

FRANKLINVILLE CENTRAL SCHOOL

March/April 2022

LEARNING TOGETHER: TEAMWORK AT THE LIBRARY

By: Mrs. Brisky, Library Media Specialist

Students are excited to be back in the library this year for our classes. We have been able to work together to learn so much! Whether we are sequencing a story by stacking and balancing cup towers, learning about weather by making a cloud in a jar, programming a robotic bee, or building a snowman out of books, we are learning to communicate, to compromise, and to collaborate.

ParentSquare

FROM THE DESK OF THE SUPERINTENDENT...

We are excited to announce that we will be moving to a new unified communication platform called ParentSquare that will keep you informed and connected on all the fantastic things happening in the district. You will receive important school and grade level information via email or text to your computer or phone through this platform. Also, you can download the Parent Square app that is available free for iOS and Android devices. If you have any trouble activating your account, don't hesitate to contact the district office so we can assist you in getting your ParentSquare account up and running so you don't miss any vital information.

One of the great features of Parent Square is the ability for us to embed videos into district information. This platform will allow us to give district updates through video and the narrative.

*With Franklinville Pride,
Donald Putnam, Superintendent*

SAVE THE DATE!

We will be hosting a **Parent Support Night on March 30th**. This is for Parents of a student with a disability or a parent that has concerns about their child and would like more information. Please spread the word. We will be working with the Parent Network of Western New York as a partner. More information will follow in early March.

WWW.PARENTNETWORKWNY.ORG

CURRICULUM AND INSTRUCTION UPDATE

When teaching reading to our students, we use a variety of supports, resources, and programs in the instruction. Two major programs are the Fountas & Pinnell Literacy Continuum (F&P) in the Elementary School and the Independent Reading Leveled Assessment (IRLA) system in Middle/High School. These systems provide detailed goal-setting processes for the teachers when instructing students, so the students know what they are working towards.

Using either system, we determine 2 different reading levels for a student. They are a student's **Independent Reading Level** and a student's **Instructional Reading Level**.

A student's **Independent Reading Level** is a level in which students can read "on their own" without any assistance or accommodations. Books at this level are used to build a child's confidence in reading and to reinforce the skills. Children should be able to read 99-100% of the words in the books at this level. We hope that students will be able to read 10-15 minutes every day from a book at their independent reading level.

A student's **Instructional Reading Level** is a level in which teachers instruct students during small group reading time (Guided Reading). The teacher analyzes deficits in reading skills (Comprehension, Phonics, Vocabulary Acquisition, Fluency, Phonemic Awareness) and provides instruction to increase the student's ability in those areas of deficit. Students should be able to read most of the words in these books. They should not make more than 3-4 errors on a page. These books are used to teach, work on their reading goals, and challenge students. These books are used to raise a student's Independent Reading Level. Students will need assistance or accommodations when reading this level of books, as it could be frustrating to read on their own.

For students who need some assistance, we have additional programs that are used to supplement our reading programs. The first is called the Souday System and the other is called the Barton Reading Program. These programs are used alongside the F&P and IRLA systems to reteach or train the students in very particular skill deficits they may have in reading. These programs are based on an instructional approach called Orton-Gillingham, which is a direct, explicit, multisensory, and structured way to teach literacy when reading, writing, and spelling does not come easily to individuals, such as those with dyslexia.

For more information, please check out these websites about the programs or call the school to discuss your child's reading levels.

T.B.A. VISION AWARDS ★ ★ ★ ★ ★ ★ ★ ★

Here at Ten Broeck Academy we are preparing our students today for the world tomorrow. In aligning with our mission, we are pleased to announce that several middle and high school students have been nominated by their teachers to receive Vision Awards.

PERSEVERANCE

**JAMES
MCAULEY**

"While being quarantined, James used his resources, kept up with the rest of the class, and did a great job of learning Unit 6 of Math 7. Nice Job, James!" ~Mr. Jordan

"Jaelyn was presented with a challenging situation with her Talk Abroad in Spanish class. She really worked hard to power through and did an excellent job! It took both her knowledge and her perseverance to be successful." ~Mrs. Miller

**JAELYN
BENJAMIN-
WILSON**

KNOWLEDGE

**ADDISYN
KILLINGBECK**

"Addisyn Killingbeck is deserving of the award for knowledge. She engages in lessons completely, always offering insightful comments and ideas for discussion. She will often bring up unique perspectives on whatever topic we have discussed." ~Mrs. Hulin

"Luke has shown much knowledge and enthusiasm for our Biotechnology unit. He shares thoughtful information with the class and is so excited to enhance his knowledge on this topic. He has so much passion for science." ~Mrs. Lathrop

**LUKE
SPANDE**

ENGAGEMENT IN THEIR COMMUNITY

**NIKOLAS
DOBERSTEIN**

"Nik is a Boy Scout with Troop 601 in Franklinville and participates in almost all community events and community service projects. He is also the liaison between the BSA troop and the Cub Scout Pack and can always be seen helping the Cub Scouts with their activities. In addition to this, Nik is a huge asset to the Franklinville VFW, working there and doing little things around the VFW that need to be done. He is an asset to his community." ~Ms. Rhoades

**JOE
HARASTA**

"Joey has been active in Boy Scouts for seven years. He does community service projects monthly as well as being involved with the Cattaraugus County Youth Court, the treasurer of Rachel's Challenge, always doing things for the VFW (like setting up for their annual clam bake and helping with that), walks the dogs at the SPCA, and helps with anything that is asked of him. He is a Star Rank and progressively working towards his Eagle Scout Rank! Our community is better because of people like Joey Harasta!" ~Mrs. Miller

STRENGTH OF CHARACTER

**NAKOTA
DOBERSTEIN**

"Nakota consistently works well with others and shows great character in the completion of all of his work along with his work with others." ~Mr. Haskell

"Hayden has been the leader of the broadcasting class. He is reliable and responsible. He understands he has a responsibility in the morning, and he lets the team know beforehand if he is unable to fulfill his duty.

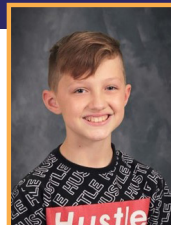

I would give him a character trait of Valiant because his bravery and boldness are running the morning announcements." ~Mrs. Wardner

**HAYDEN
TRIETLEY**

PRIDE IN THEMSELVES

"Landon is very attentive and engaged in class. He puts forth his best effort on all assignments and takes pride in his work." ~Mrs. Knuth

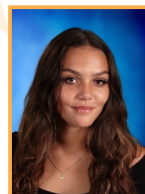

**LANDON
JANKOWIAK**

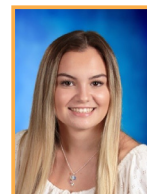

**OLIVIA
PAYNE**

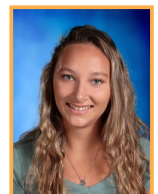

**ANGEL
KOPP**

**CHEZNEA
RIVERA**

**DELANEY
PFEIFFER**

**TARRYN
HERMAN**

"All of these students are participating in the New York State Seal of Biliteracy that we are offering this year and have started working towards that goal! It is not required of them, but demonstrates a desire to set themselves apart and receive a distinction. They are all showing great pride in themselves by going the extra mile and going for this distinction!" ~Mrs. Miller

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, MS-HS Principal

FUN AND SUCCESS

It is hard to believe we are more than halfway through the school year! Time flies when you are having fun..... We all dressed in all our Bills garb two Fridays in a row when the Buffalo Bills were in the play-off games. We played Bills' music and students could fill out a ticket to win a large pizza, 25 wings, and a liter of soda from Rizzo's. Two lucky students treated their families to dinner on game day. Our DDP class made cardboard sleds and had a competition to see whose sled was the fastest and sturdiest sledding down the hill just past Case Lake. This week we are playing Family Feud in lunches for Valentine's Day.

Winter sports are winding down and spring sports sign-ups are right around the corner. We have NHS Induction coming up in March, Field Trips planned, Winter Sports Awards Banquet, our students are working on a play, "Just Another High School Play", and our band and choir are working hard on new pieces of music for their upcoming performances. We encourage everyone to get involved in something at our school. Getting involved in school is one of the best ways to build relationships and lift you up!

Our staff and students have been living up to our character words. January was Energetic, February was Character, and March will be Overcome. The energy and character of our Panther community continue to help us overcome obstacles together. Way to go everyone!

So many interesting and fun things are going on at TBA. There is something for everyone to be involved in!

Most importantly, the teaching and learning going on in our building is outstanding! We are so happy to have in-person learning since the start of school. We have help for any and all students who want or need it. Student grades and test scores have been climbing and the opportunity to be as successful of a student as you want to be is available to all.

Looking forward to March and April and all the fun and success it will bring to our students.

DRAWING FOR DESIGN AND PRODUCTION CLASS

By: Joey Farrand

The Drawing for Design & Production (DDP) class has been busy researching, designing, and producing projects throughout the school year. These projects have allowed students to learn different design processes and skills. In addition to this, they also sharpened their marketing skills by presenting a sales presentation on one of their products.

The first team project saw the students design and build a candle holder. After the project was complete, they had to sell their idea to a potential buyer. All the designs were unique and well put together. Students learn about tool use and safety, as well as, metalworking skills like cutting, bending, and welding.

Students created a barn plaque in a well-thought-out project and built it on a clock using a unique design process. Students also learned about recycling material, as all the wood materials were secured from old pallets.

The current project has used a combination of design processes and involved some serious research. Students teamed up to research, design, and build a sled out of cardboard. After researching, each team produced drawings of their sled and created a materials list. Implementing their designs and building a cardboard sled to withstand the sledding process was a challenging task. We had a lot of unique designs and ideas. In addition to the build, the teams could put their sleds to the test. It was an exciting time. Unfortunately, only three sleds made full runs, but it still was fun to watch. At the end of the trials, only three sleds had any resemblance to what they started as. I want to thank Cattaraugus Container for the donation of cardboard and Mr. Conrad Songster for using his hill in the sled trials.

LOVE COVERS SPORTS

The Athletic Department has adopted the **LOVE COVERS** theme for the character component of our athletic teams. I wanted to share the wrestling team's character award winners. Here is what Coach Thierman and Coach Smith had to say about their wrestlers:

LOYAL - Ben Payne- For not missing any days or making any excuses, he's all-in.

OPTIMISTIC - Dakota Miller- He has had to split many matches with Levi Jennings this year but looks to make the most out of every opportunity he has.

ENERGETIC - Dylan Bleau- Dylan is the drive and the energy behind the whole team.

OBEDIENCE - Kaleb Manzo- He's our youngest person, but one of the most willing to learn.

VICTORY - Evan Leonard - Evan has had to overcome his tractor accident and re-learn how to wrestle at a high level, all without the full strength of his arm.

REJOICE - Levi Jennings- Levi had a scary rib injury in the first tournament of the year, but still showed up to practice the next day (and every day after for a couple of weeks) despite the discomfort, just to watch and support his team.

SACRIFICE - Devin Herman- Devin has had to cut more weight than most others do on the team to help make the team as competitive as possible, and it has involved a lot of extra effort and time that has paid off big this year.

Nicole Burton qualified for sectionals in the 4x400 relay and persevered by overcoming her injuries. The loyalty and love of track and field have truly been awesome to see over the years! A.J. Shortz has also qualified in the 4x400 relay and has an opportunity to continue to qualify for sectionals. A.J.'s work ethic is impressive, and he is a great role model to his peers! Wyatt also works hard in the pole vault and is close to making sectional standards. He also dropped time throughout the year in his 300-meter run. Our last Senior, Margaret McAuley, will be missed and has done a good job with her endurance this year in the 1500-meter dash. There are still two meets left to qualify for the state qualifier meet, and time will tell if they can do it. Our tenth graders of Gabbi Cheesbro, Tyetta Herman, and Isabella Thompson have also done a great job this season. Gabbi Cheesbro did well in the 55 hurdles and competed in the 55-meter dash. Tyetta Herman made sectionals in the 55-meter dash, 300-meter dash, and 4x400 relay. Tyetta is seated 3rd in the 300-meter dash going into the state qualifier meet. Isabella Thompson has also competed in the 300 meters and 55 meters for our team. 9th Grader Luke Spande competed in the 4x400 and 600 meters. Lastly, 9th grader Libby Price competed in the shotput. Good luck to our Gator athletes at Team Championships and State Qualifiers!! Thank you all for your support in our Boys and Girls Indoor Track and Field Program! Go Gators!

BOYS VARSITY SWIM

By Coach Landow

The Franklinville Boys Varsity Swim Team, combined with swimmers from Olean (Coaches Dan Brown/Ben Wright) and Allegany Schools, ended the season with a 6-2-1 record. Franklinville's athletes proved to be mighty contenders this season in the water. Dominic Breton, Jesse Riling, Billy Slavinski, Nicholas Hillman, and Sean Howard all contributed throughout with numerous personal best times, striving towards individual goals and solidifying their places in the Class Championship Meet. Individual highlights, Dom, a versatile swimmer reached Class in the 200IM and 100 Backstroke. Billy, a Freshman, swam the 50 free and 100 Free. Nick took part in the 50 Free. Sean, the team's youngest (8th-Grade) and distance swimmer, placed in the 200 Free and 500 Free. All four swimmers were members of Relay Teams in the Finals. As part of the 200 Medley Relay, Dom and Billy finished with a Sectional Cut extending their season through Sectionals

February 15th. The Coaches are excited for the upcoming years and opportunities that lie ahead for the young team. Shout out to our Manager, Kayci Landow, for helping behind the scenes.

"If you want to be the best, you have to do things that other people aren't willing to do." ~Michael Phelps

GIRLS JV BASKETBALL

By Coach Jennings

At the time of this article, the JV Girls Basketball season is coming to an end. We currently have a record of 8 wins and 8 losses. With only two more games left in the season, we continue to learn and compete! These girls have come a long way since November.

Some highlights of this season include a double Overtime loss to Salamanca on December 22nd. With three starters fouled out, newcomers had to step up in roles they were not yet comfortable with. Even though the game resulted in a one-point loss, the girls continued to fight hard to the end. Libby Price lead the way with 11 points. It was a very exciting game! On January 31st, we met with Salamanca again. This time, we won 27 to 24 in overtime! On February 2nd, we played against Jamestown and won by just one point! Taylor Chase recorded a season high of 15 points. The first time we played them on December 20th resulted in a 19-point loss. That alone speaks volumes of the JV Lady Panther's work ethic! Our most recent win on February 9th was a valiant team effort by all our JV Lady Panthers. We won 36-18, with Makenzie Chase scoring her career high of 23 points. Our last two games will be home against Ellicottville on February 15th and Allegany-Limestone on February 17th.

This season has certainly been fun, and I am so proud of the girls for their dedication to learning and working hard. Since we are a young team, we will have many returners next season as we continue to build up the Lady Panthers Basketball Program. Thank you for your continued support of our athletes and the basketball program here at Franklinville!

BOYS JV BASKETBALL

By Coach Tatlow

This season has seemed to fly by! We have had our share of ups and downs like

Continued on next page...

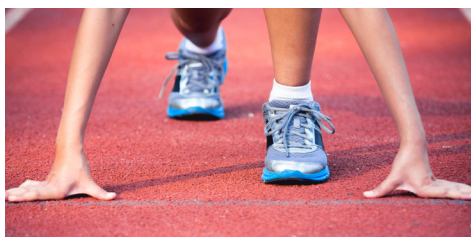

Varsity Indoor Track/Field

By Coach Herman

The Boys and Girls track team have done great this 2021-2022 season. As we near the end of our season, Congratulations to our Seniors Nicole Burton, A.J. Shortz, Wyatt Tinnelli, and Margaret McAuley. They have done a great job always working hard and being great leaders for our younger track athletes!

FCS SPORTS UPDATE

every season has. These young men have been working hard to improve their basketball IQ, and the results show. When writing this, they have amassed an overall record of 8-6 and an impressive 5-0 in league play. In the next seven days, we have four league games remaining to close out the 2021-22 JV Boys Basketball season. In the last, in seven games, the team is 6-1. We look to use that late momentum to take us through these last four games! Freshman Bretton Blecha has led the team in scoring this season. Fellow Freshman Collin Mooney has been our defensive spark all season!! Great Job to all 13 members of the team on their improvements to this point!! I hope you were able to catch a game or two in-person this season! We appreciate the support. Go Panthers!!

VARSITY TRACK/FIELD

By Coach Schunke & Coach Herman

The boys and girls from both Franklinville and Ellicottville are looking forward to an exciting track and field season. The fun and hard work will begin March 14th with our first practice. We will also be bringing back the Frostbite Relays on Saturday, April 9th. Most Invitationals are back, and we would love to see you at our home meets, which can be found in Arbiter on our school website.

We cannot wait to find out what successes our athletes will have this year.

MODIFIED TRACK/FIELD

By Coach Riling & Coach Conroy

The modified track and field team of Franklinville/Ellicottville is looking forward to a great season. Our first practice begins April 18th. All our meets can be found in Arbiter on the school website. Please join us to cheer on our young athletes this season.

Help Support the Class of 2023

FROM THE GUIDANCE OFFICE

By: The Counseling Center

Happy Spring! Here's to hoping the weather warms up and the snow is going away soon. It sure has been a cold winter so far.

ELEMENTARY SCHOOL NEWS:

We made it through another Western NY Winter and have now passed the 100th day of school! During January and February, we had some fun things happening here at the Elementary School. We've focused on the Character Trait, **KINDNESS!** Some of our 5th Graders have shared ideas for Random Acts of Kindness on the morning announcements and I have seen great examples of **KINDNESS** throughout the building over the past couple of months. I have noticed students holding doors open for others, using good manners by saying "please" and "thank you," and offering to help by returning trays, as just a few examples. As we move forward into March, we will focus on **RESPECT** and then **RESPONSIBILITY** for April and May.

All 5th Grade students have had the opportunity to meet with Mrs. Layton to check-in and talk about how the school year is going as well as discuss their interest in band/chorus for next year. As the end of the 21-22 school year moves closer, we will have more information to share about transitioning 5th graders to the Middle/High School, visits to TBA, and orientation.

MIDDLE SCHOOL NEWS:

All students in grades 6-7 have had a scheduling meeting with Ms. Rhoades so ask your child if they decided to take Band and/or Chorus next year. Remember that all students have **TEN DAYS** into the new school year to change their schedule. After the first 10 days of classes each year, we do not permit schedule changes.

The 8th graders will be attending a College and Career Readiness trip to the Ellicottville BOCES Center on March 15th. In their Technology class, they watched a presentation about the Center and all the classes there. Students then picked six individual classes that they would visit to learn more about those particular career fields. This trip is designed to learn about career fields instead of "choosing to attend" the center in high school. As Sophomores, they will get the opportunity to go back to the Center to see if there is a class they may be interested in attending. Permission slips for this trip have been sent home.

Over the last two years, most of our field trips for College and Career Readiness had to be cancelled due to covid restrictions, but we are working hard at getting these in-person trips back a little at a time. Currently, Ms. Rhoades is working on getting the 6th and 7th graders

to the ROPES course in the Spring. The 8th graders will be attending the annual Houghton College visit on May 3rd, where they will get a tour of the college campus, learn about college, and learn the skills they need to develop in high school to be successful at college. More information will be forthcoming with these events.

The Catt. County Youth Court is willing to provide more training at our school for students interested in participating. Just see Ms. Rhoades on how to sign up for the next training.

The Advisement class started for 6th & 7th graders this school year has been a huge success. We are very excited to extend this class to the 8th graders next school year. We have seen an improvement in grades, attendance, and behaviors with the students that have taken this awesome new class.

Speaking of attendance, Ms. Rhoades has many incentives at the junior high to continue to improve students' attendance. Attendance and completing homework are the top two behaviors that ensure success in education. Each quarter she awards the advisement group with the best attendance for the class. 2 out of 15 groups received a special treat (donuts) for perfect attendance in the first quarter. In the second quarter, 5 out of 15 groups tied for perfect class attendance, and they had ice cream floats to celebrate. She hopes that even more groups will participate in the reward in this third quarter. In quarter 2, all the students, grades 6-8 with perfect school attendance (including remote learners that were quarantined) got to put their names into a drawing for a prize. We had 17 eligible students! For the second quarter, the winner of the electronic thesaurus was Ethan Learn. Ethan is a 6th grader at TBA. Congratulations Ethan!

Boys & Girls grades six and up: Do you enjoy camping, being outdoors, doing community service, and other amazing activities? Think about joining Boy Scout Troop 601. Stop in to see Ms. Rhoades, and she can give you any information you need. The troop meets on Mondays at the Franklinville VFW, from 6-7:30, so it doesn't generally interfere with sports!

HIGH SCHOOL NEWS:

I hope all is well. I enjoy meeting with the 8th grade students to get to know them and work with them to develop their schedules for next year. The 9th grade students recently completed a career exploration activity and learned more about how their interests, strengths, and skills connect to various career fields.

On Tuesday, March 15th, Sophomores will

take the ASVAB (Armed Services Vocational Aptitude Battery) CEP – a complete career planning program – in school. **Students take the ASVAB at no cost and no commitment to military service.** The ASVAB CEP also provides an interest assessment and planning tools to help students explore career field entry requirements and various career paths, both military and civilian. Students will meet with a representative to review their scores and complete a career exploration activity on Tuesday, March 22nd.

Juniors and Seniors will have the opportunity to tour the JCC Olean campus in April. More information is forthcoming. Seniors: Please remember to submit a copy of your resume, recommendation letters, and records release as soon as possible. Seniors also need to complete 12 hours of community service. Scholarships are available and can be found on our website: <https://www.tbafcs.org/Page/2000>. The Cattaraugus Region Community Foundation Scholarship portal is open – the deadline is March 20th. The Franklinville Graduation Awards are available to all Seniors – the deadline is April 1st. Third-quarter grades are included in the Senior Final Class Rank. Final Class Rank will be available on May 2nd. Please let me know if you have any questions.

RACHEL'S CHALLENGE:

Rachel's Challenge continues to work behind the scenes to make our school and community a brighter place to be. Although the students have found this year's schedule difficult to meet regularly, it doesn't stop their planning and carrying out activities. Currently, they are working on the annual Seniors vs. Staff Volleyball game to be played in the spring. This is their only fundraiser and has been a much loved and widely attended event in the past. More information will be coming soon about this.

DATES TO REMEMBER:

- 3/15/22: 8th Grade to BOCES
- 3/29-4/5/22: ELA 3-8 testing
- 5/3/22: 8th Grade to Houghton College
- 5/24 & 6/6: 8th grade Science Test
- 6/15-23/22: Regents exams
- 6/23/22: Baccalaureate
- 6/24/22: Graduation

As always, if you have any comments, questions, and/or concerns, please feel free to contact our office at 676-8013 or **Jen Layton** at 716-676-8023, **Cindi A. Rhoades** at 716-676-8054, **Matt Harris** at 716-676-8025.

GRADUATION AWARDS 2022 • ALL SENIORS ARE ENCOURAGED TO APPLY!

The following awards are available to graduating seniors. Please carefully read the requirements and submit your applications by the due date. ALL awards are subject to change and dependent upon student participation.

For the following awards, students must submit:

- a. Letter of Intent
- b. Resume (in guidance file)
- c. Two letters of recommendation
- d. College acceptance letters

These scholarships are due by APRIL 1, 2022

1. ROBERT KELSEY SCHOLARSHIP AWARD – Interested students who plan to further their education in a medical field. Letter of intent should be addressed to the attention of the Superintendent's Office for committee selection. This is a \$50 award, which is subject to change and is paid at the graduation ceremony. Submit letter of Intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

2. GERTRUDE AND LEWIS DILLE SCHOLARSHIP AWARD - \$500 awarded to a student who will be continuing their education in a career that will benefit children, such as teaching or social sciences. Student must demonstrate financial need. Preference will be given to students that have participated in the school music program. This award is selected by the school committee. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

3. THE HICKER FAMILY SCHOLAR/ATHLETE AWARD – established in 2001 by George Hicker, Class of 1964. Scholarship amounts will vary. Letter of intent should be addressed to Mr. Hicker. Submit your letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

4. ALANSON CROSBY 214 – WOMEN'S RELIEF CORP. AWARD – Interested students who plan to further their education in a medical field. Letter of intent should be addressed to the organization. They will make the selection of the winner. This is a \$100 award, may be two (2) awards, which is subject to change and will be paid to you at the graduation ceremony. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

5. FRANKLINVILLE TEACHERS' ASSOCIATION – Amount varies each year; selected by Association. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

6. EARL KOTTWITZ SR. /HUEY KOTTWITZ MEMORIAL AWARD – Letter of intent should be addressed to the Kottwitz Family. They will make the selection of the winner. Your letter must include information about yourself, your hopes and dreams. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

7. WEIGEL FAMILY SCHOLARSHIP AWARD – Letter of intent should be addressed to the Weigel Family. This award will be given to a student who demonstrates academic achievement, extracurricular and sports involvement, and has been accepted into a place of higher education. Submit letter of intent to Mrs. Irwin in the Guidance Office by April 1, 2022.

Cattaraugus County Regional Foundation offers several different scholarship opportunities for Franklinville students. Please go to the following website to review the criteria for these scholarships www.cattfoundation.org – the deadline for these awards is March 20, 2022. A list of scholarships with the criteria is also available in the Guidance Office. The portal opens February 1st. Here is a sample of some of the scholarships offered to Franklinville students only: There are plenty more listed on the website as well.

1. WALTER F. AND JULIA A. DZIEKONSKI SCHOLARSHIP
2. JOSEPHINE S. PEPPER MEMORIAL AGRICULTURE SCHOLARSHIP
3. WILLIAM H. SCHWIER MEMORIAL SCHOLARSHIP
4. NANCY ALLEN MEMORIAL SCHOLARSHIP
5. JEN DELONG MEMORIAL SCHOLARSHIP

THE FOLLOWING AWARDS MUST BE APPLIED FOR - APPLICATIONS ARE IN THE GUIDANCE OFFICE:

1. FRANKLINVILLE P.T.O. – The amount varies. Deadline is April 30, 2022
2. FRANKLINVILLE VETERANS' OF FOREIGN WAR – Deadline is April 30, 2022
3. IOOB SCHOLARSHIP AWARD(S) – Amount varies – (\$500-\$1,200) – Deadline is April 30, 2022
4. MAPLE FESTIVAL SCHOLARSHIP AWARDS – Deadline is May 17, 2022

THE FOLLOWING AWARDS ARE SELECTED BY A COMMITTEE – STUDENTS NEED NOT APPLY FOR THEM.

AMERICAN LEGION ATHLETIC AND CITIZENSHIP AWARDS
CATTARAUGUS COUNTY BANK
GORDON AIMES MEMORIAL AWARD
LIPPERT GUARDIAN ANGEL FUND
FRANKLINVILLE VETERANS' OF FOREIGN WARS AUXILIARY AWARD
JACQUELINE TYNDA MEMORIAL AWARD
T.B.A. SOCIAL STUDIES DEPARTMENT AWARD
SHANNON BIELA MEMORIAL AWARD
WILLIAM GOSS MEMORIAL AWARD
VIRGINIA WATKINS MEMORIAL AWARDS

The above award amounts vary. Benefactors adjust the amounts up or down, depending on the economy and other financial considerations. Interest rates paid by financial institutions may also necessitate an adjustment in the award amount.

ELEMENTARY PRINCIPAL'S CORNER

By: Thomas Riddoch, Elementary Principal

RESOLUTION CHECK-IN

Back in January, I had asked all our families to help our children make resolutions around reading. I talked about how we could start routines around reading and select special "reading spots".

How are we doing? Are we still going strong? I hope so! But if you are losing some steam, here are some things I try at home with my kids.

- Try letting your child choose the book, at a young age it might just be the pictures.
- Try talking about the pictures or making up your own story.

- Ask them questions about the book.
 - Or take turns reading to each other.
- Remember, the important part is to have fun and enjoy the time together. Keep up the good work!

STORY TIME AT THE ELEMENTARY SCHOOL

Please Join Mrs. Brisky and Mr. Riddoch every Wednesday in March from 8:30 am to 9:00 am for storytime. Mrs. Brisky will be sharing some of her favorite stories with 2 and 3-year-olds and their families.

Families should enter through the South Entrance and will need to stay with their children for the duration of the time. All school rules are applicable. For additional information please contact the main office.

2022-23 PRE-K REGISTRATION

March 10, 2022, we will be hosting a Pre-K information/ registration night. Please stop in to meet the teachers and hear more about our dynamic program.

Applications will be available that evening or call the Elementary School Office between the hours of 8:00 am-3:30 pm, Monday-Friday at 716-676-8020. To register your child you will need their Birth Certificate, Immunization Records, and Proof of Residency

100TH DAY CELEBRATION

The Kindergarten was busy celebrating the 100th Day of School on February 11, 2022. They had a fun day that involved many activities around the 100-day theme. This included snacks, making crafts, and overall enjoying the Kindergarten Milestone!

Franklinville Pre-K Program: Shanna Dunlap@ sdunlap@tbafcs.org
Head Start Program for 3 and 4 year olds: Aimee Stanbro 716-474-1807 or astanbro@tbafcs.org

DID SOMEONE ORDER A TROPHY?

By Mr. Pendl

In February the sixth graders completed a STEM Project where they constructed a car that could deliver The Super Bowl Trophy for the winning team. The students used all of their Science, Technology, Engineering and Math Skills. They also needed to work with their team for the design, communicate and cooperate with each other. There were many interesting names for the vehicles including "The Vince Lombardi Vehicle" and "Vehicle Lombardi", as well as "The Lambeaugini". The students had fun constructing the cars and they are hoping that their prediction for the actual winner of the SuperBowl was correct.

The outcome of the game was not known at Press Time. Were we right?

FCS SKI CLUB

Franklinville Ski Club runs every Tuesday starting in January and going into March. It's a great way to enjoy the winter season. Skiing and snowboarding lessons are free to anyone who joins through the club link. Anyone interested in joining the ski club next season should get ahold of Mrs. Jordan in the high school.

MS/HS Play: "Just Another High School Play" - March 25th!
