYLEIGH
AINSWORTH**

Cayleigh chooses to challenge herself in Geometry knowing that she may not get it right the first time, but that she will learn from her mistakes. While everyone else in the class was rolling their eyes at Mr. Taylor constructing a triangle without starting with a horizontal line, Cayleigh took the harder path, stating, “If I can’t figure this out, then I’ll know I don’t understand it yet.” ~Mr. Taylor

KNOWLEDGE

**ZOEY
KENT**

Zoey always raises her hand to answer questions. She often adds her own knowledge and/or experiences to help activate student learning. ~Ms. Goodrich

**KAYLENE
WARDNER**

Kaylene got a 97% on her Unit 5 test and has a 99% overall average for Algebra. She works hard and shows a great understanding of the material. ~Mr. Jordan

ENGAGEMENT IN THEIR COMMUNITY

**ANASTASIA
STEVENS**

Ana is a very active member of her community. She has served dinner to veterans and first responders, she has decorated Miner’s Cabin for various holidays, and she has taken part in cleaning up the village streets and cemetery. The Franklinville community is better because of Ana. ~Mrs. Jordan

**MIKAYLA
TATLOW**

Mikayla did an outstanding job helping and being involved with the virtual tours on Pawse Live. She worked hard, made herself available, and enjoyed the experience. ~Mrs. Brennan

PRIDE IN THEMSELVES

**BRADY
TATLOW**

Brady’s organizational skills as well as his readiness for school and his interest in learning have been sensational to start the school year :) ~Mr. Haskell

**ISSAC
GOSS**

Even with the difficulties of remote learning in the spring, Issac was able to overcome obstacles with technology and time management to complete assignments. He regularly attended zoom sessions with his teachers to assist with his learning. ~Mrs. Spencer and Ms. Pawlowski

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

PROUD TO BE A PANTHER

At the time that I am writing this we have just completed our first full week of school. Five full days of 100% of our students learning achieving and striving for excellence. Eleven weeks of school uninterrupted. T.B.A. all the way!!!

We are learning and we are growing, every day we get better and find a way to keep going. The Music Department, along with stage craft have found a way to produce a Holiday Concert. Student Council and Broadcasting have found ways to continue to foster school spirit in our school. We have after school study hall and support for students on our independent Wednesdays supervised by our teachers and support staff. We have concluded fall sports, celebrated new inductees into National Honor Society, and completed spirit month.

We will continue to develop our G.R.I.T. (Great Mindset Resiliency Intention True to our Vision) as we continue to overcome all obstacles together. We know the more we do hard things, the easier hard things become. Continue to stay connected with us by checking in on your student's progress on Parent Portal. Have your student(s) stay up to date

on their progress on Student Portal. I do not know what 2021 will bring, but I am confident that we will endure it together. Thank you for trusting us with your children and supporting us.

POPPY PROJECT

By: Kelsie Dinkins

We would like to thank our juniors and seniors for helping put together Poppy's for our Veterans. The time they spent putting together the Poppy's, is time that counts towards their community service hours which are needed to graduate. Usually these are put together by disabled Veterans but, due to Covid-19, they are unable to put them together this year. The Poppy's are put together to help collect donations and all proceeds benefit the Veterans of Foreign Wars Veterans assistance programs.

TEN BROECK TRAILS NOW ON SALE!

The 2021 edition of our yearbook, Ten Broeck Trails, is now on sale. If you would like to reserve a copy, there are several easy ways to do so. Just fill out the order form that was sent home with your student and either mail it or send it in with your student to Mr. Wangelin in the high school. You can also go online to: jostensyearbooks.com, and order there. The cost of the book is \$50 (\$54 with tax) if you order by **December 18th**, after this date you can still reserve a copy for \$55 (\$59.40 with tax) until they run out. The beginning sale price of \$45 that ran through October 9th is set by us, however Jostens controls the pricing campaigns from there. Jostens offers several additional add-ons to upgrade your purchase for an additional cost, just check your order form or the website for choices. Payments to the school can be either cash or check, please make checks payable to: **Yearbook 2021**. You can also pay in installments by reserving a copy with Mr. Wangelin for \$20, with the remainder due when the books arrive in May. Don't miss out on the memories, reserve your copy today!

BUY YOUR 2021 YEARBOOK!

SPORTS

WINTER SPORTS UPDATE

By: Mr. Blecha, Athletic Director

The fall sports season, though different than past years, has come to a conclusion. Due to the Covid pandemic, we were only able to play girls modified and varsity soccer, girls' varsity swimming, and modified and varsity cross country this fall. Football and football cheer is scheduled to start March 1st. Our league, the CCAA, had strict mandates for all athletes and the parents that were allowed to watch the events. The limit was 2 spectators per athlete and masks were required until seated. Our student athletes and their parents did a magnificent job of sticking to the rules and following all safety protocols. Thank you parents. We will wrap up the fall season with a virtual awards reception that will be available for viewing on our school website in the next few weeks.

As we move into the winter season, the state has not yet approved the start of girls and boys basketball, wrestling, nor winter cheerleading. We are hoping that a start date will be coming soon, as we are all in a holding pattern. Approved to start on November 30th is boys' varsity swimming and boys and girls indoor track and field. Athletes for these sports will be starting and following very strict safety protocols like we did in the fall. The swim team is combined with Olean High School and the indoor track team is combined with Allegany Limestone. Hopefully, these sports go off without a hitch and the remaining winter sports can begin their seasons as well. All winter athlete parents are encouraged to register their child on FamilyID.com or our school website. Stay Safe.

GIRLS' VARSITY SOCCER

By: Coach Wangelin

The girls Varsity soccer team was able to complete a full season this fall- an accomplishment we should all be thankful for and proud of! The girls worked

CONTINUED ON NEXT PAGE...

SPORTS continued...

extremely hard to get used to new coaches and a new system in a pre-season that was shortened considerably. We were a young team, with few substitutes. We often started as many as 5 freshmen in a game, never had more than 1 substitute, and twice finished games with only 10 players (one short). Crazily, we won both of those games! The team finished its' regular season with a 3-9-1 record and then lost a non-league game against North Collins that in a normal year, would have been a sectional game. Victories came against Catt- Little Valley and Pine Valley (twice), along with a tie against Catt-LV.

Our leading scorers for the year were Emily Bigler (5 goals) and Kaylee Brennan (3 goals). Sarah Courtney was our main goalkeeper, earning 2 victories and a tie. The team also received strong play from center back Jordyn Harasta, outside backs Mikayla Tatlow, Chezneva Rivera, and Cara Ossont. Outside back Nicole Hoeckh was a strong season cut short by injuries. Mid-fielders Sophia Bentley, Olivia Frank, and Lillie

Haggerty showed tremendous growth as did mid-fielder Luci Marchese and forward Jaelyn Benjamin-Wilson. All-star honors went to: Kaylee Brennan- 1st team, Jordyn Harasta- 2nd team, and Emily Bigler- Honorable Mention. We thank our girls for their willingness to play this season and their outstanding effort to constantly improve and grow.

CROSS COUNTRY

By: Coach Schunke

The girls had a strong XC season. Despite injuries to Nicole Burton and Emily Ossont, who were greatly missed, we were able to field a full team. Tarryn Herman, Margaret McAuley, Riley Moffat, Sarah Weber (Ellicottville) and Summer Wilkins kept running hard and improved their times significantly throughout the season. Tarryn finished in the top 15 at sectionals this year.

- MVP-Tarryn Herman
- Unsung Hero-Margaret McAuley
- Most Improved- Riley Moffat
- Rookie of the Year- Summer Wilkins

The boys also had a strong season. I had 13 boys come out for cross country, which was awesome for the program. Senior Tavi Riling lead the way with a 6th place finish at

sectionals followed by Cayden Hatch in 7th place and Michael Stewart in a top 20 finish. Strong performances were also had by senior John Tinelli, senior Hunter Bomberly (Ellicottville), AJ Shortz and Connor Terwilliger. Rounding up the line-up for the boys were Liam Conroy, Wyatt Tinelli, Aidan Murray (Ellicottville), Jesse Riling, Noah Shenk and Bryson Riehle.

- MVP- Tavi Riling
- Unsung Hero- John Tinelli
- Most Improved- Aidan Murray (Ellicottville)
- Rookie of the Year- Noah Shenk

This year was challenging, to say the least. I want to give special thanks to volunteer coaches Scott Shenk and Bill Weigel who helped with practices and setting up the course for the numerous meets we had at home this season. I would like to thank Nancy Weigel for keeping the scorebook. Finally, I would like to thank the athletes, their parents and the spectators for their patience, understanding, and flexibility with the numerous meet and rule changes we had due to Covid concerns. It was greatly appreciated. Congratulations to all on a job well done.

FROM THE GUIDANCE OFFICE...

By The Counseling Center

We hope everyone had a wonderful holiday season and are ready to come back to school in full force. Hopefully 2021 will be a much better year for everyone as we attempt to get back to some normalcy. As things around us continue to change, we need to continue to be flexible. Flexibility is a wonderful skill to possess and will help us in school, work and in life in general. Keep positive thinking and go after your goals no matter what life throws at you!

COMMUNITY SERVICE:

Any students needing community service hours should check with Ms. Rhoades or Mr. Harris for ideas. I know it has been a little tough lately but it's important you start this as soon as possible.

REMOTE LEARNING:

We understand that the remote learning days are difficult for many students so here are some tips to help you be more successful:

1. **Get up, get dressed and eat your breakfast** just like it is a regular school day.

2. **Choose a quiet place** to do your homework/remote work.

3. **Follow your daily school schedule** period by period so you don't forget to work on a subject.

4. **Help is available during normal school hours.** Emails your teacher, message your teacher on teams, call the school or come in! We offer help to any student in person from 8 AM to 12:30 PM and can even help with transportation. Just call your school counselor to set this up!

up and dressed, eat a good breakfast and find a quiet place to focus on schoolwork.

Mrs. Layton has created Guidance/Counseling TEAMS for each elementary grade level. This has started to be used to make contact with students during remote learning, will be used to push out social/emotional lessons and to connect students to the Too Good for Drugs program provided to us by CARES each year.

Keep up the good work all you Good Eggs! You are all rock stars!

ELEMENTARY NEWS:

We continue to promote and learn about new traits each month. September was Respect, October was Responsibility, November was Gratitude and December is Kindness. We are so proud of our students for demonstrating these traits over the first few months of school. Our students, families, faculty, staff and admin are proving to be resilient and driven toward success as we tackle new challenges this school year. As stated above, during remote learning, routines are best. Get up and treat remote school days like any other school day. Try your best to be well rested,

MIDDLE SCHOOL NEWS:

Ms. Rhoades has met individually with each student in grades 6, 7 & 8 to discuss their scheduling needs as well as other academic needs. There have also been several small group meetings to continue building career and college readiness skills. Ms. Rhoades will be working with Mrs. Layton to meet with all the 5th grade students to discuss their scheduling needs for when they transition to the Middle/Senior High School next year. This year we are hoping to be able to do our more formal orientation to the TBA side of the street. More on that will follow in later issues of the FOCUS as well as be sent

FROM THE GUIDANCE OFFICE CONTINUED...

home to families of the current 5th graders. Remember we now have an after school study hall on Mondays, Tuesdays & Thursdays from 2:25-3:25 for any student wanting a quiet place to do their homework or anyone needing any help.

HIGH SCHOOL NEWS:

Mr. Harris met with the Senior class to review their year and post-graduation plans and is currently meeting with the Junior class to plan their schedule for next year. He will be meeting with the Sophomore class in December, and in coordination with CA BOCES, will be delivering a Career Technical Education (CTE) exploration program. On November 6th, students had the opportunity to attend Penn State Behrend's Women in Engineering event. Female Engineers from various fields shared what they do, how they got there, and offered advice to high school students interested in entering the field. TBA Junior, Mia Pavone, enjoyed the event. She said, "it was very informative and really showed how many possibilities there are when you have an engineering degree. It was amazing to see all the women in engineering that have such important and versatile careers." Another Junior who wished to remain anonymous said, "The Women in Engineering event was very interesting and informative. I liked that I was able to get a good view on the different types of engineering and the different types of jobs you can have under one name of engineering. You could be a mechanical engineer or a bio-medical engineer and have a completely different skill set from others."

Attention Seniors: This is just a reminder that if you are planning on going to college next year, please apply as soon as possible. You will also need to apply for financial aid. Please see Mr. Harris for more information. Lastly, please turn in a copy of your Resume, Records Release and Recommendation Letters as soon as possible. These must be submitted in order to graduate.

Attention Juniors: I encourage all Juniors to take either the SAT or the ACT this year. Fee waivers are available for those that are eligible. Please see Mr. Harris for registration information.

RACHEL'S CHALLENGE:

Once again Rachel's Challenge sponsored their annual Hat & Mitten Tree. Throughout the month of November they had a Christmas tree set up in the Elementary foyer and in the Middle/High School

cafeteria for students to donate new hats and mittens. Thank you to all the families that participated and made their trees a huge success. The items were all donated to Christmas Spirit and to Catholic Charities. They also made Christmas cards for all the residents at the Pines in Machias to spread a little holiday cheer. Rachel's Challenge continues to meet and work on making our school and community an even better place to be. Currently they are working on plans for the annual Seniors vs. Staff Volleyball game which is generally held in March. Rachel's Challenge meets every Friday during homeroom in Ms. Rhoades' office on the 3rd floor but all student's grades 6-12 are welcome.

VFW CONTESTS:

Every year the school works with the local VFW to have students participate in their annual Patriot's Pen and Voice of Democracy Contests. **The Patriot's Pen Contest** is for students grades 6-8 where they write an essay on Patriotism. This year TBA submitted 31 essays. A big shout out to all those who participated this year: Maria Jordan, Peyton Mest, Carlie Aultman,,Madison Borden, Taylor Chase, Lyrec Cole, Zoey Dewitt, Zoe Enderby, Aeden Forward, Carina Frank, Reiley Freer, Maxx Goss, Baylee Green, Rowen Haines, Lucas Haskins, Danica Hopkins, Maverick Jennings, Gunner Jochen, Addisyn Killingbeck, Wyatt Lawrence, Achilles Leckey, Sarah Lewis, Johnson Li, Amelia Lopez, Brenden MacWilliams, James McAuley, Derek Ossont, Lillian Owens, Jazlynn Parks, Alayna Spittler, and Brady Tatlow.

1st Place: Maverick Jennings

2nd Place: Carina Frank

3rd Place: Maria Jordan

A big thank you to Mrs. Knuth for helping me with the submissions this year!

A big shout out to the winners of the **VFW Voice of Democracy Contest:**

1st place: Mia Pavone

2nd place: Margaret McAuley

3rd place: Emily Ossont

Other participants were: Rilyn Briggs, Olivia Payne, Nicole Burton, Alexandria Dick, Blake Frank, Tarryn Herman, Riley Moffat, Delaney Pfeiffer, Haley Reynolds, Cheznea Rivera, Mason Schuyler and Wyatt Tinelli

First place winners will advance to the Cattaraugus-Allegany County Council competition.

DATES TO REMEMBER:

(Please remember all activities are subject to change due to COVID-19)

- ***All January 2021 Regents exams are cancelled***
- **3/9/21: 8th Grade to BOCES; All 8th graders will visit the Ellicottville CTE Center for career exploration**
- **3/16/21: ASVAB; All Sophomores will take the ASVAB**
- **6/1/21: US History Regents (new)**
- **6/16-25/21: Regents exams**
- **6/24/21: Baccalaureate**
- **6/25/21: Graduation**

ACT test dates for 2020-21:

(register at www.actstudent.org)

- Feb. 6, 2021 • April 14, 2021
- June 12, 2021

SAT test dates for 2020-2021:

(register at www.collegeboard.com)

- Mar. 13, 2021 • May 8, 2021
- June 5, 2021

As always, if you have any comments, questions, and/or concerns, please feel free to contact our office at **676-8013**! This is the number for our main Guidance Office.

Jen Layton676-8023
School Counselor, Grades PreK-5

Cindi A. Rhoades.....676-8054
School Counselor, Grades 6-9

Mike Harris676-8025
School Counselor, Grades 10-12

GRADUATION AWARDS 2021 • ALL SENIORS ARE ENCOURAGED TO APPLY!

The following awards are available to graduating seniors. Please carefully read the requirements and submit your applications by the due date. ALL awards are subject to change and dependent upon student participation.

For the following awards, students must submit:

- a. Letter of Intent
- b. Resume (in guidance file)
- c. Two letters of recommendation
- d. College acceptance letters

These scholarships are due by APRIL 1, 2021

1. ROBERT KELSEY SCHOLARSHIP AWARD – Interested students who plan to further their education in a medical field. Letter of intent should be addressed to the attention of the Superintendent's Office for committee selection. This is a \$50 award, which is subject to change and is paid at the graduation ceremony. Submit letter of Intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

2. GERTRUDE AND LEWIS DILLE SCHOLARSHIP AWARD - \$500 awarded to a student who will be continuing their education in a career that will benefit children, such as teaching or social sciences. Student must demonstrate financial need. Preference will be given to students that have participated in the school music program. This award is selected by the school committee. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

3. THE HICKER FAMILY SCHOLAR/ATHLETE AWARD – established in 2001 by George Hicker, Class of 1964. Scholarship amounts will vary. Letter of intent should be addressed to Mr. Hicker. Submit your letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

4. ALANSON CROSBY 214 – WOMEN'S RELIEF CORP. AWARD – Interested students who plan to further their education a medical field. Letter of intent should be addressed to the organization. They will make the selection of the winner. This is a \$100 award, may be two (2) awards, which is subject to change and will be paid to you at the graduation ceremony. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

5. FRANKLINVILLE TEACHERS' ASSOCIATION – Amount varies each year; selected by Association. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

6. EARL KOTTWITZ SR. /HUEY KOTTWITZ MEMORIAL AWARD – Letter of intent should be addressed to the Kottwitz Family. They will make the selection of the winner. Your letter must include information about yourself, your hopes and dreams. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

7. WEIGEL FAMILY SCHOLARSHIP AWARD – Letter of intent should be addressed to the Weigel Family. This award will be given to a student who demonstrates academic achievement, extracurricular and sports involvement, and has been accepted into a place of higher education. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2021.

Cattaraugus County Regional Foundation offers several different scholarship opportunities for Franklinville students. Please go to the following website to review the criteria for these scholarships www.cattfoundation.org – the deadline for these awards is April 1, 2021. A list of scholarships with the criteria is also available in the Guidance Office. The portal opens February 1st. Here is a sample of some of the scholarships offered to Franklinville students only: There are plenty more listed on the website as well.

1. WALTER F. AND JULIA A. DZIEKONSKI SCHOLARSHIP
2. JOSEPHINE S. PEPPER MEMORIAL AGRICULTURE SCHOLARSHIP
3. WILLIAM H. SCHWIER MEMORIAL SCHOLARSHIP
4. JEN DELONG MEMORIAL SCHOLARSHIP

THE FOLLOWING AWARDS MUST BE APPLIED FOR - APPLICATIONS ARE IN THE GUIDANCE OFFICE:

1. FRANKLINVILLE P.T.O. – The amount varies. Deadline is April 30, 2021
2. FRANKLINVILLE VETERANS' OF FOREIGN WAR – Deadline is April 30, 2021
3. IOOB SCHOLARSHIP AWARD(S) – Amount varies – (\$500-\$1,200) – Deadline is April 30, 2021
4. MAPLE FESTIVAL SCHOLARSHIP AWARDS – Deadline is May 17, 2021

THE FOLLOWING AWARDS ARE SELECTED BY A COMMITTEE – STUDENTS NEED NOT APPLY FOR THEM.

AMERICAN LEGION ATHLETIC AND CITIZENSHIP AWARDS
CATTARAUGUS COUNTY BANK
DAVID BURGASSER AWARD
GORDON AIMES MEMORIAL AWARD
LIPPERT GUARDIAN ANGEL FUND
FRANKLINVILLE VETERANS' OF FOREIGN WARS AUXILIARY AWARD
JACQUELINE TYNDA MEMORIAL AWARD
T.B.A. SOCIAL STUDIES DEPARTMENT AWARD
SHANNON BIELA MEMORIAL AWARD
WILLIAM GOSS MEMORIAL AWARD
VIRGINIA WATKINS MEMORIAL AWARDS

The above award amounts vary. Benefactors adjust the amounts up or down, depending on the economy and other financial considerations. Interest rates paid by financial institutions may also necessitate an adjustment in the award amount.

ELEMENTARY PRINCIPAL'S CORNER

CONGRATULATIONS MAKAELYNN!

Each week throughout the school year the Cattaraugus County Youth Bureau selects a senior to win the Cattaraugus County Youth Citizenship Award from each of the school districts in the county. The award

is given to a senior who demonstrates great leadership and service to their community and school.

MaKaelynn Graves was chosen for the first week of November for her dedication to the community and the school. Some of MaKaelynn's activities include Catt County Youth Court, HOBY, Maplefest, Rachel's Challenge, Student Council, Class Government, Band, & Softball. MaKaelynn is the second TBA student this year to receive this award. Congratulations MaKaelynn for being Panther Proud!

2020-21 NATIONAL HONOR SOCIETY AND NATIONAL TECHNICAL HONOR SOCIETY INDUCTEES

On November 10th, six students were inducted into TBA's chapter of the National Honor Society. Kaylee Brennan, McKensie Crooks, Logan Frank, MaKaelynn Graves, Tavi Riling and Katie Rose were all inducted in a small ceremony in the high school auditorium with their families present. Due to the shutdown in March, no new members were inducted in the spring, so the ceremony was run by former NHS advisor Scott Shenk and the current NHS co-advisors Susan Schifley and Amanda Miller. There is a recording of the ceremony available to watch on the school's website, under the Pawse Live's event page.

The BOCES Career & Technical Center at Olean inducted one new member from our TBA family. Jordyn Harasta in the Medical Professions Program has been chosen to be inducted into the National Technical Honor Society for her outstanding performance in and outside of the classroom. National Technical Honor Society members must carry a minimum of 90% in their chosen CTE program and at least an 85% or higher at their home school. Students must also have excellent attendance, a great deal of community service and hold a minimum of two leadership positions. They must also display all the characteristics of the Honor Society. The Olean BOCES Center had the induction ceremony on December 9, 2020 with in person attendance from the students and live streaming for their parents and school administration. Congratulations Jordyn for your hard work and for being Panther Proud!
