September/October 2024

FCS ELEMENTARY HOSTS SUCCESSFUL SUMMER PROGRAM

During July, FCS Elementary hosted over a hundred students in the Summer Program. Students received some math and ELA review, along with fun science lessons and weekly field trips. The older children all got an opportunity to swim every day. The students visited the Buffalo Zoo, Pumpkinville, and Explore and More. In the last week of the program, Prehistoric World came to FCS to show off some reptiles, and students participated in some Olympic Events. The YMCA also ran an afternoon program. Students played sports and games outside and in the gym.

FROM THE DESK OF THE SUPERINTENDENT

As the new school year begins, we are excited to announce our partnership with the YMCA and the acquisition of a five-year grant to launch an enriching afterschool program for our elementary students. This program will provide our students with opportunities for fun and learning beyond the traditional classroom setting. We anticipate an enthusiastic atmosphere as our elementary students engage in various activities designed to entertain and educate.

We invite you to the Meet the Teacher event on Tuesday, September 3rd. This occasion marks the start of the school year and offers a beautiful opportunity to strengthen connections with your child's teachers, crucial for enhancing their educational journey. On the same day, from 12 pm to 8 pm, at the elementary school's main entrance, we will hold our Capital Project Vote. For more information on the approximately \$34 million capital project, which will have no

tax implications, please visit our school website at www.tbafcs.org.

Should you have any questions or need

further details, don't hesitate to contact my office or Donna Howard, our Business Executive, at 716-676-8000.

FRANKLINVILLE AGRICULTURE AND FFA SUMMER

By Joey Farrand

The Agriculture department has been busy this summer doing landscape, trail maintenance and crop care once again. Students have cared for the land lab grounds by mowing, trimming trees and keeping a flower bed under the sign. They also help to keep the trails at the land along the creek and at Cash Park open.

On July 29th, 2024, eight members of the FFA competed at the Cattaraugus County Fair in Little Valley. Team one consisting of Tyetta Herman, Trinity Herman, Sean Howard and Genevieve Herman placed second in the All Around Farmer contest. Team two consisting of Abbi Chase, Makenzie Chase, Taylor Chase and Anthony Murphy placed 5th in that contest. The contest combined scores from dairy judging, livestock judging and agronomy.

In the Wildlife ID contest Sean Howard placed 1st and Makenzie Chase placed 3rd making them first place team. In the Tree ID contest Taylor Chase placed 1st and Sean Howard placed 2nd making them 1st place team. All members in attendance help to give us success.

We are looking forward to another school year and all the activities associated with it!

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

Welcome Back to TBA! As the Summer Olympics have concluded, we are inspired by the hard work and determination that make our country, community, and school exceptional. Over the summer, our school was abuzz with music and athletic camps, recreational activities, and academic programs. Our dedicated teachers, staff, and student aides have fostered a love of reading, strengthened math skills, and encouraged creative and athletic pursuits. Our maintenance team has diligently prepared our facilities for your return, ensuring our school is in top condition. The weight room remained open, serving both our students and community members in their fitness journeys. Coaches have been tirelessly training athletes for the upcoming seasons, evident in the bustling fields, summer leagues, and gyms.

The theme for the 2024-25 school year is "VICTORIOUS." Echoing the words of Rita F. Pierson, "Every child deserves a champion—an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be." We are united in our commitment to champion our children to the fullest. Victory at TBA requires the

collective effort of everyone—students, teachers, and caretakers alike. It's crucial to stay engaged, communicate effectively, and remain informed. Attendance is vital not only for individual success but also for enriching our school community. Each absence is felt, as we are not whole without every member. Even when we can't be physically present, staying connected is key to maintaining our forward momentum.

It is important to be present, get connected, communicate, and stay informed. Staying connected when we cannot be present maintains our momentum forward and strengthens our relationships. If you cannot be at school or you have to come to school late or leave school early, it is essential that this is communicated in writing see BOE policy 7110. Our communication strengthens our relationships whether it is in person, by phone or electronically. Be sure to reach out to the teachers and connect. Being informed helps support educational growth. PowerSchool is the gradebook for Ten Broeck Academy. PowerSchool is currently our primary method to recognize students that are in need of support. Parents, students, and faculty can access PowerSchool to see what assignments are

missing, or the subjects that a student may need assistance in. Please know your login on parent portal to stay connected and current. Let us always work together to achieve a VICTORIOUS year!

We will work together to train the heart of a Champion from the Inside Out this year! We are excited to explore the following character words with our students this year:

September	V	Values
October	I	Improvement
November	C	Confidence
December	T	Toughness
January	O	Own It
February	R	Real Love
March	I	Integrity
April	O	Overcome
May	U	Understand
June	S	Success

FROM THE GUIDANCE OFFICE

Dear Franklinville Families:

Welcome back to the 2024-2025 school year! We hope everyone had a great summer. We are looking forward to working with the middle and high school students and families this year. Please be sure to view the Counseling website (tbafcs.org/Page/2000) for information on scholarships, college visits and applications, financial aid, community service opportunities and much more!

Please join us in welcoming Mrs. Lia O'Gorman (MHS Social Worker) to Franklinville!

I grew up in Houghton and graduated from Fillmore before completing my Bachelor's degree in Psychology at

Houghton University. I then completed my Master's Degree in Social Work from the University at Buffalo. I have been a School Social Worker for about 11 years, 9 of which have been in this region with CA BOCES. Before working in schools, I worked in residential, foster care, and other case management roles. Providing direct therapy to young people and supporting the growth and improvement of all aspects of their lives has been a passion and a privilege in my various roles both past and present. During two of my years with BOCES, I was able to help support the Franklinville district on a part-time basis and enjoyed the supportive, community feel. I am excited to officially join the Franklinville family, and I look forward to the opportunity to get to know and work with many more amazing students and families within the district. I live in Cuba with my husband, 3 children, and a golden retriever (our 4th child). In between managing the busyness of our household, I dabble in various interests such as hiking, kayaking, cooking/baking, art, and music, as well as trying to keep my growing collection of houseplants alive.

Attention Parents/Guardians: Please take some time to review the Affirmation packet, Free and Reduced Lunch forms, your child's schedule, PowerSchool logins, as well as the demographic forms. Please fill out the necessary paperwork and return it to the Counseling Center as soon as possible. Thank you!

The 2024 Varsity Titan Cheerleading program is looking very promising with a very large group of returning cheerleaders this season. With the addition of the West Valley school district to our program we are very excited to not only cheer on our Varsity Titan football team, but

also compete in our local competitive competitions as well as sectionals this fall. We have been working hard all off season with mini camps and work out sessions and are ready to start with regular season practice on Aug 26th. Keep a look out as the Modified and Varsity cheerleaders will

be hosting a CAR WASH and Bottle/Can drive as a fundraiser on Saturday, Aug 31st. Posters and more information on times and locations will be provided around town!

We can't wait to cheer along with you all on Friday nights under the lights! Go Titans!
