Panther Pride

During Spirit Week our FCS Elementary students all received a new Cubby T-shirt. They wore their shirts for an overhead FCS picture. Let's show our Panther Pride on the first Friday of every month by wearing our Cubby shirt to school. The first Panther Pride day will be Friday, January 5th.

FROM THE DESK OF THE SUPERINTENDENT

Dear Franklinville Community,

As we approach the holiday season and approach a new year, it's a delightful time to reflect on the past year's highlights. Our staff has shown exceptional dedication, going above and beyond to create meaningful opportunities and lasting memories for our students. Whether it's our bus drivers decorating their buses for Halloween, our support staff creating a warm and inviting atmosphere in the offices, or our cafeteria staff greeting our kids with warm smiles during breakfast and lunch, everyone has played a crucial role in making our school a special place.

Our teachers have provided enriching academic experiences, including captivating projects like nurturing crayfish and trout and hosting a family fun night. Our students have diverse opportunities to explore potential career and college paths, participating in events such as Veterinary, Agriculture, Skilled Trade Days, visiting Houghton College and attending a college consortium held at TBA. The community has reveled in the dynamic sounds of our band and choir during their concerts this year. These experiences represent just a glimpse of the rich and rewarding opportunities our students have embraced so far.

The fall sports teams had remarkable seasons, and our students earned numerous individual accolades. We thank our coaches for their unwavering dedication to helping our student-athletes thrive on and off the field and in the classroom.

I wish everyone a joyful holiday season. As we continue to flourish and grow, let's carry this positive momentum into the new year.

Superintendent
Donald Putnam

Christmas Spirit 2023

Once again, thanks to the generosity of businesses near and far, community members and volunteer committee members, a very happy holiday was helped along for many of our local children. Over 200 children in the Franklinville community received gifts to brighten their Christmas.

We also extend our thanks to those who have contributed to the food drives/toiletries drive at the school and the hat, mitten, and toy drives at our local businesses and library. Again, all donations have helped our local families including our own Food Pantry in Franklinville.

The committee is, as always, grateful to the community for their help in making sure that those who might have been struggling this Christmas, had something under their tree. Even in difficult economic times, Franklinville School District residents have demonstrated time and time again, their willingness to help each other when the need is there. Great job team!

If you have been inspired by this article and would like to be a part of Christmas Spirit 2024 or to find out more, please contact the Elementary or High School office. We accept donations year-round!

Thank you!

THE HALLOWEEN PARADE

FCS Elementary showed off all their costumes in our Halloween Parade. This year the students paraded around the track to show off their costumes. Many parents came to watch and admire all the costumes.

THE HATCHERY

Mrs. Saylor took the 3rd graders to the Hatchery to learn about raising trout. They spent the day learning all about the fish. Mrs. Saylor is helping them raise some trout in her room that will be released in the spring.

FAMILY FUN NIGHT

On November 14th the FCS Elementary School held their first family fun night. During the evening, students showed off science projects and writing pieces. Some classrooms hosted math and reading games. In the music room, Mr. Angeleri led drum circles and in the multipurpose room, students performed yoga. A large obstacle course bounce house was set up in the gym. Many of our families came and participated in all the fun activities.

SOCIAL MEDIA & ART

Students in 3rd, 4th, and 5th grade each made a feather and I assembled them into Angel Wings based on street and social media artist Kelsey Montague. You are supposed to stand in front of them with arms raised, have a photo taken of you, and post on public social media with hashtag #whatliftsyou and a positive message. If you look up #whatliftsyou on social media platforms, you can see photos from around the world.

FROM THE GUIDANCE OFFICE

A message from Mrs. Schuckhardt

School Social Worker for grades 6-12

The winter months tend to bring with them additional stressors and mental health concerns. Even though holidays are positive experiences for most, they still bring along with them stressors. You may notice yourself feeling a little more down and lacking energy during the fall/winter months as well. It's common in our region of the world to experience symptoms that align with Seasonal Affective Disorder (SAD). SAD occurs due to lack of vitamin D in our bodies as well as lack of serotonin and altered levels of melatonin.

Symptoms of SAD can be persistent sadness, anxiousness, or "empty" mood most of the day, nearly every day, for at least 2 weeks.

Feelings of hopelessness or pessimism, feelings of irritability, frustration, or restlessness. Feelings of guilt, worthlessness, or helplessness. Loss of interest or pleasure in hobbies and activities. Decreased energy, fatigue, or feeling slowed down. Difficulty concentrating, remembering, or making decisions. Changes in sleep or appetite or unplanned weight changes. Physical aches or pains, headaches, cramps, or digestive problems that do not have a clear physical cause and do not go away with treatment and thoughts of death or suicide or suicide attempts.

If you find yourself experiencing any of these symptoms, you should be encouraged to seek

out your primary care provider and discuss options for supplements to increase your mood and overall well-being. If you need to get connected to a provider, please feel free to contact us in the TBA Counseling Center and we are happy to assist you.

Due to the increase in stressors and mental health needs during the colder months, I wanted to provide you with some ways to strengthen your communication with your families. Getting engaged in conversations around mental health and self-care can be a challenge, so here you will find some conversation starters. You can use these to better understand your friends and family and what they may be dealing with.

EXPLORATORY

Oftentimes we don't know (or can't observe) what is going on with our children, but our gut tells us something is off. Instead of asking a yes/no question ("Are you okay?"), start a conversation that invites your child to share beyond a one-word answer.

- "It seems like something's up. Let's talk about what's going on."
- "I've noticed you've been down lately. What's going on?"
- "Seems like you haven't been yourself lately. What's up?"
- "You don't seem as _____ as you usually are. I'd like to help if I can."
- "No matter what you're going through, I'm here for you."
- "This might be awkward, but I'd like to know if you're really alright."
- "I haven't heard you laugh (seen you smile) in a while. Is everything okay?"
- "I'm worried about you and would like to know what's going on so I can help

OBSERVATIONAL

When noticing a change in behavior, it's important to focus on the reason or emotion behind the action rather than the action itself.

Avoid asking "Why are you (not) _____?" and, instead, state what you are noticing and what might be behind the behavior.

- "I've noticed..."
- "It seems like ..." •
- "Have you noticed..."
- "Tell me how [specific behavior] makes you feel."
- "I haven't seen you [specific behavior] lately. Is everything okay?"

For example: • "I've noticed that you seem more anxious on Sunday nights. What's going on?"

- "Have you noticed that you're not eating all of your dinner lately? I wonder if something is bothering you."
- "I haven't seen you playing basketball like you used to. What's up?"

When we ask about a behavior in a non-judgmental way that focuses on the reason or cause, children are less likely to become defensive – avoiding the typical "good/ bad" behavior dynamic and demonstrating concern and care.

NORMALIZING THE CONVERSATION

Imagine if questions and conversations about mental health and wellness were as common as "How was your weekend?" or "Did you sleep alright?" By intentionally incorporating emotional health and wellness into daily life, we continue to chip away at the stigma associated with talking about mental health.

In the home parents and caregivers can let their children know that their emotional health and wellness matters by regularly asking:

- "Tell me something that surprised you about your day in school"
- "What emotion did you feel the most today?"
- "Have you felt [emotion] in the past week?"
- "It seems like you are [emotion] right now. Let's talk about it."

I hope you find this information useful. If you or your family are need of additional support, please feel free to contact me at the TBA counseling center and I would be happy to help you.

FROM THE GUIDANCE OFFICE

A message from Mr. Harris

School Counselor for grades 6-12

I hope everyone had a great holiday season. I have enjoyed working with the senior class while learning more about what everyone is interested in pursuing after high school. Many students have been accepted to college, while others are preparing to enter the workforce and military. All college-bound students must submit the FAFSA application. Students attending a college in NYS should submit the NYS TAP application as well. Please let me know if you need any help moving forward.

Scholarships are available to all seniors and can be found on our website (<https://www.tbafcs.org/Page/2000>) as well as in the Counseling Center. I will help students apply for the Franklinville Graduation Awards and the Cattaraugus Region Community Foundation Scholarships in class. Seniors need to submit a copy of their resume, recommendation letters and records release as soon as possible. Seniors also need to complete 12 hours of community service.

On October 19th, Sophomores, Juniors and Seniors took a field trip to Alfred State to tour the campus and learn more about the programs and opportunities they offer. We will continue to host college visits and will be setting up more campus tours. Juniors and Seniors are encouraged to attend.

I am in the process of meeting with the Freshman, Sophomore and Junior classes to review their year, work on post-secondary readiness activities, as well as schedule their classes for next year.

Congratulations to the Voice of Democracy winners!

1st place: Ana Hillman

2nd place: Braeden Kent

3rd place: Abigail Spencer

Congratulations to the Patriot's Pen winners!

1st place: Kaylee Morgan, Payton Callahan, Dylan Snayczuk

2nd place: Kayci Landow and Grace Cornell

3rd place: Addison Buchanan

Congratulations to the following Juniors who took the PSAT in October! You all did a great job!

Norra Ainsworth, Ethan Allen, Bretton Blecha, Gannon Callahan, Lilah Cudney, Tyrnan Farrington, Ana Hillman, Braeden Kent, Patience Koch-Brauen, Kaleb Manzo, Colin Mooney, Elizabeth Price and Shea Smith.

Congratulations to the following Seniors who took the SAT in October! You all did a great job!

Hayden Callahan, Hunter Osgood, Noah Shenk and Luke Spande.

FOCUS ON TEN BROECK ACADEMY

Happy New Year to our wonderful school community!

As we embrace the start of 2024, I extend my warmest wishes for a year filled with happiness and good health to each and every one of you. The winter season has brought a flurry of excitement to our school with engaging sports events, competitions, and upcoming band and chorus performances. Your presence at these events adds to the vibrant spirit of our community, and I eagerly anticipate seeing parents, family members, friends, and fellow community members cheering on our talented students.

Throughout January and February, our focus turns to the core values of Ability and Knowledge. These character words are at the forefront of our educational journey, guiding both our staff and students towards growth and success. It is through the cultivation of these qualities that we continue to foster a nurturing learning environment.

A gentle reminder to ensure your child or children are well-rested and maintain regular attendance. Your continued support is invaluable to their academic journey. If you notice any challenges or struggles, please don't hesitate to reach out. Open communication is key, and I am here to collaborate with you in creating a plan that ensures every student's success.

Thank you for being an integral part of our educational community. Here's to a fantastic year ahead!

Yours in education,

Varsity Football

Coach Blecha

Titans Football season comes to an end

The 2023 version of the FE Titans have concluded their season with a 7-2 record. After completing the regular season at 7-1, the Titans bowed to a hungry Wilson team in the semi-finals 21-20. The kids played hard, but we could not stop Wilson's potent offense in the fourth quarter. A last-chance drive to win the game for the Titans came up short, but not for lack of effort. Though the season fell short of our goals, the team kept up the Titans tradition of playing tough, hard-nosed, winning football. This was the 10th year that the Titans have won at least 7 games in a season. These players and coaches have worked hard to continue to bring pride into our community, and this year was no exception. We will miss our seniors who will be leaving us. They are Dakota Miller, Beau Bielecki, Jacob Dahlke, Noah Shenk, Trent Borden, Devin Herman, Ben Payne, Hayden Callahan, and Zach Fetterman. Good luck to all the players going into the winter sports season.

Modified Wrestling

Coach Palmatier

We are excited to start a new modified wrestling season. The wrestlers are working hard to be better wrestlers and students. We started the season off with two successful home meets and look forward to competing the next few weeks. We hope to see you this season and thank you for your support.

Boys Varsity Swim

Coach Jennifer Landow

The Franklinville Boys Varsity Swim is combined with swimmers from Olean (Coaches Dan Brown/Ben Wright) and Allegany Schools. Franklinville has several returning young swimmers who will undoubtedly have an impact on the success of the team. Nick Hillman (Junior) will continue improving his skills and speed in our freestyle and backstroke events. Sophomore Sean Howard, a versatile swimmer, is expected to contribute wherever he is needed across the board. Another sophomore, Patrick Freedman, will provide the team with depth in the freestyle and backstroke events as well. Johnson Li, a freshman, will provide the variety, swimming the Breaststroke and Freestyle. The Boys Varsity Swim Team is always looking to grow and develop. Evan Breton and Kayci Landow are returning as our managers for the season.

Our first meet was held on November 30th in Panama. The team churned out a dominating performance to start the season with a huge win! Nick, Sean, Patrick, and Johnson all finished within the top 3 of their individual and relay events. Congratulations Boys on a magnificent performance! Good Luck with the rest of your season!!

"Persistence can change failure into extraordinary achievement." -Matt Biondi

Bowling Team

Coach Farrand

Once again, the Franklinville Bowling team is gearing up for our season that will see our first match at home on December 4th. Members this year include Mark Felser, Alexis Miller, Jacoby Neureuther, Jordan Bosell, Maverick Jennings and Christian Sexton. We are off to a good start with improving our game at practice, with some of the members already improving their game by 20 pins or greater. Our home meets will be at the Ischua Country club.

Indoor Track & Field

Coach Herman

We are pleased to announce the Franklinville Panthers indoor track and field team! Everyone has been working really hard to prepare for their first meet. We do have some new track athletes that are learning all about field events, relays, and specific running events. The training has consisted of weight room training, running mechanics, field event drills, and opportunities of practicing at the Houghton College Track. The indoor team will be competing at Houghton College, and Buffalo State college this 2023-2024 season. The athletes are: 7th grader Genevieve Herman, 9th graders Peyton Blue, Kaelyann Graves-Decker, 10th graders: Molly Witter, Olivia Hulin, and Kaylee Fox. 11th graders: Elizabeth Price, Patience Koch-Braun, Kaleb Manzo, Audree Green, Ana Hillman, and Norra Ainsworth. 12th graders- Summer Wilkins, Isabella Thomson, Tyyetta Herman, and Gabriela Chesebro. These athletes are excited to begin their season, and looking forward to setting new goals for themselves. Thank you for supporting our Indoor track and field team. Here are dates if you want to come out and see these athlete's in action: Team championships will be held February 10th at 9:30 a.m. in Houghton college. February 17th will be State Qualifier at 9:30 a.m. Finally, the state competition will be held in Ocean Breeze Staten Island on March 2nd. Good luck to all other sports teams this season!

FCS SPORTS UPDATE

Varsity Boys Basketball

Coach Scott Shenk

The Varsity Boys Basketball team is looking forward to an exciting 2023-24 season! The boys are involved in two tournaments this season, the Pioneer Motorsports Tip-Off Tournament held at Pioneer Central School on December 1st and 2nd with Springville, Holland, and Pioneer and our own Rick Hughes Memorial Christmas Tournament held here at TBA on December 15th and 16th along with West Valley, Brocton, and New Life Christian School. We are once again in the CCAA East 2 for league games against Cattaraugus-Little Valley, Ellicottville, Forestville, North Collins, Pine Valley, and West Valley. Our non-league opponents include Fillmore, and Portville. Returning to the team from last year are Seniors Beau Bielecki and Noah Shenk, Juniors Bretton Blecha and Collin Mooney, and Sophomores Grant Cornell and Eli Shenk. All six boys played very large roles in last years campaign. Bretton, Beau, and Noah all received League All-Star nominations. Grant, Collin, and Eli were all instrumental in our late season run and carrying into the playoffs. New to the team this season are Juniors Gannon Callahan, Blake Green, Donte Long, Ari Riling, Matthew Spittler, Bill Slavinski, Calin Terwilliger, and Isaac Towne. We are very excited about the athleticism and depth these boys add to the team. We will look to be competitive in our league and in Class C Sectional play as we are no longer in Class D. Thank you all for your continued support of our basketball program.

Girls Varsity Basketball Team

Coach Samantha Kuhn

Franklinville girls' varsity basketball has started for the 2023-2024 season. We are so excited to be back in the gym and have a great schedule of games to play! We will miss the class of 2023 and wish them nothing but the best, but we are looking forward to the next steps as we start our season. I am anticipating nothing but great things from our seniors and captains Sofia Bentley, Olivia Frank, and Luciana Marchese. We also have juniors Abbigale Chase, Gabrielle Goss, and new addition Hailey Rzucek. Our sophomore center Makenzie Chase is back and ready for action. We have two freshmen, Taylor Chase and Alayna Spittler, ready to show what they can do. Our youngest new addition is Grace Cornell, and she is ready to work hard and learn as she goes with the program. Our goals will be to finally win the league title and fight for a sectional title as well. We would love the community's support and would greatly appreciate seeing anyone that can make it to some of our games this year. Thank you for your continued encouragement and for cheering us on throughout the years. We are expecting big things! Go Lady Panthers!

JV Girls Basketball

Coach Bridget Jennings

The Girl's JV basketball season has officially begun! So far, we are enjoying getting to know each other as teammates while we learn the fundamentals of basketball. This year's returners consist of Sophomores Aliah Range and Trinity Herman, Freshman Danica Hopkins, and 8th graders Addison Chamberlain, Eva Green, and Mya Sullivan. These returners have worked hard to improve their skills from last year and we are very much looking forward to continuing to grow.

We also have 4 newcomers that joined our team after having a pleasing season on modified last year. These four freshmen; Alexis Keller, Sarah Lewis, Taylor Fox, and Zoe Enderby; all bring heart, encouragement, and skill to our team.

At the time of this article, we have participated in one non-league game against The Olean Huskies on 11-30-23. It was a thrilling start to the season where our girls battled back from an 11-point deficit in the 4th quarter to send the game in overtime. Unfortunately, we ran out of time and lost by only 3 points.

I am excited to be a part of this program with these wonderful young ladies. As always, we thank you for the support and encouragement and would love to see you at our games! Find our schedule online at: www.arbiterlive.com. Go Lady Panthers!

JV Boys Basketball

Coach Tatlow

This year's team will look much different than the last couple of seasons. Several starters from last season have moved up to the Varsity level. I wish them the best of luck as they continue on in the program. We have two returners from last season on the JV squad. They are Sophomore Damien Cole and Freshman Brady Tatlow; we will look for them to be leaders on and off the floor. They are joined by James Goff, Landon Learn, Trevin Lane, Tristen Hennard, Mason Blecha, and Oliver Shenk. The team has been working extremely hard at practice even with the limited roster. They had a great scrimmage against Randolph the week of Thanksgiving. We will look to carry this momentum into the start of our season at the Pioneer Tipoff Tournament in early December. We appreciate all of the encouragement and support we receive from the school and community. We look forward to seeing and hearing you at our games this season!
